PROGRAMME REPORT

Program on "Gender Equity Harmony"

Department of Food technology, Excel Engineering College (Autonomous) organized an program on "Gender Equity Harmony" on 04.02.2023 at APJ hall, Excel Engineering College.

- The Program aimed to recognizing that gender equity is not only a fundamental human right but also a catalyst for social progress and sustainable development. Through collective efforts and ongoing advocacy, we can build a world where gender harmony is not just an aspiration but a lived reality for generations to come.
- In conclusion, the Gender Equity Harmony Program represents a crucial step towards fostering a more inclusive and equal society. By addressing the systemic disparities between genders, this initiative strives to create a harmonious environment where individuals, regardless of their gender, can thrive and contribute their fullest potential.
