Technical Campus News Bulletin

Vol. VI; Issue 2; Periodicity: Quarterly; Apr - Jun 2022; Date of Issue: 01.07.'22

Chief Patron:

Rtn. Prof. A.K. Natesan, Hon. Chairman

Patron:

Dr. N. Mathan Karthick, Vice-Chairman

Chief Editors:

Dr. K. Bommanna Raja, Executive Director

Dr. N. Sengottaiyan, Director - Technical

Dr. D. Thomas Mathew, Professor / English

Editors:

Dr. S. Anbu Karuppusamy, Director - Administration

Dr. C. Karthikeyini, Director - Academics

Dr. J. Simon Arun Barath, Director, CTL & Principal, ECE

Dr. R. Vimal Nishant, Principal, ECCS

Ar. K.P. Balamurugan, Principal(i/c), ECAP

Mr. A. Subramaniam, Principal (i/c), EPC

Dr. B. Adhinarayanan, HoD, EBS

Mr. D. Gurubatham, AP/English

Hon. Chairman's Message

Quite a few of my old students have approached me to be given a piece of advice or two. But it does not come naturally to me to give advice. I prefer to keep my eyes open and give some directions when and where it is needed. Similarly, in all my speeches on a stage I prefer to dwell upon the achievements attained so far. This is because for me the 'mantra' for achieving success is WALKING THE TALK.

I am reminded of the above maxim because recently some Ministers and Central Legislators came forward for a Yoga Walk – up the hill in a forest. There is no alternative for hard work. Great accomplishments were made by great men by dint of their hard work late into the night when most of their compatriots were fast asleep. And I have noticed that a spirit of hard work has to be developed by oneself - not imbibed from somebody else. My advice to you is to refrain from seeking advice: instead, look within yourself. Find some good traits within you that can be built upon. Fortune favours the brave who dare to act, rather than the mediocre ones who find time only for discussion. May you savour the sweetness of hard work and find satisfaction in doing work - expecting the ultimate reward for it from God alone...

- Prof. A.K. Natesan

EEC/22/II/01

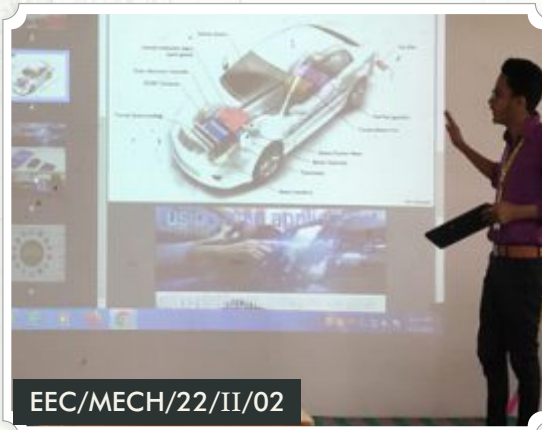

Excel Engineering College (Autonomous) celebrated World Day of Music on 21.06.2022, keeping with the observance of this international event. The Fine Arts Club offered a chance to all the musicians in the College Campus to perform at any place of their choice. Their performances were recorded and the best performers were awarded prizes.

The Management of Excel Engineering College came forward to congratulate the organizers who gave a chance to the students to shine in their particular fields and experience a sense of satisfaction.

Sujan Danuwar of Civil Year-III won the prize in the Wind Category of Instrumental Music. K. Deva of Mech Year-III won the prize for the Percussion Category. Chemang Tamang of Agri Year-II won the prize in the Strings Category. And M. Nishalini of Agri Year-III won the Prize in the Keyboard category. Certificates were awarded to the best performers in each category.

The Dept. of Mechanical Engineering's MACHINE WARRIORS ASSOCIATION along with CADD CENTRE™ organized an Awareness Programme on “How to Approach Competitive Exams”, on 2nd April, 2022 at 10:00 am at Paavaiammal Hall. Dr. N. Mathan Karthick, Vice-Chairman, Excel Group Institutions, presided over the function, and Dr. K. Bommanna Raja. Principal, Excel Engineering College & Executive Director, Excel Technical Campus, felicitated the gathering.

Dr. K. Anbukaruppusamy, Director - Administration, Excel Engineering College, addressed the gathering. Dr. C. Karthikeyini, Director Academics, Excel Engineering College gave some valuable tips to the students present. Mr. M. Nandhakumar, Assistant Professor handled effectively the session on 'Approaching Competitive Exams'. 137 students from Year-II to Year-IV participated in the event and benefitted from it.

EEC/MECH/22/II/02

12 students of B.E. Civil Engineering, Year-III, participated in CHAKRAWAR'22, a National Level Inter College Meet organized by the Department of Information Technology, M. Kumarasamy College of Engineering, Karur, on 07.04.2022. 5 Year-II Students and 15 Year-III students participated in the Technical Events GAZEBO-2K22 organized by the Department of Civil Engineering, Erode Sengunthar Engineering College, on 22.04.2022. Sanjay Kumar and Glory Gifta of Year-III B.E. Civil Engineering participated and presented a Paper entitled “Utility of Irrigation in Drought-hit Areas” in the Third International Conference on “Innovations in Thermal, Manufacturing, structural and Environmental Engineering (ICITMSEE'22) organized by Department of Mechanical and Civil Engineering, Kongunadu College of Engineering and Technology, Trichy from 22.04.2022 to 23.04.2022.

EEC/CIV/22/II/01

EEC/CIV/22/II/02

The Dept. of Civil Engineering organized a Skill Development Programme on "Creative Learning in Mechanics of Structures" by Mr. S. Arunkumar AP/Civil on 2.4.2022 - F/N. Mrs N. Mythily, AP/Civil, Department of Civil Engineering, Excel Engineering College, conducted the programme on 'Highway Geometric Design' on 2.4.2022 - A/N.

S. Sasikumar, AP/Civil, organized a hands-on training on “IS Code Book” & Site Visit on “Road Construction” on 23.04.2022. The students learnt for themselves the techniques used in Road Construction, which is one of the main components of Civil Engineering.

The students gathered notes and snaps of equipment and chartered for themselves the way laying and tarring of roads was done.

C. Arundoss & S. M. Sakthivel APs/Civil organized a Hands-on Training on “Modern Surveying Equipment” on 07.05.2022. The students who were explained the theoretical aspects in the class had a first-hand experience in measuring and surveying land in various kinds of terrain.

The students were prepared to do their work in different climatic conditions and were instructed about the precautions they had to take while surveying.

Sripriya Selleswari of Year-III, Civil Engineering, participated in SAHAA'22 a National Level Technical Symposium at Erode Sengunthar Engineering College organized by its Department of Civil Engineering on 29.04.2022. She was awarded a Special Appreciation Certificate for the Paper she presented on the occasion.

PARTICIPATION IN SEMINARS & FDPs by FACULTY MEMBERS OF CIVIL ENGINEERING:

- 1) Dr. S. Shanmugasundaram Prof., Civil, participated in a Webinar titled “Short Panel Concrete Pavement” organized by Ultratech Cement Limited on 30.04.2022.
- 2) Ms K. Poornima, AP/Civil, Mr. S. Arunkumar AP/Civil, Ms D. Mythili, AP/Civil and Ms N. Mythily, AP/Civil participated in the Webinar titled “Repair & Maintenance of Residential and Non-Residential Buildings” organized by the Dept. of Civil Engineering, Erode Sengunthar Engineering College, on 07.04.2022.
- 3) Ms. D. Mythili, AP/Civil, attended the Keynote address in the National conference on Recent Advancements in Geotechnical Engineering (NCRAG'22) organized by Karpagam Academy of Higher Education, Coimbatore on 06.04.2022
- 4) Ms K. Poornima, AP/Civil participated in the Technical Quiz organized by Dept of Civil Engineering, Dr. N.G.P. Institute of Technology, Coimbatore, from 11.04.2022 to 16.04.2022.

N. Mythily & D. Mythili, AP's/Civil, organized the National Level Technical Symposium Technozer-2022 on 13.05.2022. The Chief Guest, Er. Rajan Ramprasath, M.E. (CEM), Senior Engineer, Sandhiya Developers, Coimbatore, spoke in detail about the challenges posed to engineering human resource due to the growth in technology. However, he said that civil engineering works could now be speeded up for taking up more and more construction works for the progress of the nation, as well as for innovations in this field.

EEC/CIV/22/II/07

EEC/AGR/22/II/01

The Department of Agriculture Engineering, Excel Engineering College (Autonomous) organized a one-day Government Exam Guidelines Programme on 02.04.2022. The Guidelines programme commenced at 10.00 am with a welcome address By Dr. G. Vijayakumar, Professor & Head, Dept of Agri, EEC. Dr. Anbu Karuppusamy, Director/Admin delivered the Felicitation Address.

The Chief Guests: S. Navin, Seed Inspector, TN Govt, Erode, and Mr. R Suresh, Managing Director, TBCA TNPSC, guided the students about the methodology of facing Govt Examinations. A total of 156 students and 7 Staff Members benefitted from this programme that offered guidelines.

The Department of Agriculture Engineering, Excel Engineering College (Autonomous), organized a Guest Lecture on "Design and Applications of Drone in Agriculture" on 02.04.2022. The Guideline Programme commenced at 7:00 pm, and Dr. G. Vijayakumar, Professor & HoD, delivered a Felicitation Address. Chief Guests Mr. J. Jeffrey Jackson Raj, UAV Research Engineer and Pilot, HLD Airpon Company, Spain & Alumni (2014-2018: Department of Aeronautical Engineering), spoke of the various possibilities of using Drones in Agriculture.

The programme concluded at 09:00 pm with a vote of thanks proposed by Mr. C. Manoj Prabhu, Assistant Professor, Department of Agriculture Engineering. A total of 156 students and 7 faculty members participated and benefitted from this event.

EEC/AGR/22/II/02

EEC/AGR/22/II/03

The Department of Agriculture Engineering, Excel Engineering College (Autonomous) in Collaborate with Tamilnadu Forest Department and Rotaract club of Salem (RI-Dist 2982) organized the Awareness Programme - "Save Forest" on 09.04.2022, along the Yercaud Forest side. The Awareness programme commenced at 10.00 am with an address By Rtn. Manikandan, PDRR, Rotaract Club of Salem. Dr. G. Vijaya Kumar Professor and Head, Dept of Agriculture Engineering, EEC, delivered a Felicitation Address. The Chief Guest, Mr. M. S. Rajkumar, Division - 13 Councilor, Asthampatti, Salem, spoke of the plastics hazards to the participants and after that the plastic cleaning programme began.

The programme concluded at 04:00 pm with a vote of thanks by Rtn. Balachandar, PDRR, of the Rotaract Club of Salem. 3 members of the Staff and 54 Agri students of Excel Engineering College participated in the programme along with another 15 external participants.

The Department of Agriculture Engineering, Excel Engineering College (Autonomous), organized a Student Refreshment Tour on 22.04.2022, to the Global Market, Texvalley, Erode. The students had a chance to see the various types of cotton garments manufactured from natural cotton obtained from the cotton plants grown mainly in Tamil Nadu and Gujarat.

The students numbering 57 along with 2 staff numbers had an opportunity to know the price of various textile items manufactured in the Tex City of Erode as well as in the neighbouring Districts.

The Department of Agricultural Engineering, Excel Engineering College (Autonomous), organized a one-day GATE Exam Guidelines Programme on 23.04.2022. The Guidelines programme commenced sharply at 10.00 am with a welcome address by Mr. C. Manoj Prabhu, AP/Agri, EEC. Mr. Logachandran, AP/Agri, introduced the Chief Guest, Dr. G. Vijayakumar, Professor & Head, Dept of Agri/EEC, who delivered the Keynote Address. Mr. V. Bharath. AP/Agri, EEC, guided the students, 121 in number, about cracking the GATE Examinations.

The Guideline programme concluded at 01.20 pm with a vote of thanks proposed by Mr. S. Ramesh Kumar, Assistant Professor, Department of Agriculture Engineering, Excel Engineering College (Autonomous). A total of 5 Staff Members were present to facilitate the programme.

The Department of Agriculture Engineering, Excel Engineering College (Autonomous) organized a one-day Personality Development Session on 23.04.2022. The Guidelines programme commenced at 02:00 pm with a welcome address By Mr. V. Bharath, AP/Agri, EEC. Mrs. R. Saranya, AP/Agri introduced the Chief Guest. Dr. G. Vijayakumar, Professor & Head Dept of Agri, EEC, delivered the Keynote Address.

Mr. C. Manoj Prabhu. Assistant Professor, Dept of Agriculture Engineering, Excel Engineering College (Autonomous), Komarapalayam, guided the students about their Personality Development.

The Programme concluded at 4:30 pm with a vote of thanks by Mr. V. R. Vellingiri, Assistant Professor, Department of Agriculture Engineering, Excel Engineering College (Autonomous). The Participants who benefitted from this programme numbered 121 students, along with 5 Staff Members.

The Department of Agricultural Engineering, Excel Engineering College (Autonomous), organized a one-day GATE Exam Guidelines Programme on 23.04.2022. The Guidelines programme commenced sharply at 10.00 am with a welcome address by Mr. C. Manoj Prabhu, AP/Agri, EEC. Mr. Logachandran, AP/Agri, introduced the Chief Guest, Dr. G. Vijayakumar, Professor & Head, Dept of Agri/EEC, who delivered the Keynote Address. Mr. V. Bharath. AP/Agri, EEC, guided the students, 121 in number, about cracking the GATE Examinations.

The Guideline programme concluded at 01.20 pm with a vote of thanks proposed by Mr. S. Ramesh Kumar, Assistant Professor, Department of Agriculture Engineering, Excel Engineering College (Autonomous). A total of 5 Staff Members were present to facilitate the programme.

The Department of Agriculture Engineering, organized a National Level Technical Symposium (GRAES-2K22) on 07.05.2022. The event commenced at 10:00 am. In his Felicitation Address, Dr. G. Vijayakumar, HoD of Agri, introduced the office bearers of GRAES. The Chief Guest, Dr. P. Alagesan, Senior Scientist & Head, Indian Council of Agricultural Research (ICAR), KVK MYRADA, Erode, enthused everyone with his keynote address.

In the National Level Technical Symposium, there were several events like Paper Presentations, Poster Presentations, Technical Quizzes, and Technical Connections. They enhanced the students' technical knowledge and provided them a platform to exhibit their talents in teamwork, leadership, time management, event organization ability, etc. 7 Staff Members, 182 Internal Students and 124 External students totaling 313 benefitted from this symposium.

EEC/AGR/22/II/09

EEC/AGR/22/II/10

The Department of Agriculture Engineering, Excel Engineering College (Autonomous) organized an Industrial Visit to Sakthi Sugars Ltd., Appakudal, Bhavani (Erode Dist.) on 13.05.2022. Through this visit the students came to learn about Agriculture related activities going on in Sakthi Sugars. And they got a first-hand knowledge about processing being done in Industries. 66 students accompanied by 5 Staff members took part in this Industrial Visit.

The Department of Agriculture Engineering, organized a National Level Technical Symposium (GRAES-2K22) on 07.05.2022. The event commenced at 10:00 am. In his Felicitation Address, Dr. G. Vijayakumar, HoD of Agri, introduced the office bearers of GRAES. The Chief Guest, Dr. P. Alagesan, Senior Scientist & Head, Indian Council of Agricultural Research (ICAR), KVK MYRADA, Erode, enthused everyone with his keynote address.

In the National Level Technical Symposium, there were several events like Paper Presentations, Poster Presentations, Technical Quizzes, and Technical Connections. They enhanced the students' technical knowledge and provided them a platform to exhibit their talents in teamwork, leadership, time management, event organization ability, etc. 7 Staff Members, 182 Internal Students and 124 External students totaling 313 benefitted from this symposium.

EEC/AGR/22/II/11

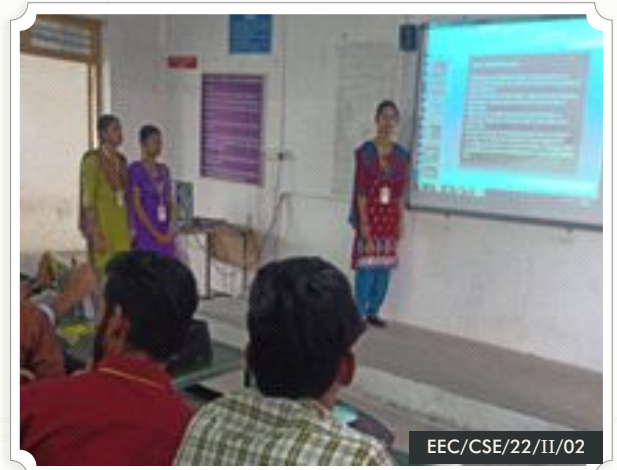

EEC/AGR/22/II/11

The Department of Agriculture Engineering, Excel Engineering College (Autonomous) organized an Industrial Visit to “National Institute of Food Technology Entrepreneurship Management” (NIFTEM), Thanjavur. on 20.05.2022. Through this visit the students came to learn about the Agri related activities going on in the “National Institute of Food Technology Entrepreneurship Management” (NIFTEM), Thanjavur. They observed the various processing works going on in Food Sector Institutes. 66 students and 5 Staff members took part in this Industrial Visit.

The Department of Agriculture Engineering's Green Grow Agricultural Engineers Society (GRAES), in Association with Green Club and Swachh Bharat, Excel Engineering College, organized an "Awareness Programme on Soil Conservation" on 23.05.2022 for the public, in the presence of Dr. S. Anbukarupusamy, Director-Admin, Dr. G. Vijayakumar, HoD/Agri, and all the Staff Members. On this occasion, the Staff Members and the Students were given awareness about Conserve Soil to the Public and made a human chain along National Highway -544.

The Dept of Computer Science and Engineering organized an Awareness Programme on Cashless Transaction in Kuppandalayam Village in Komarapalayam Taluk on 02.04.2022. The volunteering students of the Dept explained about the modes of cashless transaction like Google Pay and Phone Pay and their advantages in detail. The villagers were happy and got benefitted for their financial transactions.

The Department of Computer Science and Engineering under the leadership of the HoD, Dr. T. Ravichandran, organized an Idea Presentation on "Blockchain and Cybersecurity" on 23.04.2022. Several students came forward to share their ideas on the above topic and all the students of CSE got benefitted.

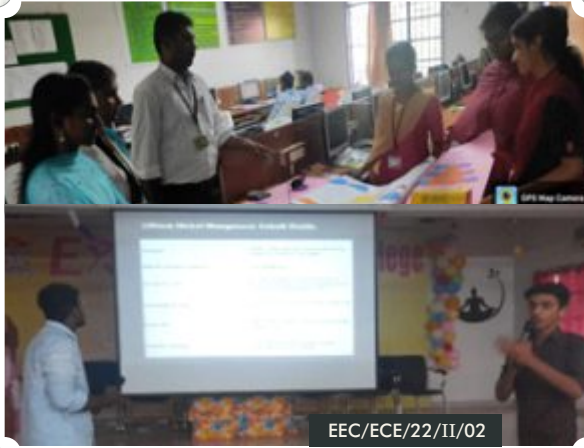

The Department of CSE organized A National Level Technical Symposium on 31.05.2022. Various Technical and Non-Technical Events were conducted. Numerous Participants from other colleges in addition to those of the Dept. of CSE attended and drew benefits from the Symposium. The Resource Person was Dr. K. KADIRVELU, Scientist – 'F' & O-i-C DRDO - BU Centre for Life Sciences, Ministry of Defence, Govt. of India.

The Department of Computer Science and Engineering organized Guest lecture titled "Contemporary Progress in Industrial Standards" by Mr. V. Sasikumar, Project Manager, L&T Infotech on 09.04.2022. The students of the Department had a chance to interact with the resource person and get benefitted.

The Department of Electronics and Communication Engineering conducted the National Level Technical Symposium “Froptranz 2022” on 01.06.2022. Chief Guest of the function was Mr. V. Thiyaagu, Chief Admin, Indian Info Tech, Research & Training Centre, Namakkal.

A Poster Presentation Contest and Technical Quiz was conducted by the Department of Electronics and Communication Engineering on the occasion of the National Level Technical Symposium “Froptranz 2022” on 01.06.2022. A Paper Presentation Contest was held in connection with the Celebration, and Certificates were distributed to the Prize Winners as well as to the Participants.

The faculty and students of the Department of Electrical & Electronics Engineering, organized its Association Inauguration & a Seminar on ELECTRICAL CAD SOFTWARE on April 02, 2022. The Seminar Guest Lecture commenced with the Keynote Address by Mr. Harry Andruess, Design Engineer, C-CUBE Technologies, Erode. This Guest Lecture provided the students an opportunity to gain ample knowledge about CAD SOFTWARE.

EEC/EEE/22/II/02

The Department of Electrical & Electronics Engineering, Excel Engineering College, arranged an Industrial Field Visit on April 23, 2022. The students and faculty members of the 2nd and the 3rd Years were involved in the field visit. The idea behind this field visit was to gain knowledge about solar PV modules manufacturing like Mono Crystalline Modules, 60 Cell Module, HST60FXXXM, Multi Crystalline Module, BIPV Modules, etc.

An MOU Signing ceremony was organized by the Department of Electrical and Electronics Engineering, Excel Engineering College, on 07th May 2022. The Resource person was Mr. V. Kaveenkumar, Managing Director, Sky Solar's. Erode. The MOU SIGNING CEREMONY was followed by the students' interaction session by SKY SOLARS, Erode.

EEC/FT/22/II/01

The Department of Food Technology organized a one-day activity on Food Brand Advertising on 23.04.2022. Ms E. Nivetha, Assistant professor, Department of Food Technology gave a lecture on food brands. The students participated actively and made their own brands.

The Food Products presented by students included Potato chips, Instant biriyani mix, Instant rasam cubes, Greenleaf wafers, Diabetes energy drinks, etc. The Award for the Best Presentation went to the Greenleaf Wafer presentation done by the 2nd year students. No of students who stood benefited was 53, and they were accompanied by 4 faculty members.

The Dept of Food Technology organized a Cookery competition at its Food Technology laboratory on 01.06.2022 from 2:30 to 4:00 pm. The theme was: "Cooking without Fire" and the students from the Departments of Mech, Aero, Agriculture, Food Technology, Computer Science, AIDS, Petrochemical and Biomedical took part bringing their own ingredients. At the end of the event, the students learnt the spirit of teamwork, and culinary skills. The aim of the activity was also to provide a platform for students to showcase their talent and explore new areas of interest.

The students prepared healthy dishes like Cucumber Avocado Rolls, Papaya Salad, Butterfly Pea Lemonade, Cashew Paan Delight and many more easy and quick recipes. They served the dishes in an artistic and aesthetic way. Each team prepared 3-4 items which included a drink, snacks and a dish of their choice. The judges for the day were Dr. P. Muthusamy (HOD-FT), Mr. Habeebur Rahman, AP/FT who judged on the basis of presentation, cleanliness, teamwork and the taste of food. The show ended with the prize distribution ceremony, and the winners were- 1st Prize - EEE (2nd year); 2nd Prize - Biomedical (3rd year) & 3rd Prize - Food Technology (1st year).

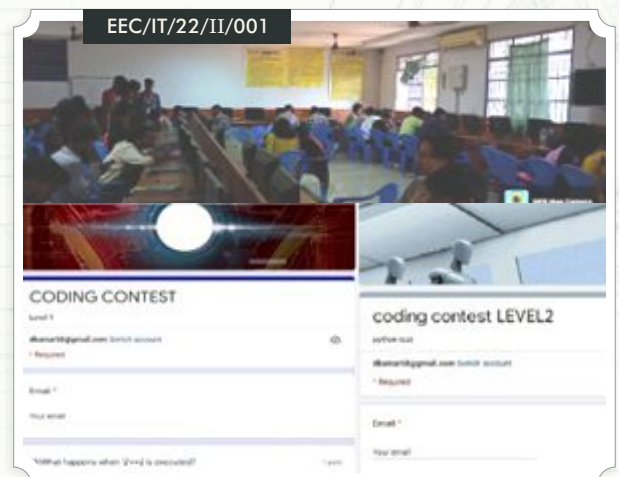

EEC/FT/22/II/02

EEC/S&F/22/II/01

Excel Engineering College's, Department of Safety and Fire Engineering, & Safety Professionals Association of India (SPAI) organized a Hands-on training Programme on "PPE Kit, Exhaust Gas Analyzer and Lock Out/Tag Out" on 09.04.2022 at 2 pm to 4.30 pm. The venue was the Safety & Fire Engineering Laboratory. It was conducted by Prof. Mr. S. Saravanakumar Assistant Professor, Department of Safety and Fire Engineering.

P. Dineshkumar, AP/IT, Excel Engineering College, organized a special session on Coding Contest Using Python on 02.04.2022, for the students of IT, Year – II, III & IV. The programming competition using Python involved the host presenting a set of logical or mathematical problems, known as puzzles, to the contestants (who can vary in number) and they are required to write computer programs capable of solving each problem. All the 36 students who attended this special programme benefitted from it and were enabled to perform complicated tasks.

EEC/IT/22/II/001

EEC/IT/22/II/02

The Department of Information Technology, EEC, arranged for an Alumni Interaction on Career Prospects of Information Technology. The event was held on 09.04.2022 and the students of Year-III & Year-IV. Mr. N. Tamilarasan, an Alumnus of Excel Engineering College (Dept of Information Technology) who passed out in 2016, and who is now the Senior Developer, of Design Pluz, in in Australia, was the Chief Guest. The Chief Guest impressed upon the minds of the students of the avenues that lay ahead of them upon the completion of the course that they were pursuing.

The Department of Information Technology/EEC, organized a Swachh Bharat Mission Tree Sapling Planting Programme along with the Department of Computer Science and Engineering on 07.05.2022. Mr. M. Vadivel, HoD/IT, Excel Engineering College, led the programme along with Dr. T. Ravichandran, HoD of Computer Science Engineering. Everyone, including the lady faculty members, took their turn in planting the saplings, with the volunteering students watering them.

EEC/IT/22/II/03

EEC/IT/22/II/04

The Depart of Information Technology, EEC, organized a National Level Technical Symposium on 31.05.2022, in the APJ Abdul Kalam Hall. The programme began at 10:00 am and the HoD, Prof. Vadivel introduced the Chief Guest, Mr. M. G. Baskar, Technical Head, HCL Technologies, Chennai. In his keynote address, the Chief Guest spoke of Artificial Intelligence going to play a crucial in the Information arena. About 150 students from various institutions took part and benefitted from the symposium.

The Department of Information Technology, EEC organized a twin National Level Workshops on 31.05.2022, the first being introducing the participants to Internet of Things (IoT). The Chief Guest for the event was Mr. G. Palanivelrajan, AI Developer, Novitech R&D Pvt Ltd, Coimbatore. The Second National Level workshop was on Digital Marketing. The Chief Guest, Mr. M. Madhan Babu, Digital Marketing Executive, IPCS Digital, Salem, gave the Keynote Lecture and all the participants found it extremely useful.

EEC/IT/22/II/05

During this Quarter, The Green Club of Excel Engineering College conducted an Activity called One-Day Idea Presentation on "Sustainable Practice for Green & Healthy Campus" in connection with World Health Day [April 7, 2022] in association with Swachh Bharat of Excel Engineering College. 6 Presentations out of 10 were shortlisted and one was awarded as Best Idea Presentation. Mrs. Mythili, AP/ Civil took the initiative to give the students of Civil Engineering and Agricultural Engineering come forward and express their ideas and thus give their contribution for making our Earth Greener.

The Green Club of EEC organized a Sapling Planting Programme on behalf of Students of Computer Science and Engineering and IT department in A1 Block in association with Green Club & Swachh Bharat of Excel Engineering College on 07.05.2022. 25 students and faculty members participated in the programme.

The Dept. of Biomedical Engineering under Dr. B. Balasubramanian (Professor and Head) and Dr. Saroj Kumar AP's/BME, organized a National Level Technical Symposium BIOPACS-2022 on 03.06.2022. The Chief Guest, Er. L. Sathya Narayanan., Radiological Safety Officer & Head of RadQ Services, Salem, spoke in detail about Radiological Technology's importance in human diagnostic field and quality services-related details. However, he said that patient diagnosis and treatment relies on installing, testing, calibrating and repairing biomedical equipment; training users; and maintaining safe operations.

New equipment is approved by conducting tests, ensuring adherence to codes and making modifications. The biomedical engineer can help in the development of the nation, as well as in innovations in the health-care field.

The Department of Biomedical Engineering, Excel Engineering College (Autonomous), arranged an Industrial Visit and Tour on 29.04.2022, to the Pasteur Institute, Coonoor, India and to the Botanical Garden, Ooty. Pasteur Institute of India, Coonoor, is one of the leading Institutes in the production of Anti-Rabies Vaccine and DPT Group of Vaccines for the Expanded Programme of Immunization by Government of India. Fifty students of Year-III & Year IV along with 2 staff members, namely, Dr. Saroj Kumar, AP/BME and Ms. Jini Thomas, AP/BME made this visit.

The Department of Biomedical Engineering, Excel Engineering College (Autonomous), arranged a Students' Industrial Visit and Tour on 23.05.2022, to the Institute of Bioinformatics and Applied Biotechnology (IBAB), Bangalore, India. The students had a chance to see and learn about the various types of instruments used in Pathology and Microbiological and Bioinformatics laboratory. 56 Students of 2nd Year BME along with 2 staff members made this visit to the Bioinformatics Institute. The students also made a visit to the Lalbagh Botanical Garden.

The 8th International Yoga Day

Celebrated at

Excel[®] ENGINEERING COLLEGE (AUTONOMOUS)

Komarapalayam - 637303, Namakkal District

On 21st June 2022, under the auspices of

ALL INDIA COUNCIL FOR TECHNICAL EDUCATION (AICTE)

Komarapalayam, 21.06.2022. Excel Engineering College (Autonomous) has been following the directives of AICTE, New Delhi, to highlight the importance and greatness of Yoga to promote world peace and harmony by the effort of all the students to attend the online classes imparted by AICTE from 2nd June to 15th June.

The Principal, Staff and Student-volunteers of Excel Medical College of Naturopathy & Yoga conducted a mammoth Yoga Session for the students of EEC consisting of 300 boys and 200 girls from 9:30 am to 12:30 pm with the Principal - Dr. K. Bommanna Raja; HoD - Dr. V. Arul Murugan; and Prof./Eng – Dr. Thomas Mathew making arrangements for this celebration cum practice session with the blessings of our Hon. Chairman, Prof. Dr. A. K. Natesan and that of our Vice-Chairman, Dr. N. Mathan Karthick. The venue was Excel Convention Centre (A/C) that could conveniently accommodate all the students.

The student volunteers (both girls as well as boys) of Excel Medical College of Naturopathy and Yoga rendered yeoman service by coming to the aid of students who were new to Yogic Exercises.

Dr. K. Vibhas, the Principal of EMCNY, had a mesmerizing impact on the students who went on asking for more Yogic Asanas till 12:35 in the afternoon; and they seemed more relaxed after more than two hours of Yogaasana practice. It was not only the students, but even the staff who expressed their wish to practise Yoga every day, despite their busy schedule – as they realized the value of this exercise that catered to their body, mind and soul.

- Dr. Thomas Mathew, Professor of English – for Excel Campus News Desk
