

EEC Student Satisfaction Survey (2021-22)EVEN SEMESTER

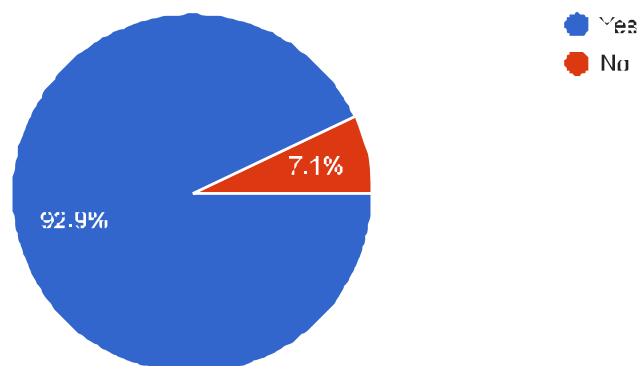

1,683 responses

General Information

a) Please confirm this is the first and only time you answer this survey.

 Copy

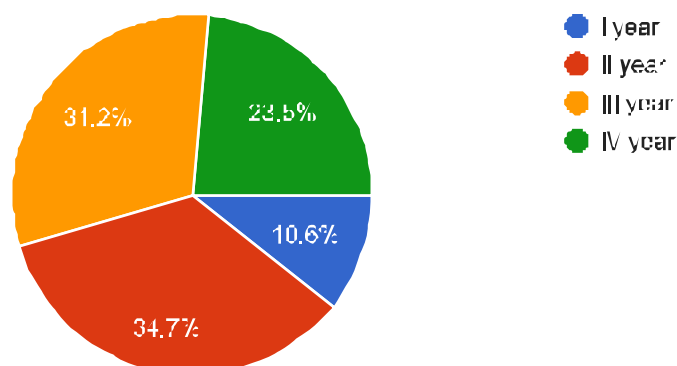

1,683 responses

B) Year of study

 Copy

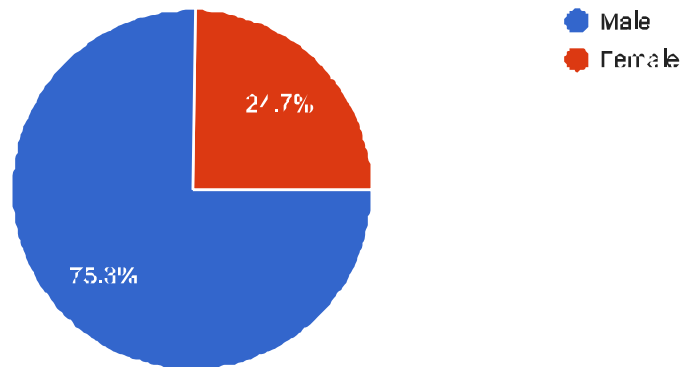

1,683 responses

C) Gender:

 Copy

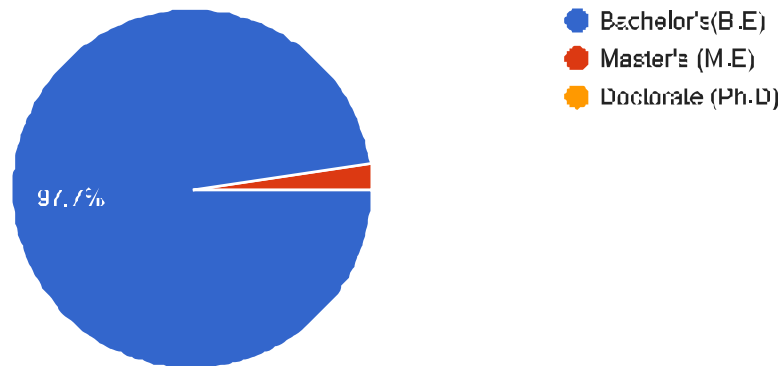

1,683 responses

D) What degree program are you pursuing now?

 Copy

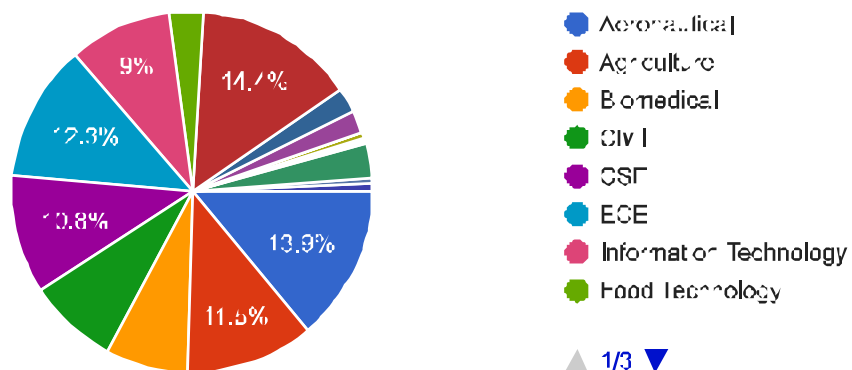

1,683 responses

E) What branch/course are you currently pursuing?

 Copy

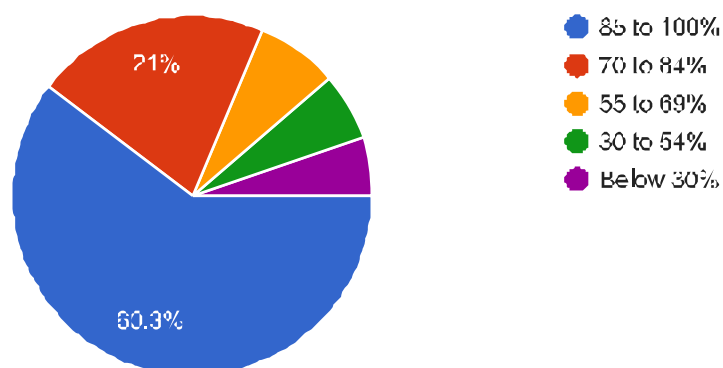

1,683 responses

1) How much of the syllabus was covered in the class?

 Copy

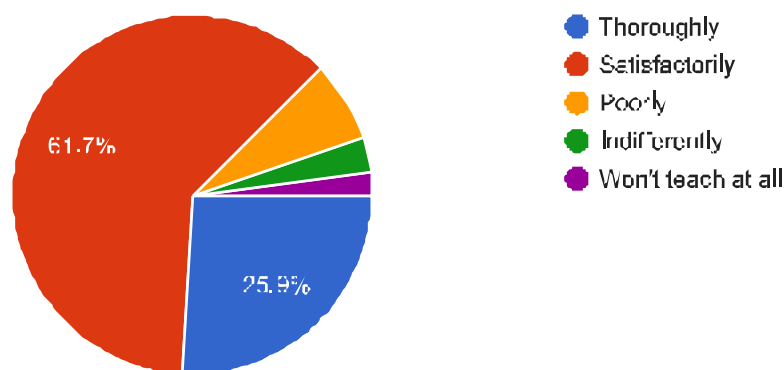

1,683 responses

2) How well did the teachers prepare for the classes?

 Copy

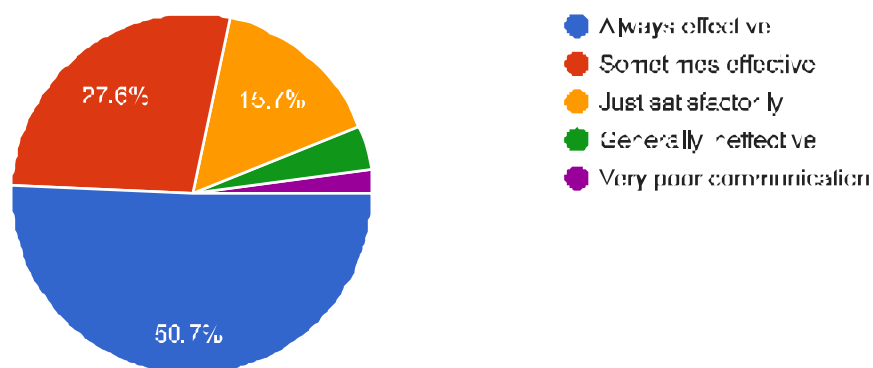

1,683 responses

3) How well were the teachers able to communicate?

 Copy

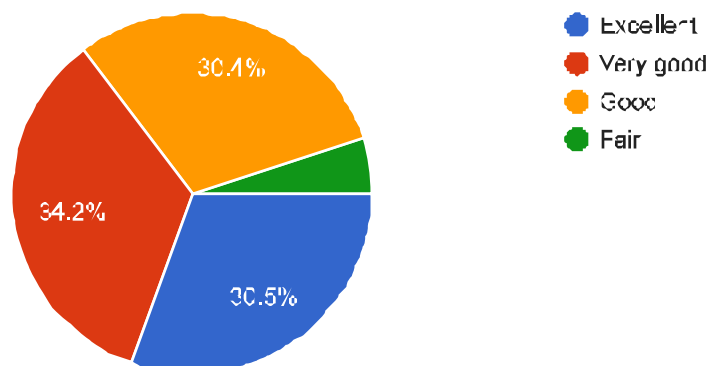

1,683 responses

4) The teacher's approach to teaching can best be described as

 Copy

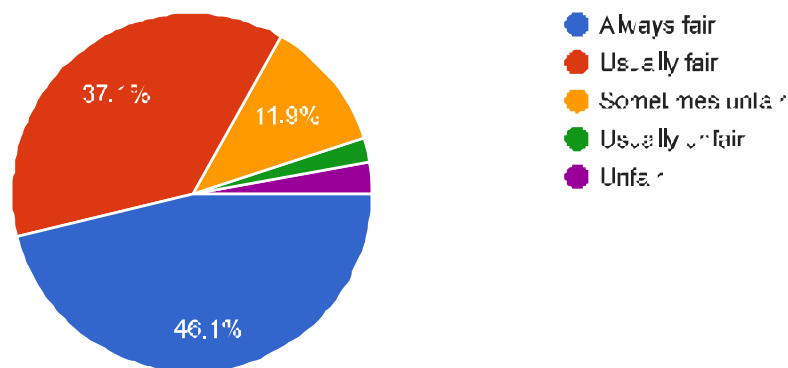

1,683 responses

5) Fairness of the internal evaluation process by the teachers.

 Copy

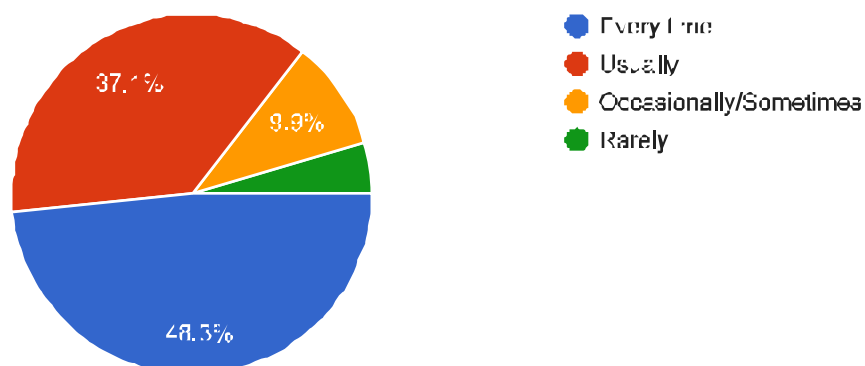

1,683 responses

6) Was your performance in assignments discussed with you?

 Copy

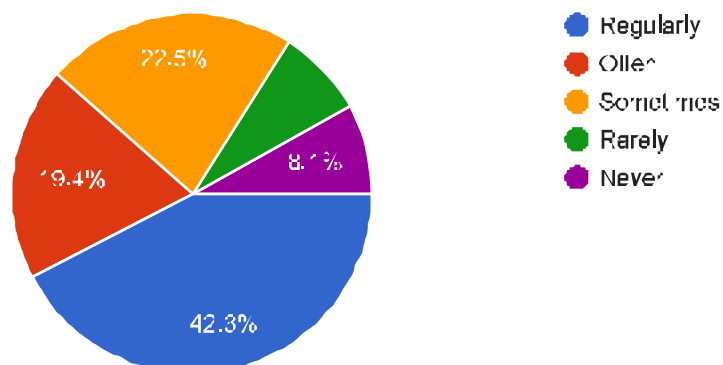

1,683 responses

7) The institute takes active interest in promoting internship, student exchange, and field visit opportunities for students.

 Copy

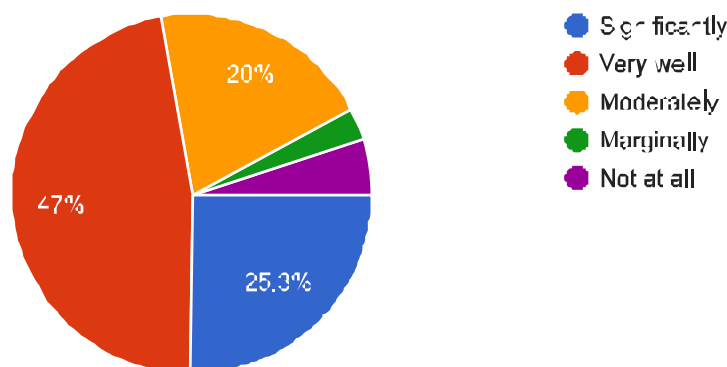

1,683 responses

8) The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.

 Copy

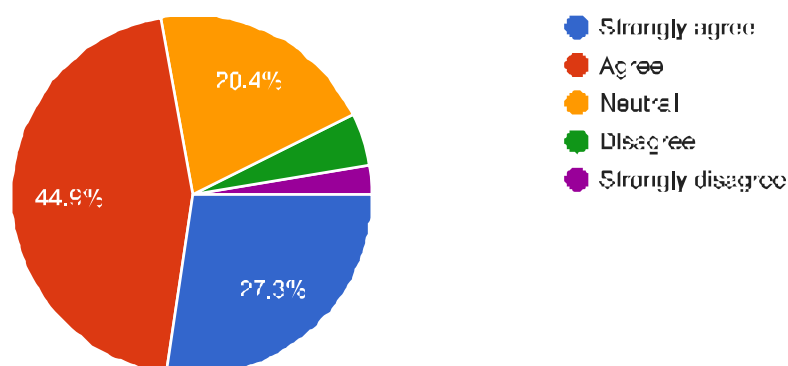

1,683 responses

9) The institution provides multiple opportunities to learn and grow.

 Copy

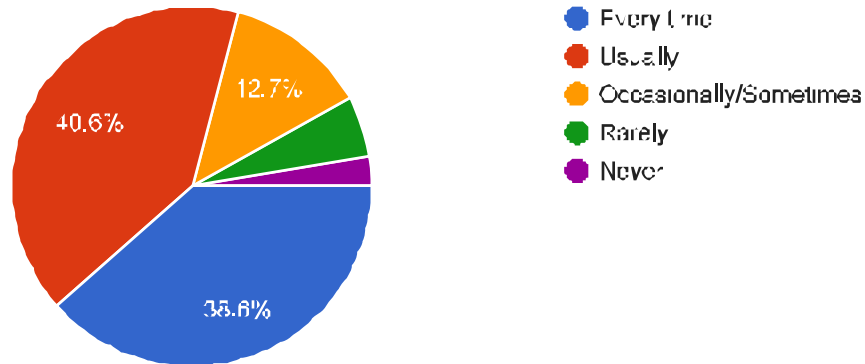

1,683 responses

10) Teachers inform you about your **expected** competencies, course outcomes and programme outcomes.

 Copy

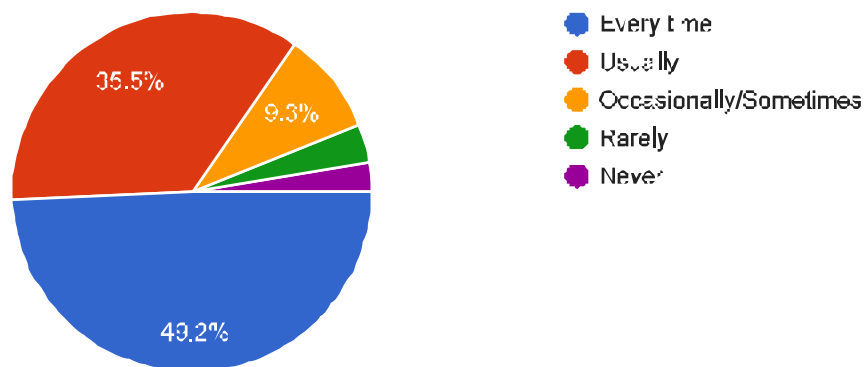

1,683 responses

11) Your mentor **does** a necessary **follow-up** with an assigned task to you.

 Copy

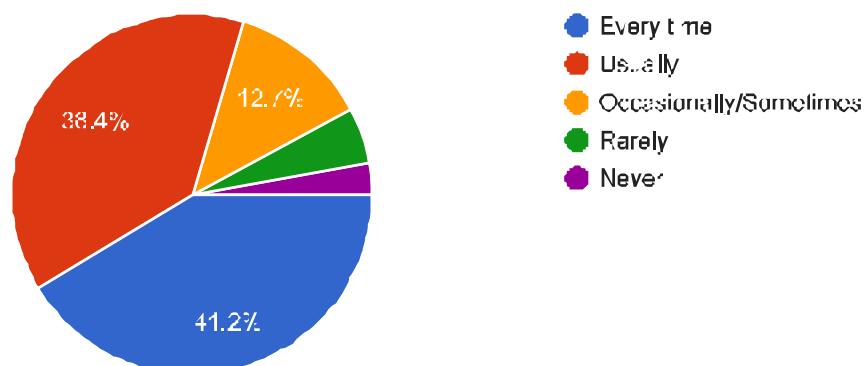

1,683 responses

17) The teachers **illustrate** the concepts **through** examples and applications.

 Copy

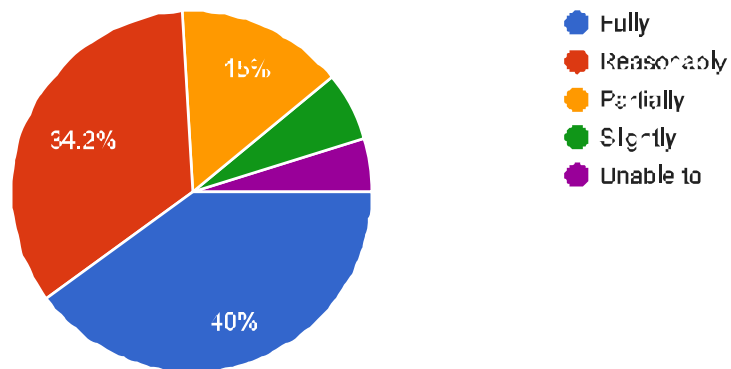

1,683 responses

13) The teachers identify your strengths and encourage you with providing right level of challenges.

 Copy

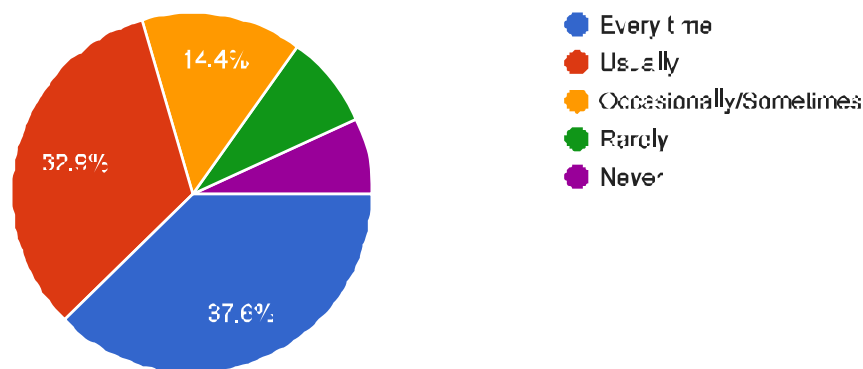

1,683 responses

14) Teachers are able to identify your weaknesses and help you to overcome them.

 Copy

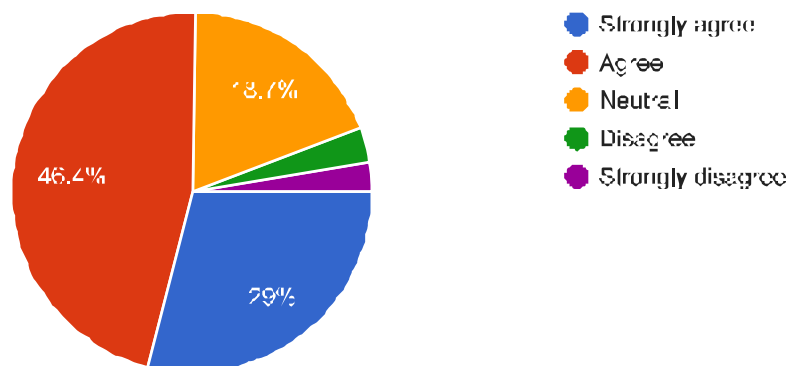

1,683 responses

15) The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.

 Copy

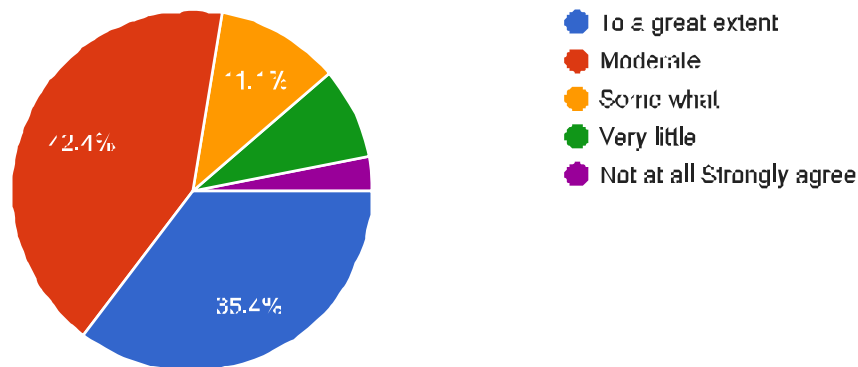

1,683 responses

16) The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.

 Copy

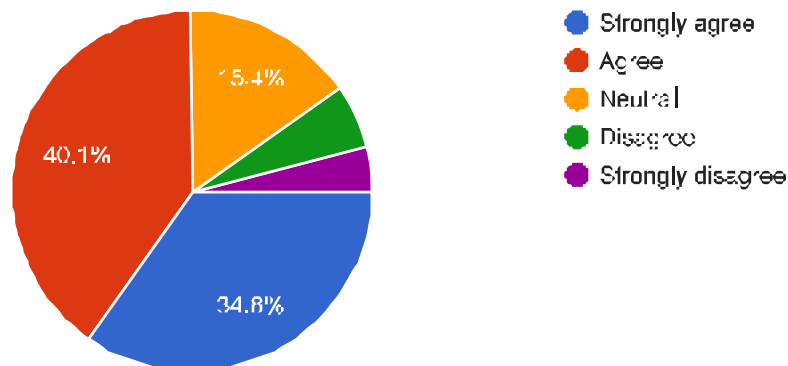

1,683 responses

Need more practical class

Better

No comments

Online exam

Course can be more research oriented

NA

...

nothing

No suggestion

I can't know

.

Use smart class

Give some time to study... You people are conducting exams everyday and expecting us to get full marks...!? This is impossible....! Kindly take into consideration...

Not bad

1) Kindly give more project and real time problem to solve. Industrial problem statements may be given as assignment.

Good teaching

Learning

Everything is going good

Non

Null

More presentation in LCD,we need clear notes
on particular topics,

overall teaching - learning experience is very good.

Na

GOOD sir

Improve communication

No, suggestions

Being more practical and experimental. Make the students to operate the labs and make them
to learn it for their job purposes.

Improve smart class

Library facilities

And Lab facilities

Improve digital education

Provide us some industrial visits and give importance to practical and lab class than theory.
Improve the quality of education and provide us books

Use more lct tools such as multimedia,LCD projector while teaching

Put the faculty for all subjects

1.We need Practice In our core department so Please arrange internships , Industrial visits as well as trainings

2.Kindly give more opportunities to get a quality education and

3. Enhance the teaching - learning process

Teaching in fluent english

Must conduct labs often

*about placement

*Internship and project

No suggestions

Improve teaching

Professional department lectures

Experience in the teaching field

Time to teach well not for exams

Concentrate on practical knowledge and laboratory

Teacher should be so transparent

Instrument should be there in all lab , clean ness,

Clean,lab instruments 's not there

Practical class needed

Improve hi tech classes

First time full tech in english not half tech then tech in other languages

Improve practical skills of students

Practical is more helpful for our career

1. Concrete in practical education

Need more practical experience

899 more responses are hidden

Null

In agriculture laboratory ,lab models should be operate & take some readings by faculty while teaching

Kind request from hostellers pls change the menu and increeze the quality and taste of food,food in hostel is not agreeable for the fees we are paying

Nothing , Thank you

Nooo

Hostel food is very worst

I think it will be help to future in

Extra programs conduct is very better, IV and etc...

More harrasement is occurring. Please consider and reduce

In this semester contact through online .

In this pandemic suction stucy will be suffer .

I kindly request for institution.

Thank you.

No Thanks.

No needed

Practical experience most important in your company and so on allow practical lab in all students thank you mam/sir

I con't any idea

Please conduct the exams by online mode... Due to rise of covid positive cases... We students are struggling and we have tension regarding our health conditions.. Please conduct the classes and exam by online mode

That's all.

In many classes fans and tube lights are not working properly...so please repair it

Nothing overall performance is good

We want to online mode exam this semester, because of Omicron is growing at great speed.
Offline mode exam this can be for us very dangerous.

To teach in tamil, i can easily understand

Just teaching ways should be improved and communication should be good

No always good

They are seeing partiality among the students

Teacher should provide proper notes.

about practical pending

Very little understanding between students and teachers

No , it's enough

Teacher should also follow the proper dress code

Proper Notes

Please don't judge a student by his\her marks
Consider their practical knowledge, talent.

Proper Notes

To give more practical class

Ur wish

We want correct valued store things on time
Hostel rooms and foods are very bad
No proper response from management side

All the needs are satisfactory

Why are you not notice the branch of EEE ? It's very bac

Not required

Convey all the information s which is informed by the managements

Staff's want to interac. with Students mos. of the time they are focus ng to complete portion

Practical

Please don't compare to any other

These all are the instruction can be rectified.students gain the more knowledge.

Nothing tht il

Satisfactor

We want teachers should understand the students weekness and then they will teach favour to students

Only teaching English not tamil

Use

1. Teacher encourage to extra curricular activities. 2. Any information by the teacher should be clearly to understand the all students

I'm fully satisfied

Nothing

Vist another some place or collage

Well

ACADEMIC YEAR 2021-22 (ODD SEM)
STUDENTS SATISFACTION SURVEY
Action taken Report

Dept : Aeronautical Engineering

Date : 20.06.2022

Total Participants : 234

Survey Questions (4 Point Scale)	4	3	2	1	0	Out of 4	Action Taken by HOD
	Number of Responds						
1) How much of the syllabus was covered in the class?	156	58	9	4	7	3.50	
2) How well did the teachers prepare for the classes?	62	150	15	3	4	3.12	Faculties are instructed to prepare 3 units before the starting of the Semester.
3) How well were the teachers able to communicate?	136	32	58	3	5	3.24	Faculty interaction is observed and monitored by HoD along with Academic advisory committee
4) The teacher's approach to teaching can best be described as	86	83	56	9	0	3.05	All faculties are instructed to involve in best teaching approach
5) Fairness of the internal evaluation process by the teachers.	118	91	18	6	1	3.36	Valuation methods of each faculty member are scrutinized.
6) Was your performance in assignments discussed with you?	132	74	19	9	0	3.41	Individual performance discussed.
7) The institute takes active interest in promoting internship, student exchange, and field visit opportunities for students.	140	24	58	5	7	3.22	After each semester student internship is arranged. Students are encouraged to do Industrial Projects
8) The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.	112	37	80	3	2	3.09	Co-curricular and Extra curricular activities are arranged.
9) The institution provides multiple opportunities to learn and grow.	78	108	39	4	5	3.07	Faculties are instructed to encourage students to learn online certificate courses.

10) Teachers inform you about your expected competencies, course outcomes and programme outcomes.	107	98	19	5	5	3.27	Faculties are instructed to explain Course and Program outcomes during the beginning of Semester
11) Your mentor does a necessary follow-up with an assigned task to you.	140	70	17	5	2	3.46	Mentors are asked to monitor the academics, discipline & individual activities of each student.
12) The teachers illustrate the concepts through examples and applications.	114	85	24	7	4	3.27	All faculties are instructed to explain the real time examples
13) The teachers identify your strengths and encourage you with providing right level of challenges.	105	31	80	7	11	2.91	All faculties are instructed to involve in best teaching approach
14) Teachers are able to identify your weaknesses and help you to overcome them.	105	76	28	15	10	3.07	Mentoring system implemented to identify and solve the problems of each student.
15) The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.	84	106	38	2	4	3.13	Individual performance of the students is analysed and improved through mentoring system.
16) The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.	92	103	18	16	5	3.12	Students Association chapter organized.
17) Teachers encourage you to participate in extracurricular activities.	101	99	26	4	4	3.24	All students are motivated to attend national and State level technical and Non technical Events.
18) Efforts made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you industry ready.	100	97	19	15	3	3.18	Special training given to improve skills(Soft, Life and Employability.) Placement arranged by institutte
19) What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.	66	106	33	13	16	2.82	Maximum subject portions covered using ICT Tools.
20) The overall quality of teaching-learning process in your institute is very good.	75	112	38	6	3	3.07	Teaching learning process improved

21) Is on line education during Covid pandemic, fulfill your Needs	68	94	37	19	16	2.76	All faculties are instructed to involve in best teaching approach
Cummulative Score						3.16	
22) Give the observation / suggestions to improve the overall teaching - learning experience in your Dept / institution.	The teachers should take us to the industrial visit for the better industrial understanding						Students are encouraged to visit more industries to practice knowledge and skills.
	Want to improve students communication skills						Communication classes are arranged from Placement Cell.
	Should concentrate more on extracurricular apart from studies and prescribed syllabus						Students are permitted to participate in Non technical Events like symposium etc.,
	Teacher explanation is good but little improvement is needed.						Faculties are motivated to attend Faculty development programs to enrich the knowledge.
	Proper notes should be provided						Faculties are instructed to prepare proper notes.
23) Any other information to be conveyed	Kindly arrange offline classes for 3rd yrs and final yrs.						After the Tamil Nadu government instructions offline classes are started.
	It was difficult to follow after a long break in offline classes.						Remedial classes are conducted for the betterment of offline learning.

STUDENTS SATISFACTION SURVEY

Action taken Report

Dept : Biomedical Engineering

Total Strength : 182

Total Participants : 140

Total Participants : 140							
Survey Questions (4 Point Scale)	4	3	2	1	0	Out of 4	Action Taken by HOD
	Number of Responds						
1) How much of the syllabus was covered in the class?	84	36	15	4	1	3.41	99.99% were covered
2) How well did the teachers prepare for the classes?	23	105	9	2	1	3.05	ICT tools were used
3) How well were the teachers able to communicate?	43	58	33	4	2	2.97	fluency in English
4) The teacher's approach to teaching can best be described as	31	45	61	3	0	2.74	Multimedia usage
5) Fairness of the internal evaluation process by the teachers.	56	64	12	4	4	3.17	Totally transparent & n
6) Was your performance in assignments discussed with you?	43	68	21	8	0	3.04	yes, Do Engineering h
7) The institute takes active interest in promoting internship, student exchange, and field visit opportunities for students.	32	22	48	21	17	2.22	R2020 of course, Its mandator
8) The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.	57	31	39	4	9	2.88	Apply Engg Concepts
9) The institution provides multiple opportunities to learn and grow.	29	63	42	4	2	2.81	Thro' professional Societies
10) Teachers inform you about your expected competencies, course outcomes and programme outcomes.	41	61	25	10	3	2.91	Domain Expertise, Course & program outcomes
11) Your mentor does a necessary follow-up with an assigned task to you.	47	60	24	8	1	3.03	Regular mentor, Mentor in on daily basis
12) The teachers illustrate the concepts through examples and applications.	50	60	22	8	0	3.09	NPTEL Videos & demos
13) The teachers identify your strengths and encourage you with providing right level of challenges.	40	36	52	6	6	2.70	Customized individual ca

14) Teachers are able to identify your weaknesses and help you to overcome them.	39	50	23	20	8	2.66	Remedial classes
15) The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.	30	65	37	8	0	2.84	Internal assessments done.
16) The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.	44	58	24	13	1	2.94	Practical oriented approach followed.
17) Teachers encourage you to participate in extracurricular activities.	43	53	30	12	2	2.88	Extracurricular activities are encouraged.
18) Efforts made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you industry ready.	36	70	22	12	0	2.93	placement training & Soft Skills development in every year.
19) What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.	31	55	21	12	21	2.45	90 % use IET / Multimedia tools
20) The overall quality of teaching-learning process in your institute is very good.	31	70	28	7	4	2.84	Satisfaction Survey & feedback received.
21) Is on line education during Covid pandemic, fulfill your Needs	33	55	36	6	10	2.68	To some extent
Cumulative Score						2.87	
22) Give the observation / suggestions to improve the overall teaching - learning experience in your Dept / institution.	Use better graphics and visual media to engage students well.						charts & Biological models used.
	Real time applications with teaching						Bioinformatics tools, Matlab & R-programming trained
	More practical classes						Extra Value added Courses & industry projects undertaken
	Teaches like a story to understand easy						Narrative of real world problems.
23) Any other information to be conveyed	Important to sports activities						Good Sports infrastructure & team backup
	Online exam preferred						To some extent & really missing

STUDENTS SATISFACTION SURVEY

Action taken Report

Dept : ECE

Total Strength : 375

Total Participants : 194

Survey Questions (4 Point Scale)	4	3	2	1	0	Out of 4	Action Taken by HOD
	Number of Responds						
1) How much of the syllabus was covered in the class?	111	42	21	18	2	3.25	Try to cover all portions in upcoming semester.
2) How well did the teachers prepare for the classes?	38	128	20	5	3	2.99	Insist all faculty to prepare 3 units before starting of semester
3) How well were the teachers able to communicate?	81	55	46	5	7	3.02	Each faculties regularly checking the students communication through interaction
4) The teacher's approach to teaching can best be described as	42	80	65	7	0	2.81	All faculties are instructed to involve in best teaching approach
5) Fairness of the internal evaluation process by the teachers.	77	82	27	6	2	3.16	No faculties are permitted to show fairness in internal exam paper evaluation
6) Was your performance in assignments discussed with you?	72	86	10	26	0	3.05	Individual performance discussed.
7) The institute takes active interest in promoting internship, student exchange, and field visit opportunities for students.	107	42	22	18	5	3.18	Every Semester 80 % students went Internship, field visit and industrial projects(30%).
8) The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.	88	46	41	13	6	3.02	Extension activity and co curricular activity promoted
9) The institution provides multiple opportunities to learn and grow.	47	88	44	11	4	2.84	We intimated to all students to learn online courses and certified courses
10) Teachers inform you about your expected competencies, course outcomes and programme outcomes.	56	95	29	9	5	2.97	Beginning of the semester course outcome and program outcomes are explained
11) Your mentor does a necessary follow-up with an assigned task to you.	88	73	23	6	4	3.21	Mentor take utmost care to each students
12) The teachers illustrate the concepts through examples and applications.	70	82	28	9	5	3.05	All teachers are instructed to explain the real time examples
13) The teachers identify your strengths and encourage you with providing right level of challenges.	78	33	54	16	13	2.76	All teachers are instructed to encourage students to face all problems.
14) Teachers are able to identify your weaknesses and help you to overcome them.	67	65	28	22	12	2.79	mentoring system implemented
15) The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.	52	78	51	8	5	2.85	Individual students identified through mentor.

16) The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.	61	81	15	34	3	2.84	Students Association chapter organized.
17) Teachers encourage you to participate in extracurricular activities.	63	84	34	9	4	2.99	All students are motivated to attend national and State level programs.
18) Efforts made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you industry ready.	62	82	34	9	7	2.94	Special training given to improve skills(Soft, Life and Employability.) Placement arranged by institute
19) What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.	57	76	31	16	14	2.75	Maximum subject portions covered using ICT Tools.
20) The overall quality of teaching-learning process in your institute is very good.	53	94	35	9	3	2.95	Teaching learning process improved
21) Is on line education during Covid pandemic, fulfill your Needs	44	83	44	14	9	2.72	Maximum of students utilized.
Cummulative Score						2.96	
22) Give the observation / suggestions to improve the overall teaching - learning experience in your Dept / institution.	Skills communication program						Special training given
	Discuss topics more effectively						Demonstration method followed
	Writing practice						Assesed through pre priority test
	Digital classes Teacher should allow students to answer according to their creativity Organize seminars to build student confidence						pedagogy training given to individual students
23) Any other information to be conveyed	Important to sports activities						students are permitted to outdoor and indoor games
	Maintain the laboratory component and hire good teacher for laboratory						Servicing and purchasing of equipments are followed and new faculitites are appointed as per norms
	Hostel Network is very poor.. So we can't do anything in hostel.... Please give us some improvement..						students are instructed to use mobile network
	Al least there should be a smart board in the class. Classes feel like still we in school standard. Mobiles are snached if						During class period mobile phones are banned
	Full fill our student mentality						We will ensure the students satisfaction
	Extra activities and games should conduct ev						Alternate Saturday games permitted.

STUDENTS SATISFACTION SURVEY

Action taken Report

Dept : CIVIL

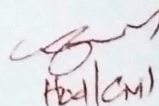

Date : 02.05.2022

Total Participants : 44

Survey Questions (4 Point Scale)	4	3	2	1	0	Out of 4	Action Taken by HOD
	Number of Responds						
1) How much of the syllabus was covered in the class?	27	14	3	0	0	3.55	-
2) How well did the teachers prepare for the classes?	15	25	1	3	0	3.18	teachers the prepare for the classes by referring standard text books references and web sources.
3) How well were the teachers able to communicate?	29	7	7	1	0	3.45	The teachers were able to communicate well in English
4) The teacher's approach to teaching can best be described as	19	14	11	0	0	3.18	the teachers approach to teaching can best be described as innovative.
5) Fairness of the internal evaluation process by the teachers.	27	15	1	1	0	3.55	Internal evaluation is done by conducting internal assessment tests, Quiz, video presentation/Assignment
6) Was your performance in assignments discussed with you?	29	12	1	2	0	3.55	The performance in assignments was discussed with students and necessary corrections made
7) The institute takes active interest in promoting internship, student exchange, and field visit opportunities for students.	25	8	10	1	0	3.30	Arranged internship student exchange and field visits for students.
8) The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth	22	7	14	1	0	3.14	Mentor for every 15 students facilitated cognitive, social and emotional growth.
9) The institution provides multiple opportunities to learn and grow.	16	22	5	1	0	3.20	Various activities through Professional Society and Clubs provided multiple opportunities to grow.
10) Teachers inform you about your expected competencies, course outcomes and programme outcomes.	25	13	4	1	1	3.36	Teachers explained the course outcomes, programme outcomes and expected competencies.
11) Your mentor does a necessary follow-up with an assigned task to you.	25	15	3	1	0	3.45	Mentors followed the students until the assigned task was completed
12) The teachers illustrate the concepts through examples and applications.	26	12	5	1	0	3.43	The Teachers explained the concepts through industrial field examples and applications.
13) The teachers identify your strengths and encourage you with providing right level of challenges.	30	4	9	1	0	3.43	After identifying the students strengths, the teachers encouraged the students with right level of challenges
14) Teachers are able to identify your weaknesses and help you to overcome them.	25	13	2	2	2	3.30	Slow Learners were identified and arranged evening coaching class
15) The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.	20	22	2	0	0	3.41	Mentors monitored the Mentees and ensured in review.

Survey Questions (4 Point Scale)	4	3	2	1	0	Out of 4	Action Taken by HOD
	Number of Responds						
16) The Institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.	22	15	5	2	0	3.30	Experienced faculties enhanced the students knowledge
17) Teachers encourage you to participate in extracurricular activities.	22	20	1	1	0	3.43	Teachers encouraged the student to participate in extracurricular activities.
18) Efforts made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you industry ready.	25	17	1	1	0	3.50	
19) What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.	16	15	7	2	4	2.84	In the lesson plan, the use of ICT tools such as, Lcd projector, Multimedia were mentioned and followed.
20) The overall quality of teaching-learning process in your institute is very good.	20	17	6	1	0	3.27	By getting students feedback and immediate follow up action were taken for maintaining a very good quality.
21) Is on line education during Covid pandemic, fulfill your Needs	19	19	5	1	0	3.27	Remedial classes were conducted to solve the network issues.
Cumulative Score						3.34	
22) Give the observation / suggestions to improve the overall teaching - learning experience in your Dept / institution.	All the teachers teach well, Just need some more live example.						Students were taken to the construction site to get the practical exposure
	Class hours should be reduced from 4:45 to 1:20, so that students can have sufficient time for self studies.						Lab practical demonstration, site visit, Industrial visit, Internship, Activities improve the overall teaching learning experience.
	Need sports development						A spacious play ground with all types of sports, games and Athletic events were conducted.
	The content should be taught deeply and cover all the portion.						Based on the nature of topic, a particular teaching methodology was followed.
23) Any other information to be conveyed	Need live demo or example						Live demonstration was done in the construction work site
	And my third suggestion is that the student should be punished severely for violating the rules of the college.						All disciplinary rules were monitored through the concerned Mentor for further action.
	1. It would be good if the use of mobiles is limited to some extent by the students.						Students were permitted to use the mobile for under digital learning concepts.

Dept : CIVIL

Date : 17.11.2022

Total Participants : 119

Survey Questions (4 Point Scale)	4	3	2	1	0	Out of 4	Action Taken by HOD
	Number of Responds						
1) How much of the syllabus was covered in the class?	69	21	14	15	0	3.21	Verified the full Syllabus coverage through class committee meeting and Academic records.
2) How well did the teachers prepare for the classes?	36	59	12	10	2	2.98	Teachers were permitted to attend Faculty development program which enable thorough preparation
3) How well were the teachers able to communicate?	59	30	25	2	3	3.18	Class observation was made and effective communication was enabled
4) The teacher's approach to teaching can best be described as	54	36	20	9	0	3.13	Innovative teaching methods were followed.
5) Fairness of the internal evaluation process by the teachers.	63	34	11	5	6	3.20	Ensured by conducting internal assessment test quiz video presentation/Assignment.
6) Was your performance in assignments discussed with you?	61	39	15	4	0	3.32	Discussed the performance in assignment and necessary corrections were made
7) The institute takes active interest in promoting internship, student exchange, and field visit opportunities for students.	56	31	16	13	3	3.04	Arranged internship Student exchange and field visits to construction site
8) The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.	55	35	22	6	1	3.15	Allotted one Mentor for every 15 students and facilitated cognitive, social and emotional growth.
9) The institution provides multiple opportunities to learn and grow.	35	47	19	10	8	2.76	Professional Society and Club activities provided multiple opportunities to students
10) Teachers inform you about your expected competencies, course outcomes and programme outcomes.	46	43	22	7	1	3.06	Outcome based education, course outcome and programme outcome were exemplified.
11) Your mentor does a necessary follow-up with an assigned task to you.	71	29	13	6	0	3.39	Mentors followed the Students for completion of the assigned task.
12) The teachers illustrate the concepts through examples and applications	57	34	15	9	4	3.10	Teachers explained the technical concepts through industrial field examples and application
13) The teachers identify your strengths and encourage you with providing right level of challenges.	63	32	13	8	3	3.21	Students Strengths were identified and encouraged to face the right level of challenges
14) Teachers are able to identify your weaknesses and help you to overcome them.	57	32	17	10	3	3.09	Identified the slow learners and arranged evening coaching classes
15) The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process	44	50	19	5	1	3.10	Mentors monitored the Mentees, reviewed and ensured the continuous quality improvement.

Survey Questions (4 Point Scale)	4	3	2	1	0	Out of 4	Action Taken by HOD
	Number of Resposds						
16) The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.	55	41	17	3	3	3.19	Experienced faculties handled the subjects and enhanced learning experiences
17) Teachers encourage you to participate in extracurricular activities.	45	51	15	7	1	3.11	Teachers encouraged the students in various extra curricular activities
18) Efforts made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you industry ready.	54	38	14	12	1	3.11	Value added courses conducted. Placement training was imparted
19) What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching	35	38	23	15	8	2.65	In lesson plan, the use of ICT tools were mentioned and taught
20) The overall quality of teaching learning process in your institute is very good	40	43	26	10	0	2.95	By getting students feedback immediate follow up actions taken and very good results exposed
21) Is on line education during Covid pandemic, fulfill your Needs	40	47	24	8	0	3.00	Remedial classes were conducted to solve the network issues
Cummulative Score						3.09	
22) Give the observation / suggestions to improve the overall teaching - learning experience in your Dept / Institution.	Ther need to take us more iv we need little bit entertainment like tour ,inteship. And wee need extracuriculaer activities						Industrial visit arranged to visit Flyash Brick and UPVC frame industry. Students attended Sports & games.
	Language communication and explanation lab practical not good						Students were trained in Language lab by English dept faculty.
	Everyone One Chapter to Chapter note And And check everyone note And listen questions answee						Issued the note books to all Students Subjectwise.
	Very good our institute and all flucuty members very support every studen						
	1 Need more paritcal example 2 need teaching for 3rd software 3 Need more construction site visit 4 need too tech different tps of construction						Students visited construction site to get more practical exposure in the Industrial Visits arranged.
	step wise teaching						Staff explained Step by Step to the Students to understand concepts.
	Apply practical related teaching						Arranged lab demonstration
	Arrange enturnship program for students						Arranged Students intership
	*ensure the partial level of teaching like field, projectors, instruments.*Make sure is *all students are well in subjects or not.*Atlast,good						Field visits, Lab demonstration were done to explain the subject concepts very clearly
	Subject matter should be discussed in projector						In lesson plan power point presentation was mentioned and made the presentation
	Propr notes should be provided in all subjects time to time. Lab should be conducted in a well prepared manner on time. Should be focused on practical more than the usual.						Course materials prepared with more practical examples and issued to students.
	Slowly and explain						Staff explained the topics very well
	Every teacher teach Full Topic wise chapter finish						All topics in syllabus were taught.
	No conduct online exam only my suggestion						Conducted offline exams
23) Any other information to be conveyed	Conduct online class and online exam in lockdown period Good						
	Online exams will be good due to lack coverage of syllabus due to short time and current covid situation puts more stress on us...						Remedial classes conducted for slow learners
	Classes not completely fully chapter						Extra classes conducted and syllabus fully completed.
	Teacher teaching style is very poor						Various teaching methodology as per Subject where was following

STUDENTS SATISFACTION SURVEY

Action taken Report

Dept : CSE

Date : 20.05.2022

Total Strength : 106

Total Participants : 1683

Total Participants : 1683							
Survey Questions (4 Point Scale)	4	3	2	1	0	Out of 4	Action Taken by HOD
	Number of Responds						
1) How much of the syllabus was covered in the class?	73	20	7	6	0	3.51	Teachers were advised to adhere to lesson plan for the completion of entire syllabi of their respective subjects within the stipulated time.
2) How well did the teachers prepare for the classes?	66	18	16	6	0	3.36	Before the commencement of classes ,Faculty members were asked to prepare and submit the materials for all units ,the have to be verified by HOD.
3) How well were the teachers able to communicate?	63	27	14	2	0	3.42	Teachers were advised to attend orientation programme and Refresher courses for the effective delivery of content
4) The teacher's approach to teaching can best be described as	64	21	16	5	0	3.36	Students are provided with regular classroom interactions as part of the teaching process. Additionally, academic seminars, hands-on experiments, exhibitions on related subjects, practical sessions, and industrial visits are provided.
5) Fairness of the internal evaluation process by the teachers.	69	24	9	4	0	3.49	Each semester, three internals will be conducted. Each time, the evaluation process is transparent, and students have access to answer papers .
6) Was your performance in assignments discussed with you?	75	24	6	1	0	3.63	The student performance on assignments is evaluated and documented. Class mentors are responsible for monitoring students' performance and making suggestions to help them improve.
7) The institute takes active interest in promoting internship, student exchange, and field visit opportunities for students.	79	20	5	2	0	3.66	Students are encouraged to participate in internships and are provided with appropriate guidelines and on duty. MoUs and collaborations are formed with renowned institutions for the purpose of exchanging resources, internship guidance, and field visits, among other things.

8) The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.	71	24	8	3	0	3.54	<p>Students have been properly mentored by a class mentor.</p> <ul style="list-style-type: none"> • Mentor meetings are held to discuss students' problems (academic/personal/psychological/social) and to ensure that students receive appropriate advice from faculty. • Invited guest speakers from prestigious institutions to interact with students in order to help them improve their cognitive abilities.
9) The institution provides multiple opportunities to learn and grow.	75	20	8	3	0	3.58	<p>Each year, students are encouraged to participate in the various programmes listed below and are provided with appropriate training and advice.</p> <ul style="list-style-type: none"> • Students are permitted to participate in National and International level fests/ conferences /workshops / seminars sponsored/organized by reputable institutions. • Students are encouraged to publish research papers in reputable national and international journals and to present their findings at national and international conferences. • Students are permitted to attend guest lectures given by eminent subject matter experts. • Faculty members are permitted to attend and organise various programme and event. • Students and faculty are encouraged to submit patent applications and research projects. • Students have access to the internet, electronic journals, and the N-List, among other resources. • Students are permitted to work on their undergraduate and graduate projects in information technology firms
10) Teachers inform you about your expected competencies, course outcomes and programme outcomes.	63	24	13	6	0	3.36	<p>During the orientation programme, students are informed of the course outcomes, competencies, and programme outcomes; they are also informed during regular class work by faculty.</p> <ul style="list-style-type: none"> • It is publicized on the college's calendar and website
11) Your mentor does a necessary follow-up with an assigned task to you.	72	23	9	2	0	3.56	<ul style="list-style-type: none"> • Each class is assigned a class mentor. • The class mentor will monitor the students' academic progress and will assist them in resolving any psychological difficulties. • The head of the institution gives periodic instructions to those responsible for mentoring on how to improve the mentoring system.
12) The teachers illustrate the concepts through examples and applications.	66	24	12	4	0	3.43	
13) The teachers identify your strengths and encourage you with providing right level of challenges.	68	23	14	1	0	3.49	<p>To illustrate concepts, the college hosts guest lectures, hands-on activities, industrial visits, and seminars.</p> <p>Each student is encouraged to participate in various programme and events . That will help them to develop their skillset.</p>
14) Teachers are able to identify your weaknesses and help you to overcome them.	70	26	8	2	0	3.55	<p>Slow learners are identified and encouraged to participate in classroom activities such as presentations, seminars, and so on. Students are individually given various tasks to improve their performance by conducting coaching classes, quiz, exams etc.</p>
15) The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.	74	22	9	1	0	3.59	<p>The college solicits student feedback on faculty members, the college, and its infrastructure. The institution's head and the IQAC coordinator discuss the issues and forward them to management for action.</p>

16) The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.	61	24	16	5	0	3.33	The college offers a variety of programmes to help students improve their knowledge of subjects and other activities. The college hosts guest lectures, workshops, intra-departmental and inter-college fests, summer research programmes, internships, and off-schedule laboratory tests and quizzes to enhance student-centered learning. Students are expected to take part in a variety of activities.
17) Teachers encourage you to participate in extracurricular activities.	73	20	12	1	0	3.56	The college itself has various committees and cell. Students will receive training to assist them in participating in extracurricular activities. Each year, the college hosts a cultural competition. To stir up students' interest, winners will be announced and presented during Annual Day.
18) Efforts made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you industry ready.	78	19	7	2	0	3.63	The college has a Training and Placement Cell that organises pre-employment training programmes for students who are interested.
19) What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.	64	20	18	4	0	3.36	The departments will host guest lectures and workshops on life and employability skills.
20) The overall quality of teaching-learning process in your institute is very good.	66	21	16	3	0	3.42	As specified in the syllabus, ICT tools are used throughout the class. • Faculty members are encouraged to make use of ICT tools during class hours.
21) Is on line education during Covid pandemic, fulfill your Needs	61	25	13	7	0	3.32	The institution's mission statement stated that it was committed to providing a highquality education. Each year, it focuses on a different aspect in order to improve lecturers' performance. • Faculty members are encouraged to participate in seminars, guest lectures, and register for Nptel courses and FDP.
Cummulative Score						3.48	During pandemic situation ,classes were conducted through online mode properly.
22) Give the observation / suggestions to improve the overall teaching - learning experience in your Dept / institution.							More blended courses needs to include to improve the practical knowlegde.
							Faculty members were instructed to attend various FDPs,Online courses ,Internship to enrich their knowledge
							Students are motivated to attend various competative exams,internship to upgrade their skills.
23) Any other information to be conveyed							Faculty members were encouraged to register for Doctoral Program. Students are encouraged to get placement with high package in Reputed Industry.

STUDENTS SATISFACTION SURVEY

Action taken Report

Dept :FOOD TECHNOLOGY

Date : 20.06.2022

Total Participants : 64

Survey Questions (4 Point Scale)	4	3	2	1	0	Out of 4	Action Taken by HOD
	Number of Responds						
1) How much of the syllabus was covered in the class?	26	21	9	7	1	2.67	Faculties are instructed to complete the syllabus
2) How well did the teachers prepare for the classes?	10	16	14	10	14	1.75	Faculties are instructed to prepare 3 units before the starting of the Semester.
3) How well were the teachers able to communicate?	28	12	12	10	2	2.53	Faculty interaction is observed and monitored by HoD along with Academic advisory committee
4) The teacher's approach to teaching can best be described as	25	13	10	14	2	2.40	All faculties are instructed to involve in best teaching approach
5) Fairness of the internal evaluation process by the teachers.	24	12	9	13	6	2.26	Valuation methods of each faculty member are scrutinized.
6) Was your performance in assignments discussed with you?	20	15	12	10	7	2.21	Individual performance discussed.
7) The institute takes active interest in promoting internship, student exchange, and field visit opportunities for students.	21	16	12	8	7	2.28	After each semester student internship is arranged. Students are encouraged to do Industrial Projects
8) The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.	34	12	10	3	5	2.71	Co-curricular and Extra curricular activities are arranged.
9) The institution provides multiple opportunities to learn and grow.	30	18	4	5	7	2.60	Faculties are instructed to encourage students to learn online certificate courses.
10) Teachers inform you about your expected competencies, course outcomes and programme outcomes.	27	12	17	2	6	2.50	Faculties are instructed to explain Course and Program outcomes during the beginning of Semester
11) Your mentor does a necessary follow-up with an assigned task to you.	25	15	14	6	4	2.49	Mentors are asked to monitor the academics, discipline & individual activities of each student.
12) The teachers illustrate the concepts through examples and applications.	28	18	10	4	4	2.64	All faculties are instructed to explain the real time examples
13) The teachers identify your strengths and encourage you with providing right level of challenges.	15	14	10	12	13	1.86	All faculties are instructed to involve in best teaching approach
14) Teachers are able to identify your weaknesses and help you to overcome them.	18	12	12	13	9	2.01	Mentoring system implemented to identify and solve the problems of each student.
15) The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.	19	13	15	12	5	2.18	Individual performance of the students is analysed and improved through mentoring system.

16) The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experience.	13	11	17	12	11	1.82	Students Association chapter organized.
17) Teachers encourage you to participate in extracurricular activities.	16	13	12	12	11	1.93	All students are motivated to attend national and State level technical and Non technical Events.
18) Efforts made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you industry ready.	12	15	16	12	9	1.90	Special training given to improve skills(Soft, Life and Employability.) Placement arranged by institute
19) What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.	17	12	13	10	12	1.94	Maximum subject portions covered using ICT Tools.
20) The overall quality of teaching-learning process in your institute is very good.	12	14	13	10	15	1.75	Teaching learning process improved
21) Is on line education during Covid pandemic, fulfill your Needs	17	12	13	15	7	2.01	All faculties are instructed to involve in best teaching approach
Cummulative Score						2.21	
22) Give the observation / suggestions to improve the overall teaching - learning experience in your Dept / institution.	Give important for practical Education						Students are encouraged to visit more industries to practice knowledge and skills.
	Weekly examination is needed						Faculties are advised to conduct weekly assessment Exams.
	Students should be taught about real time applications.						Special interactive sessions with industrial experts will be arranged.
	Communication should be only in English						Faculty members are instructed to communicate only in English.
23) Any other information to be conveyed	Important to Extra curricular activities						students are permitted to participate in Non technical Events.
	Servicing and maintenance of lab equipments.						All the lab equipments are serviced and maintained in proper condition.
	Network issues in Hostel						students are provided with High speed WiFi
