## About EPC

Excel Polytechnic College imparts innovative Technical Education to the young and energetic students. Our college infrastructure is on par with international standards of Engineering Colleges. We offer three-year diploma in different courses. 100% placement in prestigious and mega companies is our great achievement. The students are trained from day one in which they are recruited on campus.

In order to match with the ever changing requirements of the industries, our students are exposed to the latest technological developments. They are trained in the areas of production and application of modern equipments, machines and latest technologies.

Our polytechnic college has a well equipped Modern Centralized Air conditioned Computer centre with facilities for training the students in latest languages and packages. Our college is located in sprawling area of over 60 acres beside National Highway (NH47), between Salem and Coimbatore i.e. on the way from Bhavani to Salem. It is situated 20 Km away from Erode Bus Stand and the railway station.

## About ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. At present, ISTE has a very large and an effective membership base consisting of more than 1,02,985 Life Members, 5,54,094 Student Members, 2410 Institutional Members (including IITS, IISc., NITs and other leading technical institutions), 1214 Faculty Chapters and 1322 Students' Chapters and 17 Sections throughout the country.

The Indian Society for Technical Education is a national, professional, non-profit making Society registered under the Societies Registration Act of 1860. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations. Being the only national organization of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The Ministry of Human Resource Development, CTE / DST / MIT / State Governments are well associated with the ISTE for programmes relating to technical education. The Headquarters of ISTE is located at New Delhi.

Major objective of the ISTE is to provide quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of high professional engineers.

## About CONVENTION

The 11<sup>th</sup> ISTE Tamilnadu Polytechnic Students Convention is a forum for the exchange of scientific and technical innovative concepts and the role of students in shaping it towards excellence. The convention provides a conducive ambience for both academic and industry to discuss technical advancements and to propagate innovations towards further evolution. Also, it facilitates academicians, comprises several technical events for the engineering / polytechnics students and thus brings them together a common workspace to converse and encourage their expertise for knowledge enhancement and for activation to meet the global needs.
