ABOUT THE INSTITUTION

Excel Engineering College (Autonomous) offers 11 UG programs, 6 PG programs and 3 Ph.D programs. The College is approved by AICTE, New Delhi, Permanently affiliated to Anna University, Chennai. Also Accredited by NAAC with A⁺ grade and NBA (AERO, CSE, MECH & ECE). The college is dedicated to serve the nation by producing young, dynamic, energetic and far sighted industrious engineers.

ABOUT THE IQAC

IQAC is a significant administrative body responsible for all quality matters and to initiate, plan and supervise various activities that are necessary to increase the quality of the education imparted in an institution or college. IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the colleges.

OBJECTIVE OF IQAC

- To develop a system for consistent improvement of quality in all academic, Research, Industrial linkage and administrative activities.
- Quality enhancement through internalization of quality culture and best practices.

FUNCTION OF IQAC

- Development and Application of quality benchmarks
- Develop Metrics for Academic, Research, Industrial

linkages and Administrative activities of mentee Institution

- Facilitating the creation of a learner-centric environment conducive to quality education by participatory teaching-learning process
- Collection and Analysis of feedback from all stakeholders on quality processes & to disseminate the information to all stakeholders
- Encouraging inter and intra institutional workshops, seminars, conferences on quality related themes and promotion of quality circles
- Documentation of all the programmes / activities with quality.
- Development and maintenance of Institutional database through MIS.
- Periodic conduct of Academic and Administration Audit and its follow-up.
- Preparation and submission of Annual Quality Assurance Report (AQAR) as per the guidelines of NAAC.

ABOUT THE UGC PARAMARSH SCHEME

The main objective of the scheme is to enhance the overall quality of the mentee institutions and mentoring the Non-Accredited Higher Education Institutions to enable them to get accredited. The Scheme will be operationalized through a "Hub & Spoke"(H&S) Model where in the mentor institution, called the "hub" is centralized and will have the responsibility of guiding the Mentee

institution through the secondary branches, the "spoke" which are the additional services provided to the mentee for self improvement.

This allows a centralized control over operational efficiency, resource utilization to attain overall development of the mentee institution.
