ENTREPRENEUR CORNER

**Er. S. Divin (Batch: 2009-2013)
Proprietor, Periyasamy Traders, Erode**

"As a proud alumnus of Excel Engineering College, I am deeply grateful for the foundation it provided in both my personal and professional life. The knowledge and skills I gained during my time there have been instrumental in my journey to becoming the proprietor of Periyasamy Traders. The faculty's dedication, the state-of-the-art facilities, and the vibrant campus environment all contributed to shaping me into the entrepreneur I am today. I will always cherish the memories and experiences from my college days, and I am proud to be a part of the Excel family."

**Er.R.Dharmadevan (Batch: 2010-2014)
Proprietor Sarga Construction, Erode-4**

I graduated with a degree in Civil Engineering from Excel Engineering College in 2014. Since then, I've been the Proprietor of SARGA Construction in Erode. My education laid a strong foundation for my career, and my role at SARGA Construction has allowed me to apply my skills and passion for civil engineering in a practical, impactful way.

The experiences gained during my studies and subsequent career have been instrumental in shaping my professional journey. I am proud to contribute to our industry and to witness the tangible outcomes of our work.

To current students and fellow professionals, I encourage you to stay curious, embrace challenges, and strive for excellence in all that you do.

Er.S.MOHANRAJ (Batch: 2011-2015)

Proprietor, Sara Sree Constructions & Architects, Tiruchengode.

I am proud to reflect on my journey from graduating in Civil Engineering from Excel Engineering College in 2015 to becoming the Proprietor of Sara Sree Constructions & Architects in Tiruchengode. My time at Excel provided me with a robust foundation, and the skills I developed there has been crucial in my role at Sara Sree.

Managing a construction and architecture firm has been both challenging and rewarding. Each project brings new opportunities to innovate and deliver quality work, contributing to the growth and development of our community.

To the current students and fellow professionals, I encourage you to embrace every learning opportunity and pursue your passions with dedication. The road ahead may be demanding, but it is also filled with endless possibilities for growth and achievement.

Er.M.S.Karthikeyan (Batch: 2011-2015)

Proprietor - SK Construction, Avalpoondurai

I am delighted to share my journey from graduating with a Civil Engineering degree from Excel Engineering College in 2015 to becoming the Proprietor of SK Construction in Avalpoondurai. My education provided a solid foundation, and it's been a privilege to apply those skills in managing and leading projects at SK Construction.

The experience has been both challenging and fulfilling, allowing me to contribute to significant developments in our region. The journey has reinforced the value of hard work, innovation, and dedication in the field of civil engineering.

To current students and professionals, I encourage you to pursue your goals with passion

and perseverance. Every challenge is an opportunity to grow and make a meaningful impact.

Er.S.Manikandan (Batch: 2012-16)
Proprietor - Jambu Construcitons, Erode

As an alumnus of Excel Engineering College, I am delighted to share my journey and the impact my education has had on my professional life. My name is Er. S. Manikandan, and I am the Proprietor of Jambu Constructions in Erode.

Graduating with a B.E. in Civil Engineering from Excel Engineering College in 2016 was a transformative experience. The college's commitment to excellence in education, combined with its practical approach, laid a strong foundation for my career. The curriculum was comprehensive and challenging, and the hands-on projects and internships provided me with invaluable industry experience.

The knowledge and skills I gained during my time at Excel Engineering College were crucial in establishing Jambu Constructions. As the proprietor, I lead a dedicated team and oversee a range of construction projects, striving to deliver quality and innovation in every endeavor. The principles of engineering and management that I learned at the college continue to guide me as I navigate the complexities of the construction industry.

I am immensely grateful for the support and education provided by Excel Engineering College. The institution's focus on practical learning and professional development has been instrumental in my success. To current and future students, I encourage you to embrace the opportunities provided and to approach your studies with enthusiasm and dedication.

Thank you to Excel Engineering College for being an essential part of my journey and for shaping my professional path.

Er. M. Harivignesh (Batch: 2016-2020)
Proprietor, Sri Rajaganapathy Associates, Salem

"My years at Excel Engineering College were transformative, laying a solid foundation for my career as a civil engineer and now as a proprietor of Sri Rajaganapathy Associates. The college provided not only top-notch education but also opportunities to develop leadership and problem-solving skills, which are crucial in the real world. The guidance and encouragement from the faculty have been invaluable, and I carry the lessons learned with me every day. I'm proud to be an alumnus of Excel, and I look forward to continuing the legacy of excellence in my professional journey."

Er. SHARVESWARAN (Batch: 2013-17)
Proprietor, Builders Icon, Kaveripattinam

I am truly honored to reach out to you as a proud alumnus of Excel Engineering College, where my journey in civil engineering began from 2013 to 2017. Reflecting on my time at this esteemed institution, I am filled with immense gratitude for the solid foundation it provided me, which has been instrumental in my professional journey.

As the Proprietor of Builders Icon in Kaveripattinam, I have had the privilege of applying the knowledge and skills gained from my education to real-world challenges. My experiences have reinforced the value of the rigorous academic training and the invaluable support I received from our esteemed faculty.

Excel Engineering College is not just a place where we learned engineering principles; it is where we cultivated resilience, innovation, and leadership. These qualities have been vital in navigating the complexities of the construction industry and achieving success in my career.

To the current students, I encourage you to embrace every opportunity, challenge yourselves, and make the most of the resources available. Your time at Excel will equip you with the tools you need to excel and make a meaningful impact in your chosen field.
