7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities

The institution believes in equality of all cultures and traditions. In evidence to this, the students belonging to different caste, religion, regions across PAN India including foreign nationals are admitted without any discrimination. Though the institution has diverse socio-cultural background and different linguistic, we do not have any intolerance towards cultural, regional, linguistic, communal socio economic and other diversities. In order to facilitate this process, various national cultural festivals such as Pongal, Onam, Holi, Dusshara, Ayudhapooja, Christmas, Ramzan , etc. are celebrated in the campus. In addition to this, birth anniversaries and memorials of great Indian personalities like Mokshagundam Visvesvaraya, Ramanujan, Nethaji Subash Chanderbose, etc are organized in the campus making all the students to participate in the grand celebration.
