## INTRODUCTION :

Excel Homoeopathy Medical Collage, Komarapalayam, Namakkal had organised two days Industrial Visit for BHMS 1<sup>st</sup> year students on 19 & 20<sup>th</sup> January, 2022 at Similia Homoeo Laboratory, Aluva, Kerala.

Group photo with Similia Laboratory Faculties

Our core aim was to gain practical knowledge about manufacturing methods of Homeopathic medicines.

## DETAILED REPORT :

We (BHMS - 1<sup>st</sup> year students (74)) started travelling from the college campus at 10.30 pm, via bus on 18-01-2022 along with our incharge staff (Dr.Jayakumar, Dr.Venkatesh, Dr.Dharani) to Kerala.

Day 1 : (19-01-2022)

We arrived at mahnami hotel at Aluva by 6.00 am on 19.01.2022. We refreshed ourselves after a long journey and had breakfast at the hotel . We then started our trip to pharmaceutical company, SIMILIA HOMOEEO LABORATORY at veliyathunad, Aluva by 9.00 am. After half an hour of travel by bus with our incharge staffs we to reached there at 9.30 am.

SIMILIA HOMOEEO LABORATORY

SIMILIA was an pharmaceutical company established at 1986 in Kerala by Mr. Abdul Rashid (former managing director of Kerala state homoeopathic co-operative pharmacy)It is the market leader for all kinds of homoeopathic medicines in Aluva, Kerala.

At the entrance, the faculties of Similia gave us a warm welcome

with a great sense of encouragement. After entering, We were given a brief introduction and information about the company. We were also provided with hair-caps, Masks & notepad with pen. Then we were divided into 3 batches of 25 members each.

From there, We were guided to different sections in the company by the respective faculty members of SIMILIA.

Various sections include,

- Mother tincture production
- Dilution preparation.
- Tableting section
- Ointment section
- Syrup making section
- Biochemic combination
- Packaging & Labelling.

They started briefing all the student about the safety & procedures involved in the procurement of quality raw materials. Later they elucidated about all equipments & standard procedures used in manufacturing homoeopathic medicines. They explained each and every process in manufacturing and packaging. They were so dedicated and passionate in explaining us the process of preparation.

Similia pharmaceutical company was facilitated with requisite equipments, Skilled labours & facilities to manufacture homoeopathic products.

## Pharmaceutical Instruments

They demonstrated the process of Trituration, Succussion,

Tableting , etc., with well-equipped instruments. We gained a lot of practical knowledge about the preparation of Homoeopathic medicines. The visit was completely useful one.

Later we were served with snacks and took a memorable group photo with Similia faculties. We departed from the laboratory at 12.50 pm, and returned back to the hotel for our lunch. Then by evening, We also went to marine drive & Lulu-mall at Kochi and enjoyed it.

#### DAY 2 : (20-01-2022)

The next day, we went to wonderla at Kochi and enjoyed variety of adventurous and spine thrilling rides and water games. We had a great time with our friends. We bid goodbye to the amusement park and started our return journey from kerala.

We departed from Kerala at 10.00 pm on 20-01-2022 by bus and arrived at collage at 4.30 am on 21-01-2022.

#### CONCLUSION :

It is our honour to thank our Prof.Dr.A.K.Natesan (Founder & Honourable Chairman, EGI), Dr.N.Mathan Karthick (Vice – Chairman & Secretary, EGI), Prof.Dr.T.Saravanan (Principal of EHMC), Prof.Dr.Shirmal Chenthik (HOD, Dept of Homoeopathic Pharmacy, EHMC) and all our faculties for organizing the Industrial Visit and making available the requisite facilities intended for 2 days educational Industrial Visit for 1<sup>st</sup> year BHMS students to Similia Homoeo Laboratory, Aluva, Kerala. All our incharge staffs were extremely supportive throughout the trip.
