Department of Civil Engineering ICI chapter has organized an online webinar on 08.09.2022. On this occasion, Er. Solomon Sharma, Balkapso Construction, East Sikkim addressed on "Retrofitting and Rehabilitation of Structures". In his address, the construction of building and maintenance activities were highlighted. The construction projects in which the repair, rehabilitation & retrofitting were done have been demonstrated. The construction of building in earthquake prone zone, column jacketing technology in rehabilitation of columns, epoxy injection and grouting methods of arresting cracks, repair works in honeycombing areas in this structure were explained with respect to the site condition. Retrofitting serves to enhance the strength and durability of structures.
