*A glorious place to
Enlighten your Future*

The Milestones

EXCEL GROUP INSTITUTIONS, KOMARAPALAYAM, was established in 2006 by **Prof. A. K. NATESAN**, Founder & Hon. Chairman. By starting these renowned institutions, he has paved the way for fulfilling the Vision and Mission of Sri Rengaswamy Educational Trust (**SRET**) to spread its social contribution far and wide - for years to come.

SRET is drawn toward the vision of imparting high quality Technical and Medical Education and making the students imbibe the expertise that leads them from darkness to light and which also beckons them to usher in a new and equitable society. Its prime axiom is to make the students emerge as a sturdy and vibrant generation that is academically sound, socially altruistic and truly enterprising. Standing tall at the summit of higher learning as a unique educational edifice, SRET has 15 institutions & 2 social organisations under its fold today - known worldwide as Excel Group Institutions, Komarapalayam - 637303, in the Namakkal District of Tamil Nadu.

The Founder and Management

Rtn. AKS Prof. A. K. NATESAN M.Com, MBA, M.Phil., Ph.D.
 Founder & Hon. CHAIRMAN, EXCEL Group Institutions, Komarapalayam
 Founder, Excel Enviro Energy Private Limited
 Director, Dr.AKN - Excel Agri Farms Private Limited
 Director, Excel Farm Products Private Limited
 President, TNBBA - Tamilnadu Ball Badminton Association
 Secretary, Association of Management of Coimbatore Anna University
 Affiliated Colleges (AMCAUAC)
 District Governor of R.I. District - 2982 from 2019-2020
 Hon. Chairman, The Kavery Group of Institutions, Salem
 Fellow of Textile Association (FTA)

He is a visionary leader and dynamic administrator capable of leading and guiding the professional education sector with 37 years of practical experience in the field of higher education. He is a philanthropist and social activist for the upliftment of the downtrodden people of the rural community.

He revivifies ISTE (TN) by organizing workshops, seminars and conferences for students and faculty through ISTE Chapters. A frequent traveler inside and outside India, he observes the best practices adopted in premier institutions and advices the college managements to adopt them suitably at their institutions. A sports person who is the President of Tamilnadu Ball Badminton Association, he inspires every budding sports person to excel in his/her field.

A popular Rotarian who has donated over 3 Lakh USD for the Rotary Foundation and is the only Arch Klumph Society (AKS) Member of Rotary International District - 2928 comprising of 6 Revenue Districts of North-Western TN. During his tenure as the District Governor of R.I. District - 2982, from 2019-20 he donated medical equipment worth Rs. 4 Crore & established 3 Rotary Dialysis centers to serve the marginalized of our society.

Dr. N. Mathan Karthick M.B.B.S., M.H.Sc.(Diabetics)
 Vice-Chairman & Secretary-SRET
 Vice-Chairman, Excel Group Institutions, Komarapalayam
 Managing Director, Excel Hi-Tech Infra and Services Pvt. Ltd.
 Managing Director, Dr. AKN-Excel Agri Farms Pvt. Ltd.
 Director, Excel Enviro Energy Pvt. Ltd.
 Director, Dr. AKN-Excel Farm Products Pvt. Ltd.
 Vice-Chairman, The Kavery Group of Institutions, Salem.

A Graduate of the illustrious Harvard University-tied up Sri Ramachandra Medical College, Chennai, Dr. Mathan is a proven leader, who builds respectful and empowering relationships with Principals, Faculty & Staff. He has been successful in making Excel Group Institutions blaze forth in the Technical, Medical, Arts, Siddha, Homeopathy, Naturopathy and other Paramedical Studies - crowned with a Multispeciality Hospital. He is a member of Erode Round Table, CII - Young Indians, Rotary Club of Komarapalayam, ISTE, MCI, etc.

Rtn. AKS N. Parvathy, AKS
 Founder & Managing Trustee
 SRET & EXCEL Group Institutions
 Komarapalayam

Rtn Mrs. Parvathi is a person who cares for the students, faculty and visitors with motherly affection. She ensures better interiors and infrastructure for efficient learning and productive working.

With her vision & coordination she has helped SRET to reach unmatched levels of excellence.

Salient Features

- Enhances every student's knowledge by training with highly qualified and experienced faculty members
- Provides stimulating environment to pursue research through creative learning and thinking.
- Well-established laboratories with advanced equipment and software packages such as XILINX, ISE, MATLAB 7, Tanner, OMNET++, NS2 SIMULATOR, MP LAB IDE, VMware Workstation, AUTODESK REVIT and CATIA.
- Labs tied-up with well-known industries to innovate ideas, design models and products.
- Automotive electronics lab exclusively sponsored and supported by Hyundai Motors Ltd, BMW and Ford Motors Ltd.
- Many research articles presented by faculty members are published in leading journals & conference proceedings.
- Empowerment of students through Workshops, Symposiums, Project Competitions, Conferences, Technical Quiz, etc.
- Value-Added Courses for better Placement & Industrial readiness
- Excellent Placement record in leading industries such as Hexaware, TCS, Accenture, One Bill Software, Tech Mahindra, Acies Global, CRI Pumps, etc.
- Green, Eco-friendly and Wi-Fi-enabled Campus
- Professional Societies, Clubs and Youth Forums to acquire leadership qualities, self-confidence & interpersonal skills
- Multifarious activities for the students through Entrepreneurship Development Cell, Career Guidance Cell and Research & Development Cell of the various streams
- State-of-the-art computing facilities with necessary licensed and open-source software.
- Bio-Signal & Image Processing Laboratory with Real Time Data Facility
- Hygienic Food Processing & Preservation for Food Technology

Excel Technology Business Incubator
 Sponsored by MSME (Micro, Small & Medium Enterprises) Govt. of India, New Delhi
AICTE APPROVED INSTITUTE FOR FOREIGN NATIONAL ADMISSIONS

FACULTY OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

COURSES OFFERED

B.E. Computer Science & Engineering
B.Tech. Information Technology
B.Tech. Artificial Intelligence & Data Science
B.Tech. Computer Science and Business Systems
M.E. Computer Science & Engineering
Ph.D. Computer Science & Engineering

SALIENT FEATURES

- Wi-Fi with modern computing and digital facilities
- IIT Bombay's Remote Centre for Coordinating Workshops, Seminars and Live Lectures organized by IIT Bombay
- Anna University-approved Research Centre for pursuing PhD in all domains of Computer Science and Information Technology
- Fund sanctioned to the tune of Rs.19 Lakhs for Research Projects and Skill Development
- World-class laboratories to give learning a practical dimension
- 20 MoUs signed with Industries
- Provides a very strong foundation in IT fundamentals for the future Versatile IT Professionals
- Students provided with hands-on training for soft skills, thus helping them to obtain easy placements
- Research works undertaken in thrust areas of Machine Learning, Artificial Intelligence, Internet of Things, Cyber Security, Full Stack Development, Cloud Computing, Data Science and Blockchain Technologies

VALUE ADDED COURSES:

Web Designing & Hosting
IOT & ROBOTICS
Cloud App Development
Network Management
R Programming
Advanced Java Programming
Data analysis & Representation
Machine Learning
Full Stack Development

FACULTY OF MECHANICAL ENGINEERING

COURSES OFFERED

B.E. - Aeronautical Engineering
B.E. - Mechanical Engineering
B.E. - Safety and Fire Engineering
M.E. - Aeronautical Engineering
M.E. - Thermal Engineering
M.E. - Industrial Safety Engineering
Ph.D. - Mechanical Engineering

SALIENT FEATURES

- Learner-centric, Industry-based Curriculum with provisions for specialization
- Stream-based electives and one credit course offered by Industry experts
- Mandatory Internships for Employability Enhancement
- Industry-powered Skill Development Centres
- Unique and Specialised Safety & Fire Engineering programme with excellent placement opportunity across the globe
- Professional Development Centre sponsored by HYUNDAI MOTORS
- 'Skill Next Program' powered by BMW
- 'New Model Programme' powered by FORD MOTORS
- Hands-on training on Safety and Fire equipment by industry experts
- Aeronautical Engineering empowered with skill-based educational system in Defence, Space Exploration and Aviation
- On-flight hands-on training through flights: Cessna, Mikoyan-Gurevich (MiG-21 and MiG23) and Douglas (DC3) available in the campus.

VALUE ADDED COURSES:

AutoCAD	Automotive Mechanisms
CNC Programming	Non-Destructive Testing
SolidWorks	Fire and Safety Management
CATIA	Drone Designing
Ansys	

FACULTY OF CIVIL ENGINEERING

COURSES OFFERED

B.E. Civil Engineering
B.Tech. Agricultural Engineering
M.E. Structural Engineering
M.E. Environmental Engineering

SALIENT FEATURES

- Modern Teaching Methodologies using CAD and ICT Tools
- Well-equipped Advanced Structural Engineering Laboratory for Academics and Consultancy
- On-Farm Agriculture Training through Modern Farm Equipment
- Tie-up with Professional Societies like Indian Concrete Institute and Indian Society of Agricultural Engineering
- Academic Distinctions by securing University Ranks
- Recipient of ISTE Best Project Awards for three consecutive years from 2017-19
- Grants received from reputed Funding Agencies like AICTE, DST, IITB, NPCIL, IEI and TNSCST
- MoUs with Government Departments, Training Institutes and reputed industries like NHAI, IMTI, CCCL, etc.
- Industrial Visits, In-plant Training and Industrial Projects with MoU-signed industries
- Students placed in various Government Departments like Public Works Department (PWD), Highways Department, Military Engineering Services, etc and Reputed industries like L&T, Modern Land Surveying Industry, Team Detailing Solutions etc.
- Exclusive Farm land to practice modern agriculture technology
- IOT enabled drip irrigation for water management

VALUE ADDED COURSES:

Auto CADD, Staad Pro, Revit Architecture, Primavera

Advanced Surveying Techniques using **Total Station**
Automation in Irrigation Engineering
Operations and Maintenance of **Farm Machinery and Equipment**

FACULTY OF TECHNOLOGY

COURSE OFFERED

B.Tech. - Petrochemical Technology
B.Tech. - Food Technology

SALIENT FEATURES

- State-of-the-art laboratory fitted with PRO-SIM Software.
- Logical Design Development Mechanisms
- Technologies for the easy extraction of crude oil within the economic boundary set.
- Hands-on study of techniques and activities which are involved in Preserving, Processing, and Manufacturing of food.
- Jobs in different domains such as food processing companies, Chemical industries, Government sector, Refineries, Research labs, and many more.

VALUE ADDED COURSES:

CHEM CAD; ASPEN PLUS; MATLAB and CFD
(Computational Fluid Dynamics)
Waste management and By-Product Utilization
Technique in Food Preservation
Safety and Quality Management

FACULTY OF ELECTRICAL, ELECTRONICS & COMMUNICATION ENGINEERING

COURSES OFFERED

B.E. – Electrical and Electronics Engineering
B.E. – Electronics & Communication Engineering
B.E. – Biomedical Engineering
M.E. – Power Electronics & Drives
M.E. – Embedded System Technologies
M.E. – Applied Electronics
Ph.D. – Information and Communication Engineering

SALIENT FEATURES

- ENIX Centre of Excellence
- Advanced Robotics Lab
- IETE, IEI, ISTE and BMES Professional Societies and Student Chapters
- Exclusive Renewable Energy Lab with 275KW of Solar Power Plant
- Integrated Medical Campus with Advanced Medical Diagnostic Instruments for Students' Training, Research and Internship

RESEARCH & DEVELOPMENT / GRANT / MoU

- Anna University Approved Research Centre with 6 Research Supervisors
- 25 Research Scholars Pursuing Ph.D.
- 200 Papers published in outstanding Journals, 7 Patents published and 19 Textbooks authored by faculty members
- Received Research Grant to the tune of Rs 30 Lakh
- MoUs signed with 10 Leading Industries

VALUE ADDED COURSES

- XiLink Tool Kit ▪ OMNeT++
- PLC SCADA & Real Time Systems
- Ultra Sound Scanner ▪ Solar Photovoltaic Panel Design
- MATLAB & SCILAB ▪ PSPICE ▪ ORCAD ▪ LATEX

EXCEL COLLEGE OF ARCHITECTURE & PLANNING

Approved by COA, New Delhi,
Affiliated to Anna University, Chennai

COURSES OFFERED

B.Arch. (Bachelor of Architecture)

M.Arch. (Master of Architecture - General)

ELIGIBILITY

- Pass in 10+2 with Physics, Chemistry and Mathematics with 50% Marks and 50% aggregate
- Pass in 10 + 3 Diploma in any Stream with Mathematics as a subject & with 50% aggregate
- NATA – A qualifying score in NATA conducted by the Council of Architecture or NTA (JEE)

Our Value-Added Courses to make our students fit for Global employment:

- AutoCAD
- Revit Architecture
- Sketchup
- Grasshopper
- Rhino
- Lumion

Employability:

Vast openings in – Architecture Firms, Corporate Companies, Iron and Steel Industry, Development and Planning Boards, Construction Companies, Housing Board, Electricity Board, Cement and Material Manufacturers

Additional Empowering:

Presentation Skill Development, Public Speaking Training & International Competitions

Salient Features

- No.1 institution for Masters Programme in Architecture in the region, comprising the Districts of Salem, Namakkal, Erode, Dharmapuri, Karur and Tiruppur
- B.Arch. graded 8.2 / 10 by User Preview nationwide
- Well-equipped Computer Lab
- High-precision facilities for Plotting
- Material Museum with a vast collection of modern Construction Materials
- Spacious Climatology Lab
- State-of-the-art Model-making Studio with 3D Printing facilities
- Spread out Construction Yard with Construction Equipment
- Captivating Art Studio
- Global presence of Alumni in different Sectors with fulfilling network

FACULTY OF MANAGEMENT STUDIES & COMPUTER APPLICATIONS

Master of Business Administration (2 Years)

Master of Business Administration - IEV (2 Years)

(Innovation, Entrepreneurship & Venture Development)

Master of Business Administration - Integrated (5 Years)

ELIGIBILITY

MBA (2yrs) & MBA IEV* (2yrs) Any UG degree with minimum 50% for OC & 45% for other categories

MBA (5yrs): Pass in +2 with 45% marks in +2 or equal

MBA specializations:

Functional Choices

- Marketing
- Finance
- Human Resource
- Information Technology in Business
- Operations

Sectoral Elective

- Agriculture
- Business Analytics
- BFSI
- Consulting
- Digital Marketing
- Entrepreneurship
- Event Management
- EXIM Trade
- Food & Beverages
- Hospital & Healthcare
- Hospitality & Tourism
- Infrastructure
- Logistics & supply Chain
- Retail

Being an Autonomous Institution, the programme aims at escalating the potential of the student and modeling them for success in the challenging global business scenario

MBA in IEV

The MBA in IEV is a unique programme initiated by the MHRD'S Innovation Cell, Govt. of India & approved by AICTE, New Delhi. We are one among the very few institutions in India offering this programme.

MBA in IEV is aimed at enabling students to become successful entrepreneurs. MBA in IEV is supported with Excel Technology Business Incubator (Excel - TBI) is a technical facility for innovations, developing technologies, products, services, prototypes testing in real time

INTEGRATED MBA (5 YEARS)

Excel is one among the very few institutions in the country offering this elite 5-year MBA programme. It is an integration of Graduate and Postgraduate programmes in management coupled with industry driven curriculum enabling progressive learning along with intensive training, familiarizing with industry 4.0 platform

Master of Computer Applications Course Duration: 2 YEARS

Master of Computer Applications

Course Duration: 2 YEARS

ELIGIBILITY

Any UG DEGREE with minimum 50% for OC & 45% for Other

Category

Must have studied Mathematics at 10+2 level or graduation level

MCA COURSE BENEFITS

- The demand of top MNCs to hire MCA qualified candidates increased from 2019 onwards.
- The pay scale of MCA-qualified candidates has been hiked in Private as well as in the Govt. Sector.

MCA: Specializations

- Business Systems
- Big Data Analytics
- System Design & Development
- Cloud Computing
- Augmented Reality
- Artificial Intelligence
- Machine Learning

MBA & MCA

Scholarship Guidance for SC/ST Students

- Tie-up exists with more than 150 companies to get 100% On-Campus placement offer
- Well-established Computer Lab with latest configuration
- Value Added Courses for MCA: on PHP, MYSQL, Java, .net & Linux

Job Opportunities:

MCA

- Software Developer
- System Analyst
- Hardware Engineer
- Data scientist
- Web Designer & Developer
- Software Consultant
- IT Architect
- Cloud Architect
- Cyber Security
- .App Developer
- IT Professional
- Business Analyst

MBA / MBA - IEV / MBA 5 YRS

- CEO/COO
- Entrepreneur
- Business Consultant
- Business Analyst
- Customer Executive
- Planning Manager
- Investment Analyst
- Finance Controller
- Human Resource Manager
- Venture Development Officer
- Venture Director
- Customer Relationship Manager
- Lead Analyst – Financial
- Manager in Banking
- Credit Manager
- Revenue Analyst
- Corporate Head
- Project Manager
- HR Generalist
- Technical Head
- Training Manager
- Client Financial Manager
- Business Intelligence Manager

DIPLOMA IN ENGINEERING & ITI

Approved by AICTE, New Delhi, Affiliated to DOTE, Chennai

2/3 YEAR POLYTECHNIC DIPLOMA COURSES

Civil Engineering

Mechanical Engineering

Automobile Engineering

Electrical & Electronics Engineering

Electronics & Communication Engineering

Chemical Technology

The biggest field for the growth of our Nation - Vast scope for development

Diploma in Technician – X-Ray Technology*

The most sought-after course today ensuring immediate employment

Diploma in Fire Technology & Safety*

Essential Course, serving as a backbone of every industry providing enormous opportunity

1 /2 YEAR ITI COURSES

Plumber - 10th appeared
Mechanic - 10th Pass
Electrician - 10th Pass

Authorised Skill Development Training Center for **PMKVY Courses**

1. Mobile Phone Hardware Repair Technician
2. Junior Software Developer
3. Automotive Electrical Level 4

TNSDC Courses

Helper Electrician
Plumber (Maintenance & Service)

*
**For the very first time in Tamil Nadu:
Pioneer Courses Launched
in the Academic Year – 2021**

**AICTE Approved Institute for
Foreign National Admissions**

Special Emphasis on Sports & Games
(Students won IPAA Basketball Championship
for 4 consecutive years & Cricket)

Salient Features

- High-profile polytechnic college with modern infrastructure
- Fully computerized lab facilities with latest software
- Well-qualified and experienced faculty
- Spacious and smart class rooms
- Sophisticated hostels separately for boys and girls
- All types of food menu for students coming from various parts of India
- Specially structured communication lab for improving English language
- Excellent sports ground with floodlight facilities
- Full fledged library with numerous books on all subjects
- Scientific and innovative management programs
- Polytechnic students have unlimited access to VKR Mega Library for expanding the domain of their knowledge
- 100 percent placement for all willing students
- Regular and consistent campus interviews by highly reputed companies
- Guidance for Higher Education

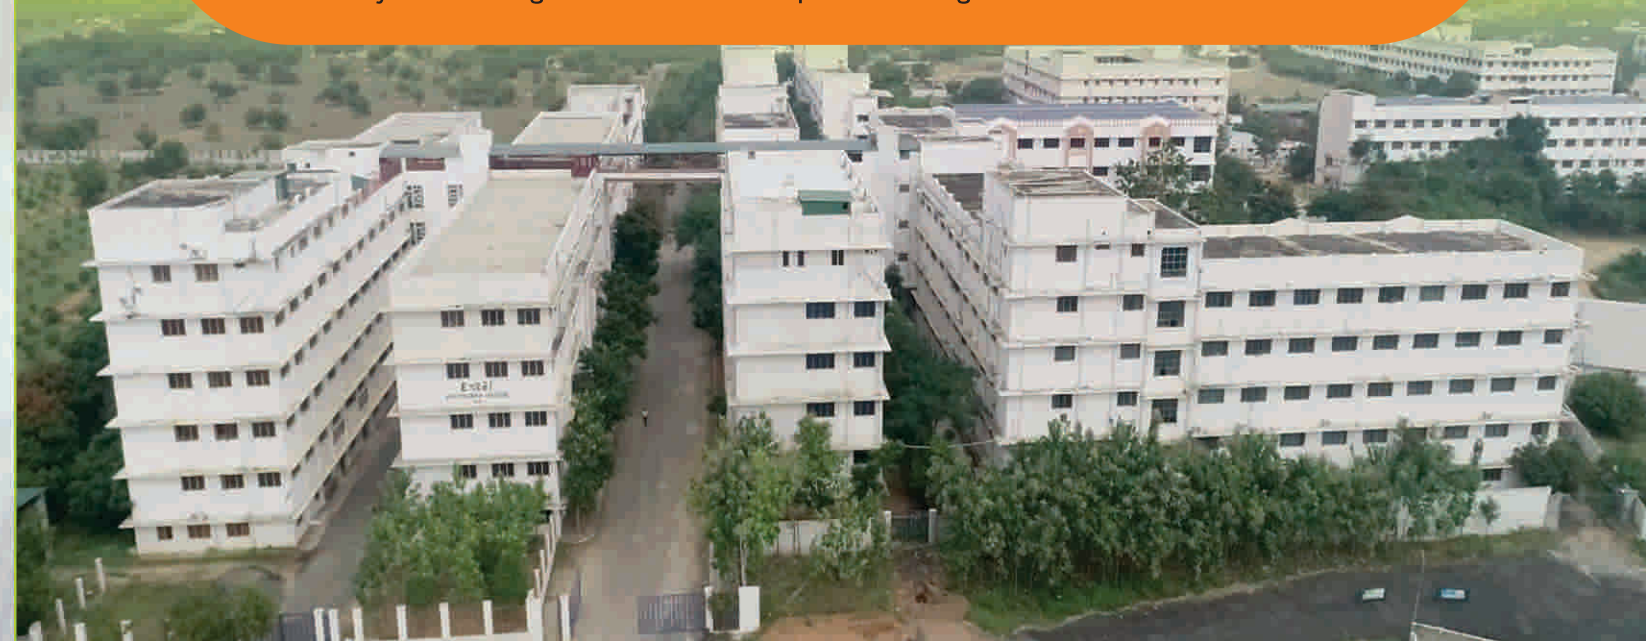

By providing education to students from 14 States of India, Excel Polytechnic has become an educational hub to empower men and women in the technical sector to meet the needs of Industry. Institution has hosted numerous seminars, Tech-Expos, Sports and Games events. We are proud to have hosted the 57th State Level Sports Meet at the Excel Grounds.

Excel has a conducive atmosphere needed for the students to develop their know-how and technical skills with the aid of most modern infrastructure and well qualified faculty. The fee structure is affordable and all who complete their studies are well placed for course-related jobs or pursue higher studies in the same field.

Excel Polytechnic College continues to march ahead by admitting students hailing from North and North-East India, as well as from the SAARC Nations.

Our class rooms and labs are spacious and well equipped to give the students a hands-on experience of all that they need to learn and implement at their work spots. EPC has carved a niche for itself in the Technical Map of this South Indian State and the Ranks secured by our students year after year bear ample witness to this. Excel Polytechnic College held the Presidentship of IPAA during the Year 2013 – 2014.

EXCEL COLLEGE FOR COMMERCE AND SCIENCE

**Approved by the Govt. of Tamil Nadu &
Affiliated to Periyar University**

SALIENT FEATURES

- Tremendous growth at the curricular and co-curricular areas since inception
- Attainment of excellence in Education with a Pass Percentage of 96 % in the University Exams
- Rising as a leader among the Higher Education Institutions in the District
- A spectacular growth from 260 students in 2018 to 2100 students (Arts & Science) in 2022
- Took leadership as a Higher Education Institution promoting Social Uplift, Blood Donation, Medical Camps, Health Awareness Rallies, etc, in and around Komarapalayam Taluk
- NSS funded Units under Periyar University
- Innovation, passion and the right technique for making learning effective and fun-filled
- Overall development and welfare of the students through Co-Curricular & Extracurricular activities
- Numerous feats and triumphs achieved by students in Academics and related endeavours
- Periodical Faculty Development Programmes to make the faculty members innovate the right technique of imparting knowledge effectively
- A state-of-the-art infrastructure to give the students best of all the possibilities under a team of experienced and dedicated educators
- Combination of National and International students foster multi-culturalism & Internationalism among them

UG Courses offered

Arts Stream

- B.A. Tamil
- B.A. English

Commerce Stream

- B.Com.
- B.Com. (CA)
- B.Com. (A&F)

Business and Computer Applications

- B.B.A.
- B.C.A.
- B.Sc. Computer Science
- B.Sc. Data Science

Maths & Science Stream

- B.Sc. Mathematics
- B.Sc. Physics
- B.Sc. Microbiology
- B.Sc. Biochemistry
- B.Sc. Visual Communication
- B.Sc. Clinical Laboratory Technology
(First Time in this region)

Textile Stream

- B.Sc. Costume & Fashion Design
- B.Sc. Textile & Fashion Designing

PG Courses offered

- M.A. English
- M.Com.
- M.Sc. Computer Science
- M.Sc. Microbiology

Job Opportunities for Commerce Stream Graduates:

- Auditors, Actuaries, Banking, Business Consultancies, Educational Institutes, Investment Banking, Public Accounting Firms, Treasury Department, Merchant Banking, Budget Analyst, Stock Brokers, etc

Job Opportunities for BA Graduates:

- Advertising, Law, Broadcasting, Journalism and Mass Communication, Library and Information Science, BPO units, Govt Services
- Film Editing and Direction, Graphics and Printing Industry, Social Work, Teaching Profession, Tourist Guide, Public Planning, International Relations, etc

- Software Development, IT, Banks, Government Departments
- Entrepreneurship/Own Business,
- Finance Managers, Financial Analyst,
- Human Resource Managers,
- Investment Banker, Investment Broker
- Investment Analysts, Marketing Managers
- Market Researcher, Personal Financial Advisors
- Stock Brokers, etc.

Job Opportunities for Maths and Science Stream graduates:

- IT, Banks, Government Departments
- Data analyst. Physicist, Physics researcher
- Lecturer – Microbiology, Microbiologist
- Agricultural Research Services. Chemical Industry
- Film making, Editing, & Direction
- Graphics & Printing Industry

Jobs Opportunities for Textile Stream graduates:

- Apparel Construction Methods
- Computer-Aided Design, Current Global Fashion Trends, Design Process.
- Apparel Manufacturing Units.

VALUE ADDED COURSES

Type Writing Class. Effective spoken English
Mushroom Cultivation. Azolla Production.
Photoshop, Photo & Videography
NCFM Courses. Front Office Management
Tally with GST. CA Foundation
Tailoring, Garment Construction & Beautician
Vermi-compost production. Spirulina Production
Cloud computing. Python
Android-Software Development.

EXCEL COLLEGE OF EDUCATION & KANDHASWAMY COLLEGE OF EDUCATION

(Accredited by NAAC with 'A' Grade - Approved by NCTE, New Delhi; and affiliated to Tamilnadu Teachers Education University (TNTEU), Chennai)

B.Ed. College Established in 2006

M. Ed. College Established: in 2007

Courses Offered

B.Ed. 2 Years

M.Ed. 2 Years

Subjects offered Under B Ed Programme

- Tamil
- English
- Mathematics
- Physical Science (Physics/ Chemistry)
- Biological Science (Botany/Zoology)
- History
- Computer Science
- Economics
- Commerce

Achievements

- 3 Gold Medals in TNTEU Examinations.
- 1st Position in Namakkal District with regard to TNTEU Ranking
- National level seminars are being conducted every year.
- Published two books with ISBN through APH Publishers, New Delhi, titled "Quality Concerns in Teacher Education" and "ICT in Teaching Learning".
- Rotaract Club, Literary Association and Fine Arts Club Activities are organized for the all-round development of the student teachers.
- Yoga and Meditation classes; Multi fitness Gym and Indoor & Outdoor sports facilities provided.
- TET Coaching Classes conducted by the Members of the Excel Faculty.

SALIENT FEATURES

- The Colleges of Education by SRET are directly under the control of CENTRE FOR TEACHING AND LEARNING (CTL) managed by Director - CTL, who with his team of experts imparts all the knowledge of international teaching practices to reach the student-teachers for applying them in their future classrooms.

EXCEL COLLEGE OF PHARMACY

Courses

D.Pharm – 2 Years

B.Pharm – 4 Years

B.Pharm(Lateral) – 3 Years

Pharm.D – 6 Years

M.Pharm(Pharmaceuticals) – 2 Years

M.Pharm(Pharmacy Practice) - 2 Years

Recognized by:

The Government of Tamil Nadu; affiliated to
The Tamil Nadu Dr. MGR Medical University, Chennai
and approved by the Pharmacy Council of India (PCI),
New Delhi.

MAJOR DEPARTMENTS

- PHARMACEUTICS
- PHARMACOLOGY
- PHARMACOGNOSY
- PHARMACEUTICAL CHEMISTRY
- PHARMACY PRACTICE

SALIENT FEATURES

- Well-equipped Laboratories with sophisticated instruments & modern facilities & enriched library with e-journal facilities
- Student centric Teaching-Learning Methodologies
- Clinical Pharmacy Practice services in Multi speciality hospital
- Internship Training & Postings in speciality medical units
- Grooming the students with excellent employability skills and professional competency.
- Industry Institute Partnership with reputed Pharma industries, & research centers
- Dedicated student support system through Grievance Redressal Cell & SC/ST cell
- National Service Scheme (NSS) unit approved by TNMGRMU

ELIGIBILITY

DIPLOMA IN PHARMACY (D.Pharm.) :

A pass in the HSS Examination with Physics & Chemistry as compulsory subjects along with one of the subjects, namely, Mathematics / Biology / Botany & Zoology / Computer Science.

BACHELOR OF PHARMACY (B. Pharm.) :

A pass in the HSS Examination or its equivalent examination with Physics & Chemistry as compulsory subjects along with one of the subjects, namely, Biology / Mathematics / Botany & Zoology / Computer Science & obtained a minimum 40% marks for all candidates (at least 35% marks in the case of SC/ST category) in the above subjects taken together.

DIRECT SECOND YEAR BACHELOR OF PHARMACY (B. Pharm.) - Lateral Entry :

A pass in D.Pharm. course from an institution approved by the Pharmacy Council of India under Section 12 of the Pharmacy Act.

Pharm D : A pass in +2 Examination with Physics & Chemistry as compulsory subjects along with one of the two subjects, Biology or Mathematics or a pass in D.Pharm course with minimum 50% Marks

M.Pharm : A pass in B.Pharm Degree examination with minimum 55% Marks

Scholarships:

In addition to Educational Bank Loan, different types of Scholarships are available for Pharmacy students:

- First Graduate Scholarship,
- SC/ST Scholarship,
- Minority Scholarship and
- BC/MBC Scholarship.

MAJOR CAREER OPPORTUNITIES FOR PHARMACY GRADUATES:

- Research & Development
- Analytical R&D and Formulation Development (F&D)
- Manufacturing, Quality Control, Quality Assurance,
- Regulatory Affairs. Sales & Marketing
- Drug Inspector - Government Service. Academia
- Hospital / Clinical / Community Pharmacy
- Clinical Research. Medical Coding

EXCEL COLLEGE OF
PHYSIOTHERAPY
& RESEARCH CENTRE

B.P.T
4 Years Course
+ 6-Months Internship

Recognized by:
The Government of Tamil Nadu; affiliated to
The Tamil Nadu Dr. MGR Medical University, Chennai

SALIENT FEATURES

- Well-furnished classrooms with ergonomically designed seating facility
- Efficient staff specialized with various Doctoral Degrees
- Safely-ventilated rooms and halls with natural lighting
- Broad-band Internet connectivity
- Audio-visual display facility cum writing boards in every classroom
- Practice-couches for individual student
- Modern labs and clinical facilities.
- e-Library with more than 100 computers (support of more than 3000 books and e-books (e-consortium, The Tamilnadu Dr MGR Medical University)
- Tie up with various multi speciality hospitals
- Value added courses

Job Opportunities:

- Private Hospitals and Clinic
- Health Centers
- Research in the field of Physiotherapy
- School and Children Centers
- Nursing homes and Day centers of elderly people
- Charities and voluntary organization particularly those serving people with disabilities
- Sports clinics, Gym and professional
- Sports Club
- The Armed Services
- Faculty in Colleges
- Govt & Private Hospitals & Clinics

DEPARTMENTS

- Department of Electro Therapy
- Department of Exercise Therapy
- Department of Orthotics and Prosthetics
- Demonstration (manipulation and massage)
- Community Lab
- Psychometric Lab
- Walking school for exercise training
- Gait Rehabilitation
- Anatomy and Physiology Museum
- Cardio - Respiratory Department
- Stroke Rehabilitation Center
- Outpatient Department

Eligibility Criteria

A pass in higher secondary course with Physics, Chemistry, Biology or Botany and Zoology
Minimum 45% (PCB)
should be above 17 years of age
No upper age limit

SPECIALIZATIONS

- Paediatrics
- Neurology
- Hand Injuries
- Neurology
- Geriatrics
- Cardio respiratory
- Orthopaedics
- Sports physiotherapy
- Gynecology
- Manipulation and Mobilization

EXCEL SIDDHA MEDICAL & RESEARCH CENTRE

B.S.M.S Bachelor of Siddha Medicine & Surgery

5½ Years (4½ Years + 1 year of
Compulsory Rotatory Internship)

Recognized by:
**The National Commission for Indian System of
Medicine, New Delhi**

Salient Features of the Hospital

- 60 Bedded Hospital with 6 special OPD External Therapy Units, attached with modern nutrition Kitchen
- Treatment at Nominal cost
- Treatment for diseases related to Diabetes, Hypertension, Hemiplegia, Osteo arthritis, Rheumatoid arthritis, Infertility & Skin diseases
- Regular Free Medical Camps at peripheral areas
- Varmam Therapy
- Yoga Therapy
- Thokkanam (Massage), Chuttigai and other external Therapies

Salient Features of the College / Course

- Spacious buildings with all infrastructure facilities
- Well equipped Classrooms & Laboratories
- Regular seminars, workshops, CME & other personality development activities
- Research Guidance & Project work
- Central Library with Digital facilities
- Well maintained Herbal gardens
- Fully equipped medicine preparation Unit
- Field visits & Educational tours
- Modern Nutrition Kitchen

Lab/Investigation Facility

- Biochemistry Lab
- Micro Biology Lab
- X-Ray, ECG & USG Scan
- Siddha Diagnostics - Neerkuri & Neikkuri
- Fully equipped Operation Theaters

Salient Features:

- Siddha Medicine Pharmacy
- Central Library with Digital facility
- Well Equipped Ambulance
- Separate Hostel facilities for Boys & Girls

Inpatient Department with 60 bedded Hospital

Employment Opportunities:

- Post Graduation: Siddha Postgraduation degrees like MD in Siddha (6 various departments), Doctor of Philosophy (Ph.D.) – Clinical and Non-Clinical , M.Sc.(Anatomy), M.Sc.(Physiology), M.Sc.(Epidemiology), M.P.H.(Master of Public Health)
- Medical Officer/Consultant: In State Govt, Central govt, Private Sector and Own Clinic Establishment.
- Central Govt jobs: JRF (Junior Research Fellowship), SRF (Senior Research Fellowship), Project officer postings are offered by various Central Govt. Departments
- Teaching Opportunities: in State Govt, Central Govt. and Private Siddha Medical Colleges.
- Pharmaceuticals: Research, Drug development and Drug Production in Pharmaceutical Companies.

EXCEL HOMOEOPATHY MEDICAL COLLEGE

B.H.M.S Bachelor of Homoeopathy Medicine & Surgery

4½ Years + 1-year Compulsory Rotatory
Residential Internship (CRR)

The Innovative & Creative Facilitators of EPS

Our facilitators are well experienced, innovative & creative. They help the students to delve deep into their hearts and mind, to discover the creative potentials within them. The facilitators enhance the development of the students' talents by using a pedagogy based on discovery and inquiry, making their learning joyful one.

The students are connected to real-world problems and in that process, they get acquainted not only with their lessons but also with the world around them. This methodology is meant to cater the growth of each individual child to achieve his or her unique goals in life.

Our faculty is periodically trained to impart education in a professional manner so that the students are able to acquire the 21st century skills with high level adeptness. The Faculty Development Programmes for the teaching faculty ultimately promote the innovative capacity of the students.

Welcome to EPS

A sprawling 20-acre campus protected from the hustle and bustle of the city, overlooking a protected farm with domestic animals and vegetation. It comprises the best of both worlds, a state-of-the-art infrastructure for children to experience the extraordinary with the conserved farm giving a close connect with nature.

Excel Engineering College (Autonomous) - Main Block

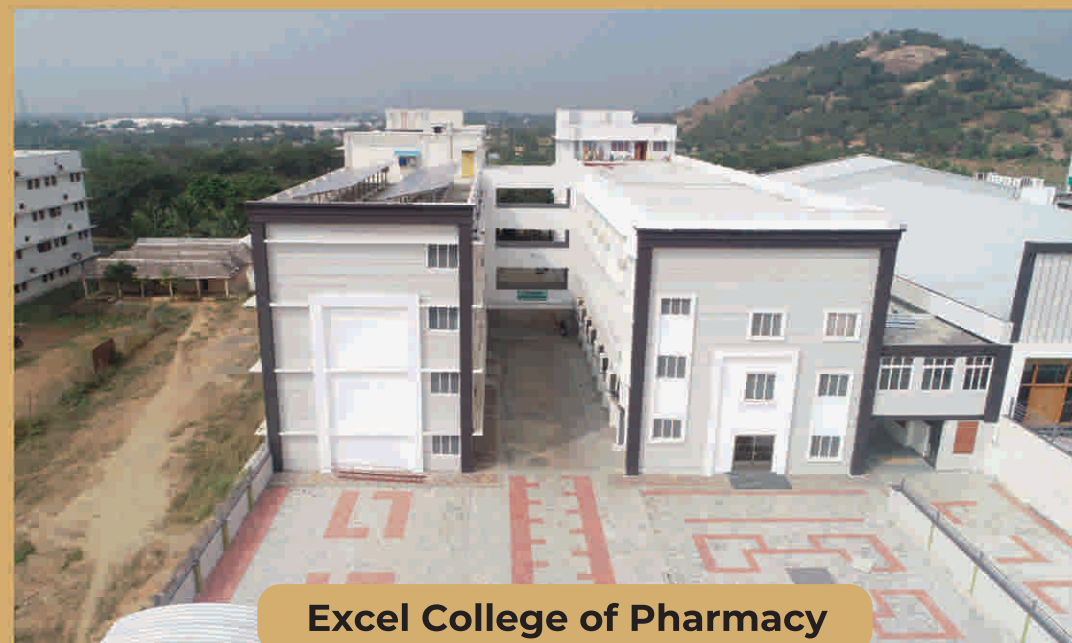

BIRD'S EYE VIEW INFRASTRUCTURE

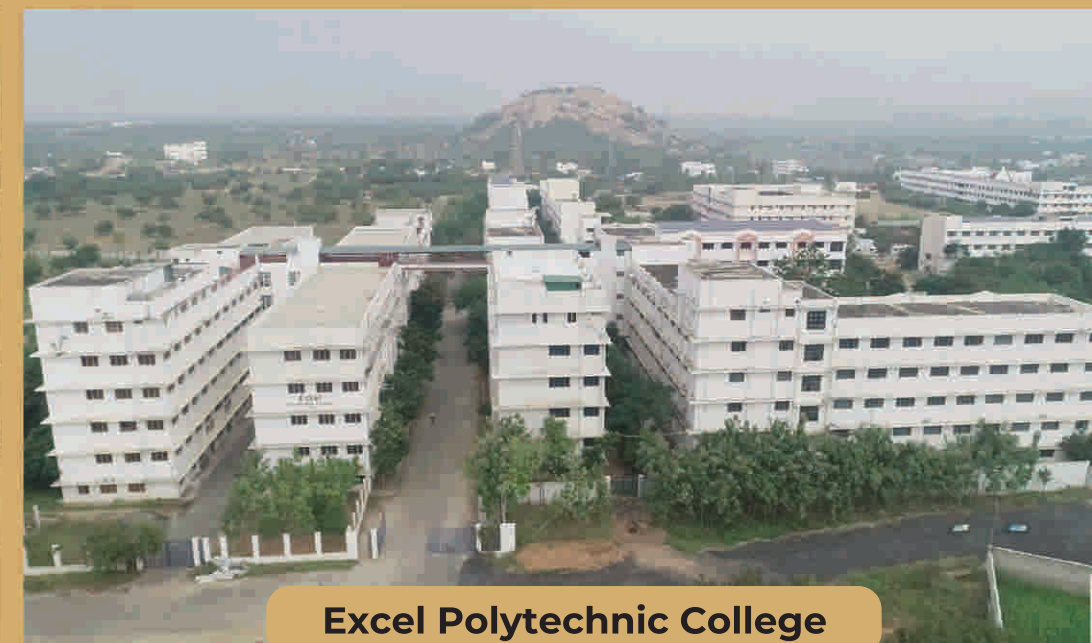

Architecture is a process as well as planning; a designing as well as constructing a space that reflects functional, social and aesthetic considerations. At Excel campus we have a state-of-the-art infrastructural extravaganza that gives excellent ambience for learning and innovation.

Excel is a green campus with abundant trees, lawns, flower plants and innovative elevations. Most modern labs with the latest machines and equipment as well as tools and gadgets make the learning a pleasurable experience. Solar Power is tapped by solar panels fixed on 4 rooftops with a capacity of 250 kW. Reverse Osmosis (RO) water purifiers are installed to supply safe drinking water to everyone in the campus. And full-fledged Naturopathic, Homeopathic, Siddha as well as Physiotherapy hospitals renders service to the needy.

A Welcome Block at the Main Gate to host the guests; Food Courts to supply tasty snacks & soft drinks; Cosmetic Stores, Beauty Saloons, Multi Gyms, ATMs, Coffee-Day coffee vending machines and vast play grounds make the life at Excel get a feel of Home away from Home. A Hindu temple welcomes you at the gate and we provide Prayer Halls for students of other religions. The floodlit basketball courts attract and train sportsmen. All hostels are well secured and comfortable, and they are situated inside the campus.

TRAINING AND PLACEMENT

BEGINNING FROM PRE-FINAL YEAR ITSELF

ACHIEVE YOUR LIFE GOALS
@EXCEL

The aim of the Training and Placement Cell is to ensure for every graduate a promising career of their choice for which the team creates industry-ready professionals who will achieve their goals.

The Department of Training and Placement interacts with reputed organizations all over the country for arranging campus interviews for the placement of the final year students. It takes all the efforts to send most of the students for internship to enhance their technical ability and to give them an exposure to the practical world. Various activities are carried out to make them better employable and industry-ready as per the current corporate demands and providing facilities to students to take up competitive examinations like GATE, IES, IELTS, TANCET, etc.

Industry Institute Interaction Programme for better industrial exposure is the speciality of Excel Group Institutions in this regard.
