Hon'ble Chairman's Message

Resilience! It is the word that describes best the activities that went on in the Excel Medical Campus during the challenging times of Covid19. It is not only that the medical classes went on unaffected, but the management, faculty and students rendered yeoman service in and around the District of Namakkal to alleviate the

sufferings of people affected by the pandemic. More than that, they did all they could to prevent and suppress the spread of this dreaded virus by supplying ventilators, medical kits, additional beds and mattresses, masks in thousands, and in addition, organizing several vaccination camps. Providence and human care saw to it that the volunteering medicos are all safe and back to their Departmental Classrooms. I salute this spirit of RESILIENCE which has become a hallmark of Excel Medical Institutions.

As a part of CAB Programme aimed at creating awareness among the public, a COVID Appropriate Behaviour Programme Rangoli was made at Excel College of Pharmacy on 24th April 2021. It was designed by the Final B.Pharm Students, with the aim of creating awareness among people about the ongoing pandemic situation. Quotes like “Keep Social Distance”, “Wear Mask”, “Use Sanitizer”, “Eat Healthy Food”, “Consume safe drinking water”, etc. were made on the floor as a part of the awareness programme campaign.

Excel College of Pharmacy held a rally to raise awareness about the COVID-19 pandemic, along with the local police officials in Komarapalayam on 24th April 2021, and masks were distributed to the residents. The students urged the local people to wear masks, use hand sanitizers, clean their hands regularly, and maintain a social distance of 6 feet between them. Wearing a mask is the best means to protect oneself from the corona pandemic. The students also distributed stickers about the safety precautions and they were stuck in all the store fronts.
