MINUTES OF MEETING HELD ON 01.04.2023 at 10.00 am onwards

Resolutions

1. Resolved that the following recommendations may be passed to the standing committee of the Academic Council for the Final Year Seventh semester syllabi of B.E. Agriculture Engineering programme, B.E.(Honours) specialization in the same discipline and B.E.(Honours), Minor Degree programme in Land and Water Management Engineering, curriculum of B.Tech., Agriculture Engineering with the following changes.

RECOMMENDATION	RESOLUTION
B.AG.4.1 Dr.B.Soundara, University Nominee suggested, Seventh semester 20AG701 Entrepreneurship in Agricultural Engineering subject pre requisites may be removed, CO 12 may be improved and the same course may be offered as Open Elective for other department students.	B.AG.R.4.1 As per the suggestion, 20AG701 Entrepreneurship in Agricultural Engineering subject pre requisites has been removed, CO 12 in the course has been incorporated. This subject has been added in open elective list also.
B.AG.4.2 Dr.B.Soundara, University Nominee suggested, to include the subject Remote Sensing and GIS for Agriculture Engineering students	B.AG.R.4.2 The suggested course is listed in Professional Electives under stream-II Soil and Water Conservation Engineering as 23AGE30 Remote Sensing and GIS Applications so that Agriculture Engineering Students can elect the subject under Professional Elective courses.
B.AG.4.3 Dr.B.Soundara, University Nominee suggested, to verify the Course Outcomes and Blooms levels of all the courses	B.AG.R.4.3 As per suggestions, all the subject Course Outcomes and Blooms Level has been verified and incorporated.
B.AG.4.4 Dr.B.Soundara, University Nominee informed to submit the differences of courses under Regulation 2020 and Regulation 2023	B.AG.R.4.4 The tabulation of differences in curriculum of R-2020 and R-2023 has been submitted for approval.

<p>B.AG.4.5 Dr.C.Karthikeyani, Director Academics, suggested to discuss and ensure the open elective subject 23AGO06 Food Safety and Quality Regulations with Department of Food Technology.</p>	<p>B.AG.R.4.5 As per suggestion, discussed with Food Technology Department and subject is not offered by Food Technology department under the category of Open Electives. Hence, we have included the subject 23AGO06 Food Safety and Quality Regulations under Open Elective subjects</p>
<p>B.AG.4.6 Dr.B.Soundararajan, Academic Expert, suggested to include Land Management related subjects in Minor Degree.</p>	<p>B.AG.R.4.6 As per the suggestion, 23AGM04 Watershed Management has been removed and included 20AGM04 Land Reclamation Techniques for Land Management subject.</p>
<p>B.AG.4.7 Dr.B.Soundararajan, Academic Expert, suggested to revise the prerequisite for the course 20AGM02 Hydrology, Soil and Water Conservation subject.</p>	<p>B.AG.R.4.7 As per the suggestion, prerequisite has been revised.</p>
<p>B.AG.4.8 Dr.B.Soundararajan, Academic Expert, suggested to add the Pumps and Hydraulic Machineries Subject in One Credit Courses tie up with Industry Experts.</p>	<p>B.AG.R.4.8 As per the suggestion, the subject 23AGA09 Pumps and Hydraulic Machineries included in one credit courses.</p>
<p>B.AG.4.9 Dr.B.Soundararajan, Academic Expert, suggested to include Crop Production subject in Open Elective courses for other department students.</p>	<p>B.AG.R.4.9 As per the suggestion, the subject 23AGO010 Crop Production Techniques included in Open Elective courses.</p>
<p>B.AG.4.10 Dr.B.Soundararajan, Academic Expert, suggested to include Agricultural Chemistry as Professional Elective Course.</p>	<p>B.AG.R.4.10 As per the suggestion, the subject 23AGE36 Agricultural Chemistry subject included in Professional Electives under Stream-II Soil and Water Conservation Engineering.</p>
<p>B.AG.4.11 Dr.B.Soundara, University Nominee and Dr.B.Soundararajan, Academic Expert, suggested to include Drone Technology subjects for Agriculture Engineering students.</p>	<p>B.AG.R.4.11 Department of Aeronautical Engineering offers Drone Technology courses as Open Elective subject hence our students also can elect the subject under Open Electives.</p>
<p>B.AG.4.12 Mr.J.Muralidharan, Industry Expert, suggested to include Sugarcane Processing related courses for Agriculture Engineering students.</p>	<p>B.AG.R.4.12 As per the suggestion, the subject 23AGE16 Sugarcane Process Techniques subject included in Professional Electives under Stream-I Agricultural Process Engineering.</p>

B.AGRI.6.2 To discuss and pass the revisions in the curriculum and syllabi of students admitted from the academic year 2023 – 24 onwards under Regulation 2023.

B.AGRI.6.3 Any other matters.

Resolutions.

1. Resolved that the following recommendations may be passed to the standing committee of the Academic Council for the curriculum and syllabi of B.Tech Agricultural Engineering program with the following changes.

UG – Agricultural Engineering:

RECOMMENDATION	RESOLUTION
B.AGRI.6.1 University Nominee Dr. S. Murugan has suggested to include the Vane Pump in 23AG303 Fluid Mechanics and Machineries for Agricultural Engineering course.	B.AGRI.R.6.1 As per suggestion the the Vane Pump concept have been included in the Module 5 of 23AG303 Fluid Mechanics and Machineries for Agricultural Engineering
B.AGRI.6.2 Dr. S. Murugan has suggested to include the experiments such as Determination of shear and stress, Direct shear and slope stability into the Soil Science and Engineering Laboratory.	B.AGRI.R.6.2 The topic Determination of shear and stress, Direct shear and slope stability included in the experiments
B.AGRI.6.3 Er. E.Kaviraj has asked to change the experiment name as Draw and Design of Connecting Rod in Engine.	B.AGRI.R.6.3 The experiment name Draw and Design of Connecting Rod in Engine. has been modified
B.AGRI.6.4 Dr. D. Tensing has asked to add the reference books in Heat and Mass Transfer course.	B.AGRI.R.6.4 As per suggestions reference books in Heat and Mass Transfer course has been added.
B.AGRI.6.5 Er. E.Kaviraj has suggested to add the subjects Basics of Agricultural Engineering in second or third semester.	B.AGRI.R.6.5 As per suggestion, Basics of Agricultural Engineering course to add in second or third semester as a compulsory course are in consideration.
B.AGRI.6.6 Dr. D. Tensing has asked to modify the module name for 23AG406 Strength of Materials.	B.AGRI.R.6.6 The modification of the module name for 23AG406 Strength of Materials is modified as per suggestion
B.AGRI.6.7 Dr. M. J. Gopinathan has asked to modify the Module two and five topics of 23AG403 Hydrology and Water Resources Engineering. Also insisted to add the topic as RWH for Agricultural field.	B.AGRI.R.6.7 The modification of the module name for 23AG403 Hydrology and Water Resources Engineering is modified as per suggestion and the topic as RWH for Agricultural field is added.

<p>B.AGRI.6.8 Dr. D. Tensing has suggested to add Module topics can be modified for 23AG405 Surveying and Levelling.</p>	<p>B.AGRI.R.6.8 The modification of the module name for 23AG405 Surveying and Levelling is modified as per suggestion</p>
<p>B.AGRI.6.9 Er. E.Kaviraj has suggested to change the subject name as Green House Technology into Precise Farming also suggested the Theory course renewable energy can be replaced any third semester problematic paper.</p>	<p>B.AGRI.R.6.9 The Subject name has modified as per suggestions</p>
<p>B.AGRI.6.10 Dr. Tirupathi has suggested to 23AG604 Post Harvest Engineering of Agricultural and Horticultural crops name must be changed as Post Harvest Engineering of Agricultural Crops and Process Engineering of Fruits and Vegetables provided as a compulsory paper.</p>	<p>B.AGRI.R.6.10 The Subject name has modified as per suggestions & Process Engineering of Fruits and Vegetable as a compulsory course are in consideration.</p>
<p>B.AGRI.6.11 Dr. Tirupathi has suggested modify the professional electives and asked to add some specific agricultural related subjects in electives.</p>	<p>B.AGRI.R.6.11 AS per suggested modify the professional electives addition of specific agricultural related subjects in electives are in consideration.</p>
