**Department of Civil Engineering and ICI Student chapter
jointly organized**

We recently wrapped up our annual Concrete Day celebration and it was a resounding success! this year's event brought together 58 students, 5 faculties for a day filled with learning, hands-on activities, and friendly competition.

Dr. S. Shanmugasundaram, HOD of Civil department has inaugurated the function.

The feedback we received from students and faculty was overwhelmingly positive, with many expressing excitement for next year's Concrete Day. We're already brainstorming ways to make the event even better, possibly with more competition categories, larger networking panels, and expanded hands-on activities.
