## Course Overview

### About the Course:

Personality development course is crucial to the lasting success of every organization and society. It's essential to invest in your people to develop expertise and prepare the next generation of leaders. One goal of Personality development program is to create leaders with a broader vision of the nation. While a person may shine as a potential leader in a current role, a well-rounded knowledge of the entire job is needed to succeed in a high-level leadership position.

### Objectives:

1. To prepare well personality of students to achieve smart job.
2. Be more proactive about self-development
3. Take more control of one's career
4. Pursue self-development because it is important and use it as a motivational tool for goal achievement

### Course Outcome:

1. Working with Others: Being more sensitive to others, handling conflict in a constructivemanner, developing better relationships.
2. Personal Life: Making changes in one's personal life, primarily in the areas of balanceand health
