Hon. Chairman's **MESSAGE**

PROF. Dr. A.K. NATESAN

I have often noticed that people forget their quarrels and rivalry with the passage of time. That is something positive and appreciable. But it cannot be applied to the studies you do in various courses. Once an interviewer finds out that you have majored in a particular stream, you are sure to get a generic question about that field and you are expected to be specific in your answer, if you want to impress your interviewer. All cannot excel in every field. Similarly, you may not be a success in all what you do. Mistakes are bound to happen. But here is where your God given memory power should be put to good use. Fail in the exam, but learn the lesson. Remember that each and every person who has succeeded in life has done it by learning the lesson even after the initial projects were utter failures.

I wish that this year 2023-24 be the best for you by way of having gathered experience from your mistakes, from the truancy of climatic conditions, from unexpected disasters like the pandemic and the heavy target laid on you with limited time to catch up; but with a determination on your forehead that you can and you will make it...

In phase I, 20 students of Agricultural Engineering have completed their summer internship training. Through the training students gained the practical knowledge about tractors and implements, repair and service and EV tractors. And also learned about tractor engine system & tractive system.

On 05th June 2024, Department of Science and Humanities in association with NamakkalCollectorate have telecasted a documentary film on Vannathupoochi for the first year students.

In commemoration of World Environmental Day On 05th June 2024, Tree Plantation was carried out by the NCC cadets in Excel Group Institutions

10 days National Cadet Corps - 5TN Air Sqn Tech NCC- Combined Annual Training Camp 2024 (05.06.2024 to 14.06.2024) has been organized in our college and formally inaugurated by Executive Director Dr. K. Bommanna Raja and Group Caption V. Muruganantham, Indian Airforce.

YRC/RRC/RI clubs in association with Science and Humanities have organised “World Health Day” Program. In this regard we have conducted various competitions like poster making, Fireless healthy cooking. All the UG and PG students actively participated on 10.06.2024

In phase II, 19 students of Agricultural Engineering have completed their summer internship training. Through the training students gained the practical knowledge on the types of weeders, sprayers and its utilization in the field of agriculture

On June 21, 2024, the Rotaract Club of Excel Engineering College organized a remarkable Blood Donation Camp in collaboration with the Erode GH Blood Bank. Faculty members and students actively participated and donated their blood to the needy people.

Ecelebrated International Yoga Day-2024 on 21st June 2024. The National Service Scheme (NSS) at Excel Engineering College (Autonomous), Namakkal - 637 303, proudly participated in the inspiring “International Yoga Day-2024” event organized in collaboration with Excel Medical College for Naturopathy and Yoga Science. Together, we embraced wellness, mindfulness, and unity through the ancient practice of yoga. Let's continue to nurture our physical and mental well-being.

The Department of Mathematics at Excel Engineering College (Autonomous) has successfully hosted the First International Conference on Transcendent Mathematics: Integrating Varied Approaches.

This landmark event, held on 24.05.24, was a melting pot of ideas, where scholars, researchers, and students from around the world convened to push the boundaries of mathematical sciences. The conference not only showcased the latest in mathematical research but also underscored the pivotal role mathematics plays across various sectors.

We're proud to have created a space where collaboration and innovation thrive, where every theorem and equation paves the way for new discoveries and advancements.

Excel Group Institutions celebrate the World Environment Day on June 5th, 2024. Our NCC students have taken the lead in organizing a series of activities that not only honor Mother Earth but also inspire us to be her diligent caretakers.

From planting saplings that will grow into tomorrow's green warriors to engaging workshops on sustainability, our students are the embodiment of change and hope. Their enthusiasm is contagious, and their commitment is unwavering.

Let's join hands with our young environmentalists on this special day and pledge to make every day an environment day. Together, we can nurture a greener, cleaner, and more vibrant world for generations to come.

Excel Polytechnic College

Excel Polytechnic College's Automotive Club conducted an activity on Dismantle & Assemble Engine Parts, Automobile Tool Identification on June 28, 2024 in the Hyundai Professional Centre, EGI. The program coordinated by Mr.T. Satheeswaran (Lecturer, Auto/EPC) and Chief Coordinator: S. Sivakumar S (HOD, Auto/EPC)

Excel Polytechnic College students have actively participated in Blood Donation Camp held at Excel College for Commerce and Science on June 21, 2024. Their commitment to saving lives is commendable. Let's continue to promote awareness about blood donation and contribute to a healthier community
