## PREAMBLE

WONJIN and the EEC, which has learned faculty with good industrial experience and promising students, jointly agree to exchange their expertise for mutual benefits and growth, on the areas specified here under:

1. Industrial Visit
2. Internship & Inplant Training
3. Guest Lectures
4. Project Work - Assistance
5. Research & Development
6. Problem Solving and Consultancy
7. Studies & Survey
8. Industry driven One Credit courses
9. Placement assistance

## Terms Agreed

### 1. Industrial Visit

Subject to operational feasibility, WONJIN will allow students for industrial visits for the benefit of practical exposure on high tech machines and equipments.

### 2. Internship & In-plant Training

WONJIN will facilitate the students to undertake Internship and allow them for Inplant training in the machineries and facilities available at Wonjin.

### 3. Guest Lecture

WONJIN will facilitate and arrange guest lectures on mutual consent, to students periodically to get them motivated to become successful entrepreneurs and vice versa; the Institution will provide expertise and its facilities to WONJIN.

### 4. Project Work

WONJIN may allow students of the EEC for live project works aimed at building confidence to get prepared for smooth transition from academic to a professional working environment.

### 5. Research & Development

WONJIN may allow students and faculty members of the EEC for Research and Development work related in their fields.

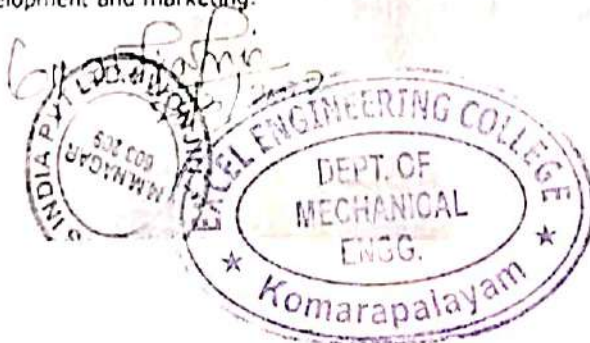

### 6. Problem Solving and Consultancy

Problems identified in thrust areas during the course of interaction between the EEC and WONJIN, will be addressed through collaborative work between the EEC and WONJIN for further research and Consultancy.

### 7. Studies and Survey

WONJIN may provide opportunities and inputs to the students of the EEC to undertake field studies and provide inputs for surveys related to the field of management, technology development and marketing.

Page 2 of 3

X N. Mathan G. C. C.  
**Scanned by Scanner Go**

### 8. Industry driven One Credit courses

WONJIN may depute senior experts to offer one credit courses for the students of EEC. The Experts will be involved in develop in the syllabus and conducting the coursed to the students in the advanced technologies.

### 9. Placement Assistance

AS and when deemed necessary, WONJIN may provide placement opportunities to the students of EEC.

### Validity and Termination

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms.

This joint arrangement is aimed at providing facilities and service on mutually beneficial basis, focused towards increasing the employability of the Students.

The Institution is to ensure that the students are such people aimed to get benefited and the Institution has to give priority to WONJIN in the routine outbound learning and training related activities.

Read, Understood and Consented

IN WITNESS WHEREOF, THE PARTIES HAVE EXECUTED THIS MEMORANDUM OF UNDERSTANDING ON 25 03.2022, AT NAMAKKAL.

MEMORANDUM OF UNERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this 30.08.2019, by and between WeWin Finishing Equipments Pvt. Ltd., incorporated under the laws of India and having its office at Shop No.3, South Block, 79/13, Mugappair Road, Mannurpet, Chennai - 50 and represented herein by its Managing Director, Mr C.Prem Anand.

AND

Excel Engineering College, Komarapalayam, Namakkal-637303 represented herein by The Principal, Dr. S. Poornehandra.

30/8/19

PRINCIPAL  
EXCEL ENGINEERING COLLEGE  
KOMARAPALAYAM-637 303

(WeWin Finishing Equipments Pvt. Ltd. and Mechanical Department, Excel Engineering College are hereinafter jointly referred to as 'parties' and individually as 'party')

**WHEREAS:**

- A) WeWin Finishing Equipments Pvt. Ltd. is engaged in research on design and implementation of projects which could have a large extrapolation domain in respect of imparting a pro-nature, pro-poor, pro-women and pro-sustainable livelihood orientation to technology development and dissemination.
- B) Excel Engineering College is an institution
  - (i) Affiliated to Anna University, Chennai.
  - (ii) Approved by AICTE Engaged in provision of various educational courses and programmes.
  - (iii) Mechanical Department – Excel Engineering College & WeWin Finishing Equipments Pvt. Ltd. believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

**CLAUSE 1**

**CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within Chennai. The Parties shall keep each other informed of potential opportunities for one another.
- 1.2 WeWin Finishing Equipments Pvt. Ltd. and Mechanical Department – Excel Engineering College co-operation will relate effective utilization of the intellectual capabilities of the faculty of Excel Engineering College providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry.
- 1.3 The general terms for co-operation shall be represented by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical enter into all relevant agreements, deeds and documents (the 'Definitive Documents'). The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

**CLAUSE 2**  
**OBJECTIVE OF THE MOU**

- 2.1 The budding engineers from the technical institution could play a key role in technological up gradation, innovation and competitiveness of an industry. WeWin Finishing Equipments Pvt. Ltd. can give valuable inputs to the institution, suitably customize the curriculum and in teaching / training methodology, so that the students fit into the industrial scenario meaningfully.
- 2.2 Both WeWin Finishing Equipments Pvt. Ltd. and Excel Engineering College believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.3 Industry and Institution will give an insight in to the latest developments / requirements of the industries; hence the students can be moulded to meet tomorrow's challenges.
- 2.4 The industrial training and exposure provided to students and faculty though this association will build confidence and prepare the students to have a smooth transition from academic to working career.
- 2.5 Arrange Industrial visit to increase the knowledge level of students.
- 2.6 Arrange Joints seminars from industry professionals to share their knowledge with students.
- 2.7 Arrange Joint meetings with faculty to discuss on various topics and the curriculum requirements relating to the industries could be arranged.
- 2.8 Provide support for the execution of project work to students in the latest developments / requirements of industry.

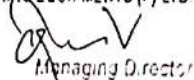

**CLAUSE 3**  
**CONFIDENTIALLY**

- 3.1 All materials and information provided to a party by the other party or acquired by a party on behalf of the other party, whether oral, written, recorded magnetic media, cards, or otherwise, shall be regarded as confidential information in accordance with the applicable laws, ethical standards. Each party shall take all necessary steps to safeguard the confidentiality of such materials or information neither party shall use the confidential information of the other party for purposes other than those contemplated hereunder.

#### CLAUSE 4

##### INTELLECTUAL PROPERTY

4.1 Nothing contained in this MOU shall, by express grant, implication, estoppels or otherwise, creates in either party any right, title, interest, or licence in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other party.

#### CLAUSE 5

##### VALIDITY OF THE MOU

5.1 This MOU is valid for a period of Life Time with effect from the date of signing of this MOU and can be renewed by Mutual consent thereafter. Once agreed, the MOU shall be in force for a minimum period of one year.

#### CLAUSE 6

##### RELATIONSHIP BETWEEN THE PARTIES

6.1 Neither party is authorized to use the other party's name in any way, to make any representations or create any obligation or liability, expressed or implied on behalf of the other party, without the prior written consent of the other party. Neither party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other party, to other party's credit, or to extend credit on behalf of the other party.

#### CLAUSE 7

##### BINDING NATURE OF THE MOU

7.1 The MOU is intended to provide a legally non-binding procedural framework to enable the parties to work together cooperatively towards achieving the goals set forth at the outset of the MOU. Any apparently mandatory language herein such as "shall" or "will" is intended to create any legally enforceable obligations against either party. Notwithstanding anything to the contrary, no obligation, covenant, or agreement relating to this MOU shall be binding on the parties.

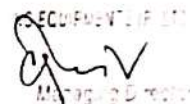

#### CLAUSE 8

##### SAFETY

8.1 Excel Engineering College shall take all the necessary and other safety precautions to protect their students / faculty during the industrial training & industrial visits.

PRINCIPAL  
EXCEL ENGINEERING COLLEGE  
KOMARAPALAYAM-637 303

Managing Director

**CLAUSE 9**

**GENERAL**

9.1 Each of the parties hereto undertake with the other to Excel Engineering College in the utmost good faith in interpreting and implementing this MOU and agrees to do all things reasonably within its power which are necessary or desirable to give effect to the spirit and intent of this MOU.

9.2 This MOU is the first documented agreement between the parties; in case of contradictions between it and future agreements, the later one is binding.

9.3 Either party may terminate this MOU upon providing seven days written notice to the other party.

The signature of each party's duly authorized representative below shall evidence the agreement of such party that this MOU accurately summarizes its understanding with respect to the subject matter hereof.

Namakkal (D.t) TamilNadu.  
Cell : +91 9965523999, +91 9443161192.

EURO CAST ENGINEERING and EXCEL ENGINEERING COLLEGE have entered into this agreement to their mutual intentions to jointly work together for improving the interaction between the industry and academia and the details are reduced into this MoU for future reference.

## PREAMBLE

The INDUSTRY and the INSTITUTION, which has learned employees with good industrial experience and promising students, jointly agree to exchange their expertise for mutual benefit and growth, on the areas specified here under:

1. Higher Education
2. Industrial Visit
3. In-plant Training & special skill development training
4. Guest Lectures
5. Project Work - Assistance
6. Research & Development
7. Placements

## Terms Agreed

### 1. Higher Education

The Institution will welcome the employees of the Industry to pursue PG Programme in the Institution subject to the mutually agreed terms and conditions.

### 2. Industrial Visit

Subject to operational feasibility, Industry will allow students for industrial visits for the benefit of practical exposure on hi-tech machines and equipment.

### 3. In-plant Training & Certificate and other necessary skill development training

Industry will facilitate the students to undertake in-plant training and allow them for special skill development trainings subject to the convenience of the Industry.

- Vote of Thanks : **Mr.V.KARTHIKEYAN**  
Assistant Professor, Department of Mechanical  
Engineering

NATIONAL ANTHEM

## WHEREAS

- a) The Company is engaged in the business of manufacturing and marketing of automotive components such as steering knuckles, brake drums & hubs exhaust manifold, calipers and differential casing, flywheels, etc.
- b) Excel Engineering College (hereinafter referred to as "EEC") is a renowned educational institution, recognized by the All India Council for Technical Education (hereinafter referred to as "AICTE"), and provides technical education in the field of Engineering and other disciplines.
- c) **SAKTHI AUTO COMPONENT LIMITED** and **EEC** have mutually agreed to enter into this agreement to execute their mutual intentions to work together towards skill development for youth through collaborative interaction and the details are reduced into this MoU for future reference in the following areas.

1. Organizing Industrial Visits & Industrial training
2. Facilitating Lectures & Faculty training programs
3. Setting up of SACL – Industrial Training Center at Institution
4. Providing support and assistance in Recruitments

### 1) Industrial Visit & Industrial Training

- Subject to operational feasibility, The Industry will allow students for industrial visits for the benefit of practical exposure of the students on high tech machines and equipment.
- The industry will facilitate the students to undertake in-plant training and allow them for special skill development training subject to the convenience of the Industry.

### 2) Facilitating Lectures & Faculty training programs

- The Institution and Industry will facilitate to arrange guest lectures on mutual consent, to students, faculty members periodically to get them motivated to excel in their respective domains of study

**Dr. D. DEVAKUMAR** M.E., P.D., MSTE, MIE, MAE, SIN, MASMIE.  
DIRECTOR : Industrial Research Projects.  
Excel Group Institutions, Komarapalayam - 637 303,  
Nemakkal (D.t) TamilNadu.  
Cell : +91 9965523999, +91 9443161192.

- It is agreed to have a periodical presentation of papers from the learned faculty members of the institution and employees of the Industry, on mutual consent.

### 3) SACL - Industrial Training Center at Institution

- SACL and Excel Engineering College will identify the student as per norms of training program irrespective of Location, College and Qualification with respect to requirements of SACL to train them at Excel Group of Institutions under the "*Industrial Training Centre at Institutions*" scheme of SACL
- SACL shall play the role of passive facilitator and continue to monitor through defined parameters, extend possible - permissible support to those centers and absorb suitable candidates as per its needs
- The respective institutions should play the role of active facilitators in two different forms. In case if they are already recognized by Govt agencies to offer skill development programs, they can readily share the database of such trained students with SACL for prospective placement support.
- Trained resources will be shortlisted based on industrial demand from time to time and deployed at SACL Works as required.
- In case, if they are not such recognized Training provider, they could apply for sanction, creating a database, offer programs/courses in tandem with SACL and place them at SACL

### 4) Providing support and assistance in Recruitments

- As and when deemed necessary, SAKTHI AUTO COMPONENT LIMITED will guide and assist for Diploma and Engineering the students of Excel Group of Institutions in getting better Industrial placements.
