Department of Electrical and Electronics Engineering

Academic Year 2022-23

CONSOLIDATED SYLLABUS REVIEW FEEDBACK ANALYSIS

ACTION TAKEN REPORT OF VARIOUS STAKE HOLDERS

B.E:EEF

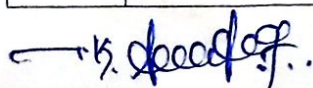

Regulation: 2020

S.No	Stake Holders	Suggestions	Action Taken
1	Students	Make teaching a two way interaction	We have introduced classroom behavior guidelines that emphasize the importance of mutual respect, kindness, and open communication among all participants, including faculty and students.
2	Faculty	Include the recent technology to meet the industrial applications.	We have initiated a comprehensive review of our curriculum to identify opportunities to enhance the practical components of courses. This includes revising course structures to incorporate more hands-on learning experiences.

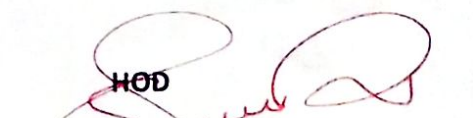

M.E: EST & PED

Regulation: 2022

S.No	Stake Holders	Suggestions	Action Taken
1	Students	Use better graphics and visual media to engage students well	We have initiated faculty training programs that emphasize the importance of integrating visual media into lectures and presentations. These programs provide educators with the skills and resources to create engaging visual content.
2	Faculty	Encourage students to focus on their particular goal	We have strengthened our academic and career counseling services to provide students with personalized guidance and support in setting and achieving their specific goals.
