Mentor Mentee Meeting

Mentor-Mentee Progress Report

- The mentor assesses the student's needs and identifies any areas of concern.
- This may include a review of the student's academic performance, behaviour, and personal and family situation
- The mentor works with the student to set goals and develop a plan to achieve them.
- The goals may be related to academic performance, personal and social development, or career planning
- The mentor regularly checks in with the student to assess their progress and provide feedback,
- It can help students to overcome obstacles, build self-confidence, and develop positive habits and behaviours.
