## **Women Harassment Cell:**

### **About the cell**

In compliance with the Supreme Court Judgment and guidelines issued in 1997 to provide for the effective enforcement of the basic human right of gender equality and guarantee against sexual harassment and abuse, more particularly against sexual harassment at work places the University Grants Commission (UGC) has issued circulars since 1998 and insisting the enactment of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal Act -Sexual Harassment Act in April 2013) to all the universities, advising them to establish a permanent cell /committee and to frame guidelines to combat sexual harassment, violence against women and ragging at the universities and colleges. It has further advised the universities to be proactive by developing a conducive atmosphere on the campus, where the women are respected and they are treated with dignity. As per the guidelines of UGC and the recommendation of the Anna University a Committee against Sexual Harassment/ (ICC) Internal Complaints Committee at Excel Polytechnic College have been established to provide a healthy and congenial atmosphere to the staff and students of the College.

This includes all forms of gender violence, sexual harassment, and discrimination on the basis of sex/gender. This also meets the obligation as mandated by the Supreme Court of India, in its landmark judgment in August 1997 viz., *Vishaka & others vs. the State of Rajasthan & others* which stated that every instance of sexual harassment is a violation of “Fundamental Rights” under Articles 14, 15, and 21 of the Constitution of India, and amounts to a violation of the “Right to Freedom” under Article 19 (1) (g). This judgment makes it obligatory for every employer and other responsible persons to follow the guide lines laid down by the Court and to evolve a specific policy to combat sexual harassment in the workplace. Thus to ensure the above mentioned human rights, in our college has proactively established the Prevention of Sexual Harassment Cell (POSH) Cell.

### **Sexual Harassment-Definition**

According to the Supreme Court, sexual harassment is defined as “unwelcome sexually determined behavior such as”

- Physical contact and making advances.
- A demand or request for sexual favours.
- Sexually oriented remarks.
- Showing pornography.
- Use of electronic media (phone, internet, intranet) for perpetrating any of the above.
- Any other unwelcome physical, verbal, or non-verbal conduct of a sexual nature.

In short, the definition of sexual harassment is broad enough to include all kinds of offensive, hostile, intimidating, humiliating and exploitative language, gestures and conduct.

#### **The Role of the cell:**

- Prevent discrimination and sexual harassment against women, by promoting gender amity among students and employees.
- Deal with cases of discrimination and sexual harassment against women, in a time bound manner, aiming at ensuring support services to the victimized and termination of the harassment.
- To ensure that appropriate action is taken against the offender.
- To ensure that victims and witnesses are not victimized or discriminated because of their Complaint.
- To take proactive measures towards sensitization of the working and learning community on gender issues so that the University is an excellent work place for all.
- Recommend appropriate punitive action against the guilty party to the cell.

#### **Action**

- If informal methods such as telling the perpetrator to stop harassing do not succeed, the victim c
- A lodge a complaint through email or by a telephone calls to any of the members of ICC.
- The complainant's name and identity will be kept confidential.

## ENTREPRENEURSHIP AND INCUBATION CELL

Excel Polytechnic College takes pride in its Entrepreneurship and Incubation cell which characterizes itself as an organization continuously innovating to improve the quality and strategic scope of its activities among students who are dreaming to be successful entrepreneurs.

Under the Student Entrepreneurship Initiative, three stages will be recognized in the Entrepreneurship and Incubation process:

Stage 01	Ideation Stage – It is the process of generating, exploring, and evaluating new technology /business ideas that can give the business proposed by the student entrepreneur a competitive advantage
Stage 02	Teaming & Company formation – Team Formation is the key for an entrepreneur in commencing his journey before launching his own company
Stage 03	Prototype developed/ Business started – The working model or the prototype of the Technology Idea is to be developed and this is to be certified by the experts for commercialization or implementation.

It is through this cell, future entrepreneurs are identified and encouraged to take the world in their stride.

## **Anti-Discrimination Cell**

This is notified to all the staff members, faculty members, officers and the student community that instances of caste discrimination on the ground of social origin have come to the notice of UGC in higher education institutes in the country, which is in itself an illegal offence. So all should desist from such an act of discrimination .

The management appeals that official/faculty members should not indulge in any kind of discrimination against student of any community or category .

A committee has been constituted to have a close watch on non occurrence of such incidents.

The individuals/victim can register their complaints in the Complaints Register, in the Principal Office or office of registrar.
