**AICTE - ISTE**

Sponsored Online

## SIX DAYS INDUCTION / REFRESHER PROGRAM ON “HYBRID LEARNING FOR EDUCATION 5.0”

### Registration details

Registration Forms and other relevant instructions/updates can be downloaded using the following link or by scanning the QR code

**No Registration Fee**  
(or) <https://forms.gle/K1z4uKJe7eRoWy8d6>

### Contact us

Coordinator : 9787287722

Coordinator's : 9994585189, 9486644170

E-mail : [chiefiqac@excelcolleges.com](mailto:chiefiqac@excelcolleges.com)

### Important Dates

Registration Deadline	10.12.2021
Intimation of Selection	12.12.2021

### Note

Faculty Members and Research Scholars from AICTE approved Institutions, Persons from Government and Industry are eligible to attend the Programme.

## ORGANIZING COMMITTEE

### Chief Patrons

Prof. Dr. A.K. Natesan

Hon. Chairman, Excel Group Institutions

Dr. N. Mathan Karthick

Vice-Chairman & Secretary, Excel Group Institutions

### Patron

Dr. K. Bommanna Raja

Principal, Excel Engineering College

Executive Director, Excel Technical Campus

### Conveners

Dr. R. Nallusamy

Director (Administration), Excel Engineering College

Dr. S.P. Selvaraj

Director (Academic), Excel Engineering College

### Programme Coordinators

Dr. C. Karthikeyini

Professor, Head IQAC & Accreditation

Dr. S. Anbukaruppusamy

Professor & Head, ECE

### Coordinators

Prof. A. Anitha Rani Assistant Professor / ECE

Prof. V. Arun Antony Assistant Professor / ECE

Dr. K. Tamilarasi Associate Professor / ECE

Prof. M. Ramesh Assistant Professor / ECE

Prof. S. Theivanayagi Assistant Professor / ECE

## ABOUT AICTE-ISTE

The AICTE-ISTE Refresher Programmes are essential for teachers in technical institutions for their professional refinement with the objectives of

- Updating knowledge and improving organizational and pedagogical skills of teachers.
- Providing an opportunity for interaction and mutual exchange of ideas between teachers interested and/or working in particular areas of specialization.
- Providing an opportunity for teachers to familiarize themselves with modern engineering practices, including the latest technological advances adopted by industry by interacting with industry experts keeping in view the national needs and priorities and relevant technologies.
- Opening up before teacher's new vistas in technology at the frontier of knowledge and the challenges and opportunities ahead which provide to the dedicated and hard working.

## ABOUT THE INSTITUTION

Excel Engineering College (Autonomous) offers 11 UG programs, 6 PG programs and 3 Ph.D programs. The college is approved by AICTE, New Delhi, permanently affiliated to Anna University, Chennai. Also Accredited by NAAC with A+ grade and NBA (AERO, CSE, MECH & ECE). The college is dedicated to serve the nation by producing young, dynamic, energetic and far sighted industrious engineers.

## ABOUT THE PROGRAM

Present scenario of teaching learning process expects competency in collaboration, communication, problem solving and character qualities from students. As traditional learning fall short of skills what students need, there is a necessity for tremendous change of teaching & learning methodology, to meet the growing demand of technology and society. In higher education system, conventional way of teaching limitedly address the need of all students since the students are from multilevel and multi cultural background. Hence, to deal with the need of students and make them to equip with the qualities expected from industry and society, changes in the teaching & learning process are to be incorporated.

## OBJECTIVES OF THE PROGRAM

1. To Restructure the education based on Teaching, Applying, innovation, industrialization and community service
2. To equip the faculty members to choose flexible mode of content delivery for the diversified group
3. To train the participants to plan their course in face to face and online mode
4. To provide the form of education to bring out the best from the students
5. To promote independent learning time without scheduling

## TOPICS TO BE COVERED BUT NOT RESTRICTED TO

- Emerging Trends in E-Learning
- Life skill Enhancement
- Learning Methodologies
- Behavioral study of students
- Innovation Skills & Industry exposure
- Development of Leadership Qualities
- Teamwork for performance Excellence
- Teaching for diverse student population
- Developing professional attributes for OBE curriculum
- Learning management systems
- Student psychology
- Personality Development
- Stress Management
- New Education Policy

## RESOURCE PERSON

The course content will be delivered by Eminent Experts from renowned academic institutions.

## Note:

An online test will be conducted at the end of the program and E-certificates will be issued only to the participants who have attended the program with 100% attendance and have qualified with 60% of marks. Registration is based on first come first serve basis. Preference will be given for ISTE members.
