Better

Good, satisfactory

Interactions to students for every time given attention to each student daily give new thing to feed to our brain

Give practical knowledge
Don't rush students to do the work

Kindly appreciate the students to won anything

explain in Tamil after completion what teacher thought in that period

Outbound learning initiatives, experiential learning, simulations

Compare to teaching wise.... practical teaching should be more

NO

I don't have

Skills

Need more hands on practical than theory.

Education system must change not for Marks only but for skills too.

Projects, Internships should made compulsory and arrangements should be done by the Institute.

Thank you 🙏

teach the students for given time don't borrow any other period

- 1.Hire Experienced staff
- 2.Increase practical oriented teaching
- 3.Improve laboratory facilities

Good, excellent

No mention

Observe every student's capacity and improve them by supporting mentally for learning

Use ppt

Good staff

There should be more innovation in project and assignment , in some case the assignment should be in team work

Encourage cross-disciplinary collaboration and learning opportunities to broaden students' perspectives and equip them with a diverse skill set. By integrating knowledge from different fields, students can develop holistic problem-solving abilities and adaptability, essential for success in today's interconnected world.

Overall experience in Excel engineering college was great.
