| *Internal Assessment (Institutional Level examination) marks are not to be counted for the grade at the end of the semester.            |                                                            |             |                      |          |                   |                    |                          |        |     |           |           |           |     |           |           |                |

**Studentship or observership must include:**

- A minimum of 14 hours per week is considered as studentship in every semesters.
- Provide simulation and skill labs for practising skills specific to the program in the initial years of observership/studentship.
- Every semester must have seminars/workshops on new developments/ technologies. Check annexure for marking criteria.
- If the clinical facility is not within the same campus, transportation should be provided to the students and interns.
- All practical skills must be supervised and recorded in a Logbook and skills to be evaluated after the completion of the internship.
