F. Nivetha Mtech- Food Technology
Assistant Professor / Activity Coordinator.
Department of Food Technology.

Submitted to the Academic Director,

Date: 14.09.2022

Madam,

Sub: Permission for conducting one day activity on the topic called "Awareness program on government opportunities in Food Technology" & "Product development in flavored milk & quality testing"

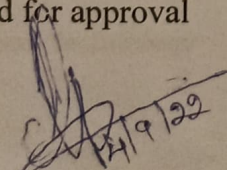

We have planned to organize a one day activity "Awareness program on government opportunities in Food Technology" & "Product development in flavored milk & quality testing"

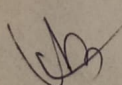

Learning objectives

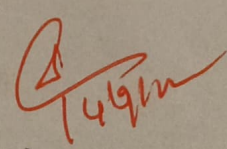

1. To know about the opportunities in government sectors for food technologist.
2. To know about the various jobs in food industry sectors.
3. To learn about the role of food technologist in industries.
4. To learn about some recent breakthrough product innovations within the dairy arena.
5. To acquire the knowledge on quality evaluation of flavored milk.

Hence, I request you to kindly grant us permission to conduct Activity on 17.09.2022 (Saturday).

Madam,

Sub: Permission for conducting half day activity on "Brain-teasers & mystification".

We have planned to organize a half day activity "Brain-teasers & mystification".

Learning objectives

It helps the students to

- stimulate a child's cognitive abilities, as well as assisting them to improve sitting still and staying focussed on one task.
- develop logical reasoning abilities.
- develop critical thinking.
- boost brain activity.
- provide emotional satisfaction.
- increase student engagement.

Hence, I request you to kindly grant us permission to conduct Activity on 08.10.2022 (Saturday).

Summary

Today we engaged in a **One day workshop on "Course introduction and intro to yoga"** or students and faculty members in activity session for full day (morning & afternoon). This course gives you access to an exploration of physiological systems from the perspective of overall health and wellness. In particular, a focus on yoga, meditation and mindfulness as a therapeutic intervention in chronic illness and long term treatment. This course is intended for yoga practitioners and teachers, as well as college students and medical practitioners looking for a deeper understanding of the physiological benefits of yoga.

REPORT ON

"ART FROM INGREDIENTS"

Department of Food technology, Excel Engineering College (Autonomous) organized a activity on "ART FROM INGREDIENTS" on 11.03.2023 at food technology laboratory, excel engineering college.

- In this event, during morning session, the students are asked to bring the required material for making art and time limit is given as 2 hours. Students crated many different art from food ingredients.
- Students gained knowledge about how to think creative and also they learn how to be patience in all situation.
