REPORT ON NASS DAY CELEBRATION ON ROLE OF YOUTH IN NSS

Department of Agriculture Engineering, Excel Engineering College (Autonomous) has organized one day Webinar on "NSS Day Celebration on Role of Youth in NSS" on 25.09.2021.

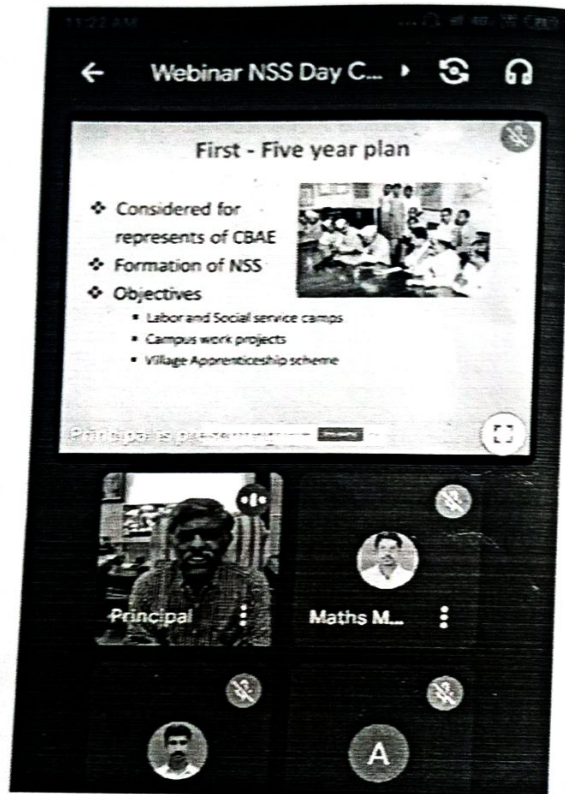

The webinar commences sharply at 11.00 am with welcome address by Dr.G.Vijayakumar, Professor & Head, Department of Agriculture Engineering, Mr.V.Bharath, AP/Agri introduced Chief Guest. Then Webinar Chief Guest Dr.N.Thangavelu, M.E., Ph.D., Principal, Sakthi Polytechnic College, Erode delivered webinar on Roles of Youth in NSS to our Agriculture Engineering students.

In this webinar chief guest delivered the lecture to motivate our students "How to involve in NSS" and the following knowledge has been shared.

- To help the students to develop a democratic attitude and leadership qualities.
- Helping students to share responsibilities and develop abilities towards group living.
- Help to develop civic and social responsibilities among them.
- Help students to understand their roles and responsibilities in the community.

- Helping students to develop a capacity to handle emergency situations and natural disasters.
- Help to gain skills for organising participation to the community.
- To help students make use of their skills and knowledge to find practical solutions to community and individual problems.
- To point out the problems and requirements of the community and help in solving them in case any problem arises.
- To know about the type of community they work in.
- To help students practice towards national integration and social harmony.

The webinar was adjourned at 12.30 pm with vote of thanks by Mr.M.Murugesan, AP/Maths, NSS Coordinator, Excel Engineering College (Autonomous).

DEPARTMENT OF AGRICULTURE ENGINEERING REPORT ON

"HEALTH AWARENESS PROGRAMME"

Department of Agriculture Engineering, Excel Engineering College (Autonomous) and Excel Medical College for Naturopathy & Yoga has jointly organized one day "Health Awareness programme" on 12.13.2022.

The Awareness programme commences sharply at 10.00 am with welcome address By Dr. Muthu Subramaniyam, Chief Medical Officer (CMO), Excel Medical College for Naturopathy & Yoga & Hospital. Ms. P.Ramya, Final year, Department of Agriculture Engineering, and Dr. Mohan Kumar, Lecture Cum Medical Officer, Department of Pharmacology, Excel Medical College for Naturopathy & Yoga & Hospital introduced Chief Guest. Then Guest Dr. K. Vibhas, Principal, Excel Medical College for Naturopathy & Yoga. Delivered "Health Awareness programme" to our Agriculture Engineering students.

In this Awareness programme chief guest delivered the Awareness to knowledge our students about "Health Awareness programme" and the following knowledge have been shared.

- Yoga aims at bringing the different bodily functions into perfect coordination so that they work for the good of the whole body.
- From the physical body, yoga moves on to the mental and emotional levels. Many people suffer from phobias and neuroses as a result of the stresses and interactions of everyday living. Yoga cannot provide a cure for life but it does present a proven method for coping with it.

- Swami Sivananda of Rishikesh explained yoga as an "integration and harmony between thought, word and deed, or integration between head, heart and hand". Through the practices of yoga, awareness develops of the interrelation between the emotional, mental and physical levels, and how a disturbance in any one of these affects the others. Gradually, this awareness leads to an understanding of the more subtle areas of existence.
- There are many branches of yoga: raja, hatha, jnana, karma, bhakti, mantra, kundalini and etc. each individual needs to find those yoga most suited to his/her particular personality and need. In the last half of this century, hatha yoga has become the most well known and wisely practiced of the systems. However, the concept of what constitutes yoga is broadening as more people take it up and this knowledge is spreading.

The Awareness programme was adjourned at 04.30 pm with vote of thanks by Mr.C. Manoj Prabhu, Assistant Professor, Department of Agriculture Engineering, Excel Engineering College (Autonomous).
