## PROGRAMME REPORT

**Awareness program on software usage in aircraft industry**

DATE : 24.02.2023  
VENUE : Aero Smart class  
NO. OF PARTICIPANTS : 100

The program was arranged by the Department of Aeronautical Engineering association with UAV club. The program was coordinated by Prof.S.Balasundaram and Prof.J.Senthi Kumar Assistant Professor / Aeronautical. Around 100 students participated in the program. The resource person handled a very informative session and highlighted the following points:

- Software technologies in aircraft industry
- Design and development of software's
- Latest tool usages in industry
- Different types of software's used in industry
- Job opportunities

At the end of the session, participants interacted to clarify their doubts in the topic and the resource person motivated the participants to enhance their skills using any of the available tools. Participants expressed their gratitude that the program was highly informative and interesting.
