Hon. Chairman's MESSAGE

PROF. Dr. A.K. NATESAN

I have often noticed that people forget their quarrels and rivalry with the passage of time. That is something positive and appreciable. But it cannot be applied to the studies you do in various courses. Once an interviewer finds out that you have majored in a particular stream, you are sure to get a generic question about that field and you are expected to be specific in your answer, if you want to impress your interviewer. All cannot excel in every field. Similarly, you may not be a success in all what you do. Mistakes are bound to happen. But here is where your God given memory power should be put to good use. Fail in the exam, but learn the lesson. Remember that each and every person who has succeeded in life has done it by learning the lesson even after the initial projects were utter failures.

I wish that this year 2023–24 be the best for you by way of having gathered experience from your mistakes, from the truancy of climatic conditions, from unexpected disasters like the pandemic and the heavy target laid on you with limited time to catch up; but with a determination on your forehead that you can and you will make it...

ExcelTM TECHNICAL CAMPUS NEWS BULLETIN

Chief Patron :

Rtn. Prof. Dr. A.K. NATESAN, Hon. Chairman

Patrons :

Dr. N. MATHAN KARTHICK, Vice-Chairman

Mrs. M. KAVIARASI, Director, Excel Public School (CBSE)

Chief Editors :

Dr. K. BOMMANNA RAJA, Executive Director

Dr. N. SENGOTTAIYAN, Director - Technical

Dr. K. SARAVANAN, Associate Professor / English

Editors :

Dr. S. ANBU KARUPPUSAMY, Director - Administration

Dr. C. KARTHIKEYINI, Director - Academics

Dr. J. SIMON ARUN BARATH, Director, CTL & Principal, ECE

Dr. R. YUVARAJ, Placement Officer

Dr. R. VIMAL NISHANT, Principal, ECCS

Ar. M. ARUN KARTHICK, Principal, ECAP

Mr. A. SUBRAMANIAM, Principal (i/c), EPC

Mrs. K. MALATHI, AP /English

VOL. 7 ■ ISSUE. 3

Periodicity : Quarterly Jul - Sep 2023 Date of Issue : 12.10.2023

The Department of Aeronautical Engineering and Tamil Mandram jointly organized a Speech Competition on Rocket Man Dr. A. P. J. Abdul Kalam for the students of the Municipal High School, Komarapalayam on the occasion of the Memorial Day of Dr. A.P.J. Abdul Kalam on 27.07.2023. It provided a platform to the young minds to showcase their talents in speech. The winners were appreciated and Dr. A.P.J. Abdul Kalam's books were given to the winners and gifts given to all the participants. Around 50 students participated enthusiastically.

The Department of Aeronautical Engineering conducted an Inter-department Sports Meet in College sports ground on 05.08.2023. The sports activity is to develop the intellectual, organizational and social skills like self-discipline, the ability to cope with criticism, leadership quality, and interpersonal communication, team spirit, sharing success and failure and accepting responsibility. The chess and outdoor game was conducted and appreciated all the participants.

The Department of Aeronautical Engineering organized the awareness program on Code of Conduct on 03.07.2023 for the 3rd & 4th year students to acknowledge the academic regulations for the academic year 2023-24. The regulations were discussed on Minor and Major courses, Fast Track, Elective papers (Professional and Open), Club activities, NPTEL course and Internship. These courses help the students to build their knowledge and bridge the gap with their career goals.

The Department initiated and organized the awareness rally on Importance of Wearing Helmet while riding bikes on 25.08.2023 in Veppadai. This rally is to create awareness about the road safety and frequent accidents on the roads. The volunteers distributed pamphlets and brought awareness about the traffic rules. They also emphasized about the important slogans related to road safety- Wear Helmet, Don't use phone while driving, Don't drink and drive, Go slow to follow the traffic rules.

The Department of Aeronautical Engineering and Tamil Mandram jointly organized a Speech Competition on Rocket Man Dr. A. P. J. Abdul Kalam for the students of the Municipal High School, Komarapalayam on the occasion of the Memorial Day of Dr. A.P.J. Abdul Kalam on 27.07.2023. It provided a platform to the young minds to showcase their talents in speech. The winners were appreciated and Dr. A.P.J. Abdul Kalam's books were given to the winners and gifts given to all the participants. Around 50 students participated enthusiastically.

The Department conducted an awareness program on Environmental Pollution on 12.08.2023. Around 60 students participated actively in Speech, Poem writing, Drawing and Logo designing regarding the topic and they were highly appreciated for the way of creating awareness. This event provided a platform for the students to showcase their talents in different ways.

The Government of Tamilnadu instructed all the students to take oath on Exploitation of Drugs on 11.08.2023 at all the class rooms. It has created the awareness against the usage of drugs and its effect on health among the students.

The College celebrated Onam on 26.08.2023. The students of the department took part diligently in Onam celebration representing the equality in diversity. Hot and special lunch was prepared by all the Keralites and served to the entire college.

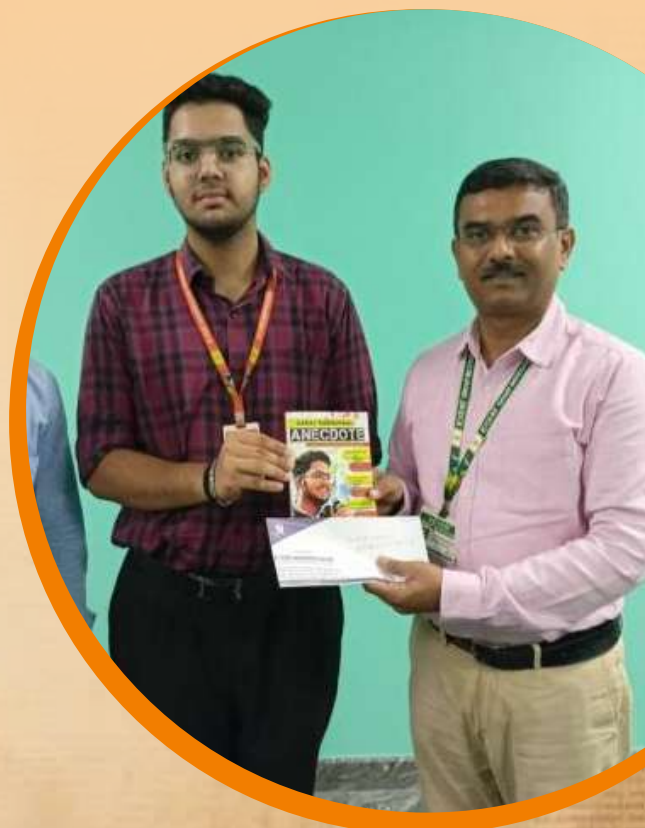

An Orientation program on Competitive Exams and Higher Education Cell was organized by the department of Aeronautical Engineering on 19.08.2023. 212 students from various departments participated in the program. The resource person delivered the lecture on UPSC, TNPSC and SSC Examinations and explained about the various recruitment processes of central and state governments. The examination pattern, eligibility criteria and syllabus preparation strategies were also discussed. The guest shared tips for succeeding in government examinations. He discussed about the important topics to be concentrated for winning in competitive examinations.

The Department of Aeronautical Engineering organized an industrial visit to ISRO situated in Mahendragiri on 30.08.2023. Students visited science museum where PSLV, GSLV and various types of engines which were explained by models and also they got the information about the propellants and oxidants used in cryogenic engine. They interacted with the guide to clarify their doubts and finally they visited the propellant testing area.

Mr. Sahaj Sabharwal of Final year student has published his third book titled '**ANECDOTE**'. The student has been motivated and rewarded of Rs.2000/- received from Dr.K.Bommanna Raja, Principal, Excel Engineering College.

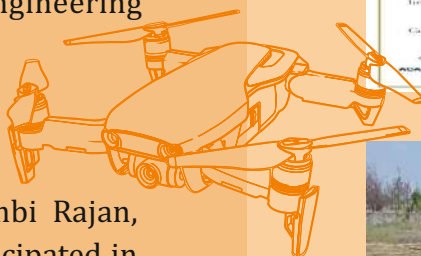

The Anti-ragging cell has conducted various events such as Slogan, Essay Writing, Poster making and logo designing. Around 20 students participated in the events and got prize during Anti-Ragging Week celebration conducted by our institution on 18.08.2023.

Mr. M. Sanjay, Assistant Professor has participated in 5 days AICTE recognized Faculty development program on 'Funding opportunities in Engineering'(ICT Mode) from 24.07.2023 to 28.07.2023 at National Institute of Technical Teacher Training and Research, Chandigarh.

Mr. N.Sreenivasa Raja, Mr.S.Prabhu, Mr.J.Senthil Kumar, Mr.S.R.Arun, Mr.M.Sanjay and Mr.R.Roopesh- Assistant Professors have participated in 5 day Faculty development program on 'Realizing the benefits of Academic Research' (ICT Mode) from 10.07.2023 to 15.07.2023 at Sree Sakthi Engineering College, Coimbatore.

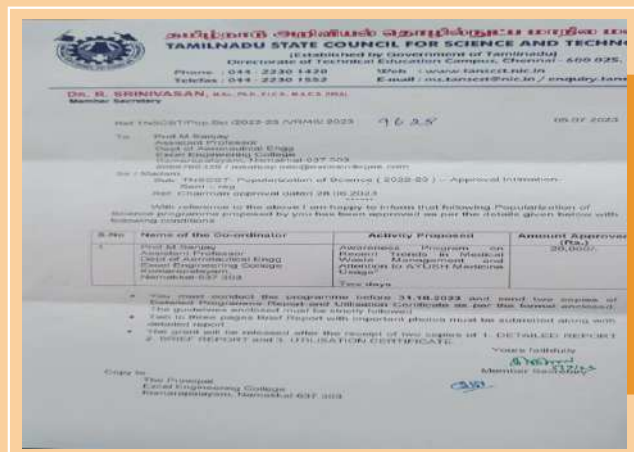

Mr.R.Nallappan and Mr.M.Nambi Rajan, Assistant Professors have participated in 5 days skill development on 'Drone Skilling and Training Program' from 24.07.2023 to 28.07.2023 at Garuda Aerospace Pvt. Ltd., Chennai.

Mr. Balasundaram S and Sanjay M, Assistant Professors have participated in a 5-day Faculty development program on 'Integrating Autodesk Fusion 360 in Engineering Subjects' (ICT Mode) on 26.06.2023 to 01.07.2023 at Lendi Institute of Engineering and Technology, Andhra Pradesh.

Mr. R. Roopesh, Assistant Professor, has participated in a 5-day Faculty development program on 'Project Design Engineering Using Fusion 360' from 26.06.2023 to 01.07.2023 by ICT Academy at KSR College of Engineering, Tiruchengode.

Mr. M. Sanjay, Assistant Professor, has been approved for the TNSCST-Popularization of Science scheme titled 'Awareness program on Recent Trends in Medical Waste Management and attention to AYUSH medicine usage' on 05.07.2023.

The Department organized a Workshop on Laboratory Maintenance at Aero hanger Lab in association with Center for Excellence in Aircraft Structure and Design on 11.09.2023. The experts from IND - Lab Equipment's delivered a practical demonstration about different types of calibrations, Calibration of Sensors, Calibration of Pressure gages to the non-teaching faculties and Practical sessions for Soldering and welding.

The Department organized an Awareness program on Space Mission Planning and Launch of Aditya L1 Mission at simulator Lab on 02.09.2023. This program gave students an opportunity to explore Space Mission and awareness on Space Launch Vehicle and Missions. By attending this awareness program on space missions lead to increased knowledge, inspiration, networking opportunities, and a deeper understanding of space Exploration. Around 47 students participated in the Awareness program.

The Department organized a Seminar on Entrepreneurship Opportunities in Overseas on 26.09.2023. The seminar aims to provide valuable insights and practical guidance on seizing entrepreneurship opportunities in foreign countries. This seminar will equip the students who are a seasoned entrepreneur looking to expand internationally or a budding business enthusiast with the knowledge and tools needed to succeed in the global area and around 132 students participated in the Seminar

The Department organized a Seminar on Innovative Introduction to Intellectual Property Rights (IPR), Importance of IPR in Modern Global Economic Environment on 02.09.2023. The resource person delivered the aspects on Research perspective in aerospace domain, Insights on IPR, Journal publications and R&D, Career opportunities and Startups. At the end of the session, students interacted with the resource person to clarify their doubts in the topic and the resource person motivated the students to enhance their design skills using any of the available software tools

A Workshop on Aerospace - Product Design and Development was conducted on 11.09.2023. The Students were trained under two software tools Ansys Workbench and Matlab on two sessions. Hands-On Workshops were also incorporated with practical exercises and allowing participants to apply theoretical knowledge in a real-world context. This enhanced their problem-solving skills and technical proficiency. Workshops included team activities. Collaborating with peers on these projects enhanced their valuable teamwork and project management skills. Around 120 students participated in the workshop.

The Department of Agricultural Engineering conducted Code of Conduct on 03.07.2023. The resource person addressed about the Do's and Don'ts inside the classroom and campus to the students community. He addressed about the Curriculum and Syllabi, Time Management, Punctuality, Discipline and other rules and regulations

. The Department of Agricultural Engineering, organized a one day National Seminar on 'Millet Innovations: Entrepreneurship Opportunities in Agro Millets and Food Products' on 19.08.2023. The Chief guest explained about the Revolutionization of old food habits to our new lives, Agri Start-Ups Overview, Govt. Policies and Support for Entrepreneurship Development and Farmer's Journey with Millets. He also stressed on the Processing and additional values of Millets and Challenges for Entrepreneurs in Millets. Technical Quiz was conducted to all the participants. Around 290 students participated in the event.

The Department of Artificial intelligence and Data Science organized a seminar on Nurturing the Young Minds to become an Entrepreneur on 26.07.23. The resource person motivated the students and shared the key points about starting and running a business gives you the opportunity to make a positive impact to become an Entrepreneur. Entrepreneurship is all about uplifting society, creating jobs in your local community or leading the way in sustainable business and showing others how to protect the environment.

The Department of Artificial intelligence and Data Science and National Service Scheme jointly organized an awareness rally on Effects of Seemai Karuvelan Trees on 21.07.23 at Malapalayam village. Students distributed pamphlets to the public and created awareness to them about the consequences of Seemai Karuvelan trees which is harmful for us and it cannot even shelter birds as it produces less oxygen and more carbon dioxide.

The Department of Artificial intelligence and Data Science organized Sports activity on 08.07.23. Students have participated in various sports such as cricket, football and also in indoor games and the winners were awarded. The sports activity is to refresh the young brains to concentrate on their studies and for self-motivation.

The Department organized World Wide Web day on 01.08.2023. Students presented their topics and innovative ideas about the usage of web, creating a Google meet and explained the features of Teams software, classroom and ways of uploading videos and shorts in Youtube. Students took part in the event with enthusiasm and

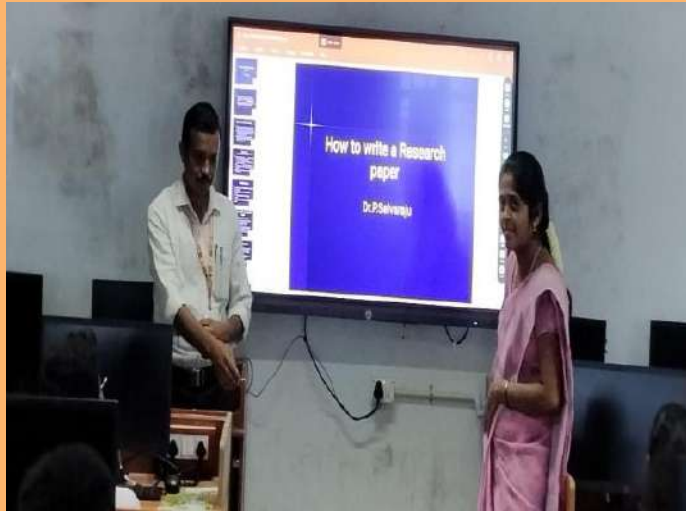

The Department of Artificial Intelligence and Data Science organized a Skill Development Programme for non-teaching faculties on 'Conversational English, Computer skills and Laboratory safety' on 04.08.2023. The resource person discussed about basic lab safety points and how to improve the communication and computer skills among them.

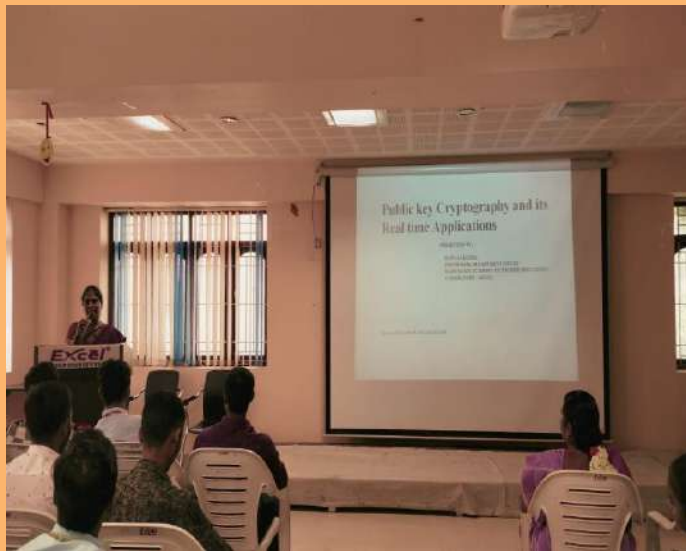

The Department of Artificial Intelligence and Data Science organized a seminar on 'The Power of IPR in the Digital Age' on 12.08.2023. The resource person motivated the students and shared the key points on Intellectual property rights which is essential for better identification, planning, commercialization and rendering.

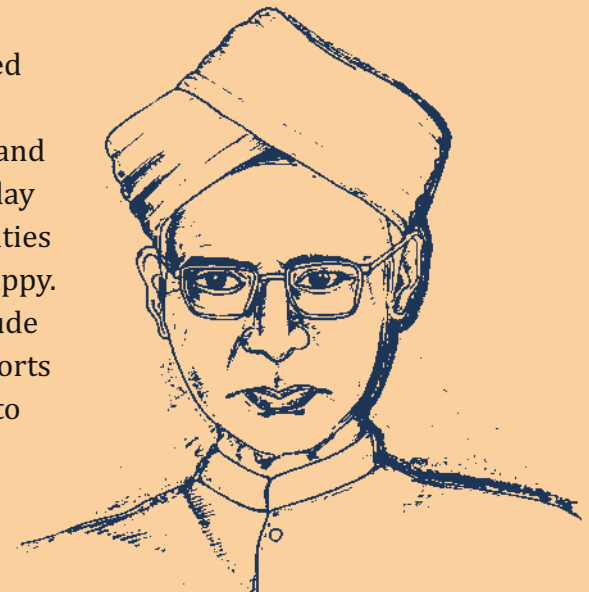

The Department of Artificial Intelligence and Data Science organized a Workshop on Research Paper Writing Made Easy: Practical Tips and Tools on 02.09.2023. The resource person motivated the students to prepare a qualitative research paper and shared step-by-step approach from the beginning till the end of a research paper. He emphasized on how to choose a topic, read and keep records, form a thesis and to create a mind map or outline and the final step to proof read and edit. The students got an idea about writing a research paper.

The Department of Artificial Intelligence and Data Science organized an Academic guest lecture on Public Key Cryptography and its Real time Applications on 04.09.2023. The resource person shared points about Public key cryptosystem by using digital signatures and data encryption. Digital signatures are the public-key primitives of message authentication. In the matter, it is general to use handwritten signatures on handwritten or typed messages.

The Department organized Teachers day celebration on 05.09.2023. The students of II, III and IV year participated in Teachers day function and they performed activities and fun games to make teachers happy. The students showed their gratitude towards the teachers for taking efforts and hard work of every teacher to shape the future of students.

An Awareness programme was organized on Pollution control by Minimizing the E-Waste 22.09.2023. The students participated in the competitions and presented on the topic as team and others participated in Drawing competition to unveil their artistic nature to create awareness on pollution by controlling the E-waste that are used by humans all over the world.

The Department of Biomedical Engineering organized MOU Signing Ceremony and a Guest Lecture On 'Roles And Importance Of Mechanical Ventilator in ICU' on 19.08.2023. The department had signed an MoU with Prashan Medical Technologies, Coimbatore. The Mutual Benefits were agreed on both sides like "Industrial Visit, Internship & Inplant Training, Guest lectures, Project work assistance, Research & Development and Placement assistance through the MoU. Around 185 students participated in the event.

The Department of Biomedical Engineering in association with Entrepreneurship development cell organized a Seminar on 'Idea to Innovation-Nurturing an Entrepreneurial Spirit' on 30.08.2023. The speaker has explained about various technologies existing in biomedical sector and how to develop business ideas and be an entrepreneur using these technologies.

The department organized Teacher's day celebration on 05.09.2023. The Teacher's Day celebration was a great and enduring occasion. It was planned by the students as a way to recognize and thank our dedicated faculty members who have contributed significantly to our students' academic and personal development.

The Department organized Skill Development program for Non-teaching on Advance your skills with MATLAB on 16.09.2023. The resource person delivered a brief insight about installation of MATLAB and details about various toolboxes like Signal Processing Toolbox, Image Processing Toolbox.

The Department conducted a Cancer Awareness Rally on 23.09.2023 in association with Rotaract Club. 120 students participated in the rally to prevent cancer and delivered about the cancer preventing food.

MATLAB Coding Contest was organized by the department entitled Code and Crack on 23.09.2023. Around 15 students participated in the contest and Vedhashini. Ron won the 1st prize and Mugesh. M won the 2nd prize.

A Seminar on Nutrient Diet to reduce the Heart Disease and Yoga Demonstration for Heart Health was conducted on 27.09.2023. The resource person delivered the importance of being conscious of the diet followed by everyone and also the yoga which prevents the heart diseases and improves the heart health. The session was very informative and useful for all.

Excel Engineering College organized an activity in association with Green Club & Swachh Bharat participated in the All India Council for Technical Education (AICTE) for Mass Tree Plantation Drive in 2023 from 01.07.2023 to 30.07.2023. The tree plantation drive had several positive impacts and benefits of increased green cover within the college campus and in their surroundings, improved air quality and carbon dioxide absorption, enhanced biodiversity with the addition of various tree species and heightened environmental consciousness among students and staff.

Excel Engineering College in association with Green club and Swachh Bharat, Young India, RRC and YRC jointly organized an Awareness talk towards Community and Youth led action on Climate Change, Water Conservation, Origin of Rivers, Kalingarayan embankment, the history of its canal and a lot more regarding nature. Brief introduction was made about Uzhavan Foundation, Yi and the objective of Neerum Naamum on 21.07.2023. Er.N.Raveendran, Founder President, Iragukal Amritha Nature Trust (I-Ant) and Madurai Nature Forum addressed and shared his views about Conservation of water, Rivers and natural resources. He added in his speech about the Uzhavan Foundation which was started by the Actor Karthik Sivakumar. Around 260 students attended and benefitted by this thought provoking speech and presentation

The Department organized a one day workshop on Construction Materials Testing' on 25.08.2023. The Guest Er K.Nandhagopal, Senior Technical Officer, Chettinad Cements addressed on various grades of cement, Manufacturing process, Properties of aggregate and Concrete. The Chettinad Mobile Testing unit was brought to our campus and demonstrated the tests on cement such as Consistency, Initial & Final setting time, Air permeability and Tests on aggregate. Our students gained knowledge related to various field tests on Construction materials conducted at the construction site.

15 of our Final-Year B.E Civil Engineering students have taken up an off-campus interview held by M/S RJ Architectural and Interior Designs in Erode. The interview led by Ar. Rajan, yielded successful selections of a few students.

The Department of Computer Science and Engineering & Computer Science and Business Systems conducted Code of Conduction 03.07.2023 for the 3rd year students. The Head of the Department welcomed and addressed the students about neat dress code, wearing ID Cards, shoes, professional haircut, not using mobile phones in classrooms during class hours, computer centre, library, Maintenance of attendance percentage, Value Added Program details, Honors and Minor Degree for 2021-2025 batch students, One credit course, NPTEL course Details, Course Registration Form Details, Fast track Mode and Placement Trainings. All students are directed to ensure that they maintain discipline at all times etc.

ATOS sponsored CSR initiative a 15 day Value Added Course on Data Analytics conducted by Department of Computer Science and Engineering & Computer Science and Business Systems from 25.07.2023 to 12.08.2023. The resource person is Mr. Deepak Ganesan, Senior Technical Trainer, ICT ACADEMY. It is a good way to start preparing so that you can build up your resume and start applying for data analytics jobs is with some hands-on experience. Data analytics projects for grade students can help them learn big data analysis by doing instead of just gaining theoretical knowledge. Data analytics projects for practice help one identify their strengths and weaknesses with various big data tools and technologies.

The Department organized a two dayonline virtual workshop on Intel one API on 07.08.2023 & 08.08.2023.The resource person delivered about Intel one API is intended to address the challenges of modern computing, where multiple hardware accelerators are increasingly common. Learning Intel one API equips students with valuable skills for modern software development, especially in fields that demand high-performance and parallel computing, making them well-prepared to tackle challenging and data-intensive projects in their careers.

A Seminar on AI-Enabled Product Development in Start ups was organized by the department on 02.09.2023. This seminar can provide students with valuable insights and knowledge in various areas related to artificial intelligence (AI) and startup product development. A brief introduction was delivered about Understanding of AI Technologies, Integration of AI into Products, Startup Ecosystem, Product Development Life cycle, Data Management, Ethical Considerations and Case Studies.

A Value Added Course was conducted on Block Chain Technology on 02.09.2023. Students were acquainted with the knowledge of numerous opportunities and advantages in career growth and high earning potential to the ability to contribute and innovative solutions that can positively impact various industries.

The Department organized an Alumni Guest Lecture on Introduction to MEAN Stack Developmenton 11.09.2023. Learning MEAN stack development benefittedthe students with a broad skill set, making a valuable asset in the web development industry. It can lead to career opportunities, the ability to create your own projects, and a strong foundation in modern web application development

The Department conducted an event on Coding Contest on 23.09.2023. Coding contests serve multiple purposes, ranging from personal skill development and community building to talent identification and recruitment for organizations. They play a significant role in the software development world, fostering competition and collaboration while advancing coding skills and knowledge. web application development.

The Department of ECE has organized the National Broadcasting Day celebration on 21.07.2023. The Poster presentation activity was conducted on the topic: From Transistor to Podcasts: The Evolution of Broadcasting in India. The Speech competition is organized on the topic The Evolution of Broadcasting: From Radio Waves to Digital Frontier.

A Workshop on Arduino and its applications was conducted on 08.07.2023. The resource person delivered about the Introduction to Arduino Board, Input and Output device for Arduino, Types of Sensors, Basic commands, Arduino Programming, Demo of Led Blinking, Heart beat Measurement and Temperature monitoring of baby in Incubator.

The Department organized a One Day National Seminar jointly with Institution's Innovation Council (IIC) on Introduction to Intellectual Property Rights (IPR) and Importance of IPR in Modern Global Economic Environment & Unlocking the Potential: Converting Innovative Projects into Patent on 28.07.2023. The resource person discussed about IPR concepts and theories, Economic analysis of IPR rights, Rights of patentee, Procedure for granting a patent and obtaining patents, Infringement, copyright, neighboring rights and Converting a project into a patent.

The Department organized an Idea Contest on Role of IoT in Design of Smart cities on 05.08.2023. IoT serves as the backbone of smart cities, fostering innovation, sustain ability, and resilience while addressing urban challenges through intelligent connectivity and data-driven solutions. 5 batches have presented their ideas and significance of smart cities.

The Department conducted a Value Added Course on SoC in Embedded System on 05.08.2023. Learning about SoC in embedded systems empowers individuals to design, optimize, and innovate in the realm of embedded technologies, contributing significantly to technological advancements and applications across various industries

A Skill development program on OS and basic software installation for Non-teaching faculty on 28.08.2023. Learning about operating systems and basic software installation not only enriches your understanding of computing but also equips you with practical skills essential for efficient, personalized, and secure use of technology.

The Department organized the Inaugural ceremony of IETE Student Chapter on 30.08.2023. A Guest lecture is also conducted followed by the inaugural in the title Image Fusion Techniques by Dr. T.Meeradevi under IETE professional Society. Learning Image Fusion Techniques equips individuals with skills to process, combine, and extract valuable information from multiple images, enhancing image quality and aiding in various applications across industries and research disciplines.

The Department organized an Idea Contest on Role of IoT in Design of Smart cities on 05.08.2023. IoT serves as the backbone of smart cities, fostering innovation, sustainability, and resilience while addressing urban challenges through intelligent connectivity and data-driven solutions. 5 batches have presented their ideas and significance of smart cities.

A Speech competition, Essay writing and Poster presentation was conducted on Universal challenges and Gender equality in education on 02.09.2023. Efforts to achieve universal education and gender equality involve policy changes, investment in infrastructure, teacher training, community involvement, and creating awareness to foster a culture of inclusivity and equal opportunities for education, regardless of gender or background. 28 students participated in essay competition, 5 students participated in speech competition and 2 students in poster presentation.

The Department organized a Seminar on Product Development through Design Thinking on 23.09.2023. Design Thinking encourages interdisciplinary collaboration, iteration, and a deep understanding of user experiences, fostering innovation by consistently refining and improving products based on real user feedback.

The Department of Electrical and Electronics Engineering organized an event Code of conduct- Roles and responsibilities for 3rd& 4th year students on 03.07.2023. Dr.R.Gunasekaran AP/EEE addressed about the rules and responsibilities about the institutions and about the department to all students. Later association members of EEE department explained about the association activities to all students. 25 students participated in the event

The Department organized an Alumni Interaction Program on 26.07.2023. One of our alumnus Mr. P.Zeerath Kumar 2012 to 2016 batch working as an Assistant Manager in Podrain Electronics Private Limited, Bangalore. He interacted with our students about industrial needs and requirement. He also shared his own experience about the exposure and self-learning on the industry sector.

The Department organized an Alumni Interaction Program on 26.07.2023. One of our alumnus Mr. P.Zeerath Kumar 2012 to 2016 batch working as an Assistant Manager in Podrain Electronics Private Limited, Bangalore. He interacted with our students about industrial needs and requirement. He also shared his own experience about the exposure and self-learning on the industry sector.

The Department initiated a Value Added Course on Simulink Toolbox for Power Electronics on 04.08.2023. This course will be helpful to the students for understanding and developing models in MAT LAB for Power Electronics applications to Power Systems.

The Department conducted an Awareness Program on Drug Abuse for students on 11.08.2023. The students were also taken pledge that we will take effort to create a drug- free society. It involves in educating all the individuals about risks, consequences and impact of substance misuse on health, relationships and over-all well-being.

The Department conducted Code of conduct- Roles and responsibilities of students on 18.08. 2023. The Head of the department Dr. S.Sankarananth, addressed about the rules and responsibilities about the institutions and the department to all students.

The Department organized a Seminar on Problem formulation for Research on 19.08.2023. Students acquainted information about Clarity of focus, Targeted research, Structured approach, Effective communication and problem identification in research and ideas about project. Mastering problem formulation for research is fundamental for conducting meaningful and impactful studies, fostering innovation and contributing to the advancement of knowledge in various domains

An Industrial Guest Lecture was organized on PLC using Simatics on 23.08.2023. Students learnt about the concepts of Industrial applications with basics, Simatics hardware components, TIA Portal software, programming languages, PLC Communication & Networking, Troubleshooting and maintenance of PLC using Simatics. Regular practice and hands-on experience will significantly enhance the understanding and proficiency of automation systems.

The Department has conducted an Awareness program on Usage of LinkedIn Account on 31.08.2023. Students gathered knowledge on professional networking and development, job opportunities, personal branding, industry insights and updates, business and sales opportunities and global reach. 200 students and 10 faculty members were benefitted in the program.

Teachers' Day was celebrated on 05.09.2023 which was organized by the students of the department of Electrical and Electronics Engineering. It is a special occasion celebrated globally to honor and appreciate the dedication, hard work and invaluable contributions of teachers and educators in shaping the future of the students.

On account of Engineers' Day, the department in association with Energy club organized technical events like Engineer's Intellect quiz, Energy Innovator's showcase, Energy Innovation fair and Debug dash: circuit edition to our students on 12.09.2023. 120 students participated and the winners were also awarded.

The Department of Electrical and Electronics Engineering inaugurated the department association and also organized an Industrial Guest Lecture on Innovative Technologies in Electrical Industries by Er.G.Ravichandran, General Manager, Lakshmi Electrical Control Systems Ltd, Coimbatore on 19.09.2023 for the benefit of students who are preparing for placement. This helped the students to acquaint with the expectations and requirement in the industries.

The department organized an Industrial Visit to Mettur Thermal Power Station on 27.09.2023. The students learnt on Power generation, Operational Process, Safety Protocols, Environmental Impact and Technological Advancements. The visit made them to refresh in a new surrounding as well as gaining knowledge related to their field of study.

The Department organized a Skill development program for non-teaching faculty members on Ensuring safety in electrical laboratory on 29.09.2023. 20 faculty members were benefitted by learning the proactive approach, emphasizing training, adherence to protocols, regular maintenance and safety- first mindset among all individuals working in the lab.

The Department of Information and technology conducted an activity “Debugging” on 08.07.2023. Students were interested to attend the session and they were finding the error and executing programs.

The Department conducted an activity on Web Design competition on 01.08.2023. Students actively participated in the competition to create web page development. This competition enhanced the students' thirst of knowledge on web designing and a practice to create innovative designs.

A Workshop was organized on Accreditation & Outcome Based Education on 05.08.2023. The resources person explained about combining accreditation with outcome-based education leads to a more evaluation of an institution's educational quality. These practices ensure not only meeting the general quality standards of the institution but also focused on providing students with the necessary skills and knowledge they need for success in their chosen fields.

An Academic Guest Lecture was organized by the department of Information Technology on Sales Force Platform Developer on 19.08.2023. The resource person emphasized on becoming a Sales Force Platform Developer entails creating custom solutions, integrating external systems, designing user interfaces and ensuring scalability and security while leveraging the robust features of the ecosystem to meet diverse business needs.

The department organized an academic guest lecture on Internet of Things in Artificial Intelligence on 26.08.2023. Students can also master IoT by acquainted with its architecture, protocols, data analytics and leveraging this technology to create innovative solutions for enhancing efficiency, automation and decision-making processes across various industries.

An awareness rally was organized on Drug addiction by the department of Information technology in association with National Service Scheme on 12.08.2023. Increasing awareness helps in prevention, early intervention and support for those who were affected. It is about fostering empathy, understanding and providing resources to tackle addiction as a health issue, reducing stigma and promoting a supportive environment for recovery.

The Department of Information and technology organized an Industrial Guest Lectures on Digital Disruption and Disruption in ICT Employability for Fresh ICT Graduates 31.08.2023. This empowers professionals to capitalize on opportunities, stay competitive and continuously evolve to meet the changing demands of the digital era.

Department of Safety and Fire Engineering organized a seminar on “Latest Technologies in workplace safety” on 02nd September 2023 starts at 10.00 am. In this, the event kick started by Mr.K.Gopalakrishnan, He talks about various recent technologies implemented in workplace safety, Future of workplace safety technology and their uses and etc.

Department of Safety and Fire Engineering organized a academic guest lecture on “Identification of Risk Management System in Construction Industry” on 02nd September 2023 starts at 2pm. Resource person Mr. P.Manojkumar. He talks about Importance of Risk Management, Techniques of Risk Management and Barriers in Implementation of Risk Management. The program was coordinated by Mr.S.Saravanakumar, Assistant Professor, Department of Safety and Fire Engineering .

Department of Safety and Fire Engineering third and final year 19 students and 1 teaching faculty attended the short term training program on “Welder Advanced- Semi Automatic (MIG/MAG)” on 04th September to 8th September 2023 at National Skill Training Institute, Calicut,Kerala. Students learned about Gas metal arc welding, MIG/MAG-Welding, Welding positions, Safe welding practice and hazards in welding, Identification of welding defects, Safety culture marketplace, Welding-Electrical safety, Arc welding safety, Welding waste management and etc.

Department of Safety and Fire Engineering second year 13 students and 1 teaching faculty attended the short term training program on “Electrical Safety” on 04th September to 8th September 2023 at National Skill Training Institute, Bengaluru. Students learned Electrical hazards- Shock & Burns. Causes, Effect and prevention. Safety & First Aid. Life saving techniques. Artificial resuscitation, Safety procedure in electrical distribution and maintenance. Energy conservation & Energy auditing. Accident prevention. Attitude/ Behavior based safety, Safe methods of handling batteries and capacitor banks, IE Rules and etc.

Department of Safety and Fire Engineering organized a virtual seminar on “First Aid in the Digital World” on 09th September 2023 starts at 7.00 pm. Resource Person Mrs.Sonia, Associate Professor, HoD of MSN Dept, Excel Nursing College. She talks about On World First Aid Day, we acknowledge the significance of first aid training in creating safer, more prepared workplaces. It prepares employees to respond effectively to a wide range of emergencies, from minor injuries to life-threatening situations. Around 700 participants attended the program.

Department of Safety and Fire Engineering celebrated a “First Aid in the Digital World” on 11th September 2023 starts at 11.30 am. He talks about First Aid in the Digital World, preserving life, preventing injury from getting worse, and aiding recovery. In this program was coordinated by Mr.B.Surender, Assistant Professor, Department of Safety and Fire Engineering.

National Engineers' Day is celebrated in safety and fire engineering department on September 15th to commemorate the birth anniversary of Sir Mokshagundam Visvesvaraya. The 2023 National Engineers Day theme is 'Engineering for a sustainable future'. Mr.N.Prithiviraj, Assistant Professor, given brief speech about National Engineers Day and interaction with students.

Department of Safety and Fire Engineering organized an Industrial visit at Kundah power house-1 on 27th September 2023. The participants are able to understand the various processes involved for power generation in tidal plant. Make them to understand the various safety precautions and risk management followed in power generation unit and their working principles.

Department of Safety and Fire Engineering organized an Industrial visit at Kundah power house-1 on 27th September 2023. The participants are able to understand the various processes involved for power generation in tidal plant. Make them to understand the various safety precautions and risk management followed in power generation unit and their working principles.

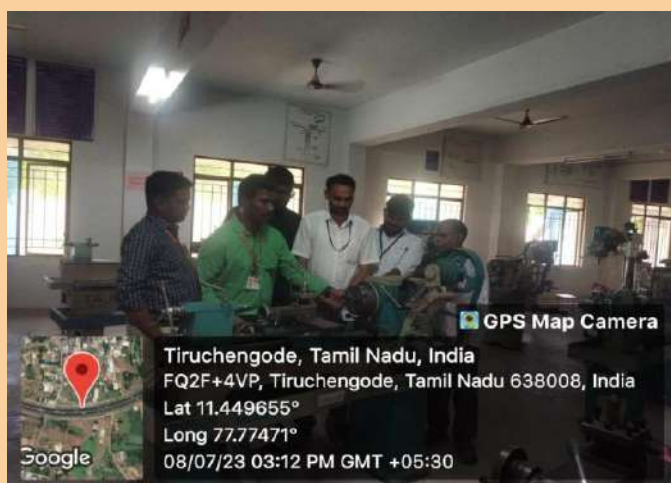

An awareness rally was organized on Drug addiction by the department of Information technology in association with National Service Scheme on 12.08.2023. Increasing awareness helps in prevention, early intervention and support for those who were affected. It is about fostering empathy, understanding and providing resources to tackle addiction as a health issue, reducing stigma and promoting a supportive environment for recovery.

Department of Safety and Fire Engineering organized a value added course on "ISO45001:2018 Occupational Health and Safety Management System" on 08th August to 19th September 2023, Course duration: 30hrs. In this course was handled by Dr.K.Boopathy and Mr.S.Saravanakumar. Students learned about Scope, Normative References, Terms and Definitions, Content of the organization, Leadership and Worker Participation, Planning, Support, Operation, Performance Evaluation and Improvement.

Department of Mechanical Engineering organized an awareness program on “Code of Conduct” to all the mechanical engineering stream students in Pavaiyammal Hall on 03.07.2023 10.00 am to 11.00 am, during the session Dr.N.Natarajan, Head of the Department greeted the students for the promoted semesters and give the speech roles and responsibilities of each students to adhere with the code of conduct to achieve greater miles stones in the future. Around 94 students Attended.

Department of Mechanical Engineering organized a Skill Development for Non teaching “Operation and troubleshooting of Lab equipments” on 08th July 2023 starts at 10.00 am . He explained the laboratory equipments to all mechanical lab instructors . During the session, the lab technicians learned about the operational features, working conditions, trouble shooting features of their respective working Laboratories.

Department of Mechanical Engineering organized a Alumni guest lecture “Role of Mechanical Engineers in industry” on 24th July 2023 starts at 9.30 am. Resource Person Ms.P.Mounika, Executive Trainee, TVS Motor Company, Hosur. She talks about on working nature of Mechanical engineer in core industries and opportunities in power plants, refineries, steel plants Etc. Discussed about the expectations of core industry from graduates. Around 152 participants attended the program.

Department of Mechanical Engineering organized a pollution awareness program on “Anti-Plastic Campaign” to all the mechanical engineering stream students in our college ground on 28.07.2023 3.30 pm to 04.45 pm, during the session Dr. N. Venkatachalam, Associate Professor greeted the students for the pollution awareness and responsibilities of each students to save the environment in the future. Around 54 students participated.

Department of Mechanical Engineering organized a Higher Studies Awareness Program on “Competitive Exam Coaching Awareness Program” to all the mechanical engineering stream students in our college on 02.08.2023 3.30 pm to 02.30 pm, during the session Thiru N. Jaya Prakash, Sales Executive-Academic Relations, ACE Engineering Academy, Chennai greeted the students for the Competitive Exam Coaching Awareness Program and responsibilities of each students to get higher studies in future. Around 131 students attended.

Department of Mechanical Engineering organized a pollution awareness program on “Anti-Plastic Campaign” to all the mechanical engineering stream students in our college ground on 28.07.2023 3.30 pm to 04.45 pm, during the session Dr. N. Venkatachalam, Associate Professor greeted the students for the pollution awareness and responsibilities of each students to save the environment in the future. Around 54 students participated.

Department of Mechanical Engineering association had arranged this program for creating awareness of gender equity. The awareness session was organized on 8th August 2023 between 2 pm to 4.30 pm to all the mechanical students. During the session, student gathering knowledge about roll of students to make the society without gender bias and views on women apart from our family, to treat women equally rather than giving reservation. Around 137 students attended.

Department of Mechanical Engineering organized a Awareness Program on “Post Harvest Technology” on 10th August 2023 to 12th August. Resource Persons Dr.N.Senthil kumar, Agri university Coimbatore & Dr.P.Chelladurai, Bannari Amman Institute of Technology Erode. They given brief speech about new technologies and trends in food and grain processing industry .Around 57 participants attended the program.

Department of Mechanical Engineering celebrated our International Youth Day on “Drawing Competition” to all the mechanical engineering stream students in Pavaiyammal Hall on 12.08.2023 10.00 am to 11.00 am, all our student members greater miles stones International Youth Day. Around 13 students attended this competition.

Department of Mechanical Engineering Conducted an value added course on “Geometric Dimensioning & Tolerancing” on 12th August to 23th September 2023, Course duration: 30hrs. In this course was handled by Mr.K.Tamilan and Mr.T.M.Sakthi Muruga. Students learned about concepts of GD & T in design, manufacturing and inspection. The Need for GD&T, the introductory concepts of GD&T, a comprehensive comparison of Traditional method of tolerancing vs GD&T, a detailed look at Datum which is the most important concept in GD&T, and how they are created? How are they applied? And what do they mean on the drawing? Further a detailed look at Bonus tolerance and concept of virtual condition which lays a key role in mating parts was also covered. Around 42 Students attended this course.

Department of Mechanical Engineering organized a Awareness Program on “Post Harvest Technology” on 10th August 2023 to 12th August. Resource Persons Dr.N.Senthil Kumar, Agri university Coimbatore & Dr.P.Chelladurai, Bannari Amman Institute of Technology Erode. They given brief speech about new technologies and trends in food and grain processing industry. Around 57 participants attended the program.

Department of Mechanical Engineering organized a Sports Events on “Volley ball match competition” on 12.08.2023. This event was coordinately organized by Dr. N.Venkatachalam ASP/ Mechanical.

Department of Mechanical Engineering organized a Hands on Training on “Engine Assembly and dismantling” on 19.08.2023. In this event kick started by Mr.R.Premraj, AP/Mech, Excel Engineering College and he talks about about Engine Components, how to Engine work both two stroke & four stroke , Practical session Engine dismantle and assembly for two stroke & four stroke. Around 45 students attended this Training.

Department of Mechanical Engineering organized an Industrial visit at thermal power station-1 on 25th September 2023. The participants are able to understand the various processes involved for power generation in plant. Make them to understand the various safety precautions and risk management followed in power generation unit and their working principles. Around 42 students visited along with two faculty Mr.K.Tamilan & Mr.T.Karthikeyan, Assistant Professor, Department of Mechanical Engineering.

H HARVEST TECHNOLOGY

Department of Mechanical Engineering organized a Awareness Program on “Post Harvest Technology” on 10th August 2023 to 12th August. Resource Persons Dr.N.Senthil Kumar, Agri university Coimbatore & Dr.P.Chelladurai, Bannari Amman Institute of Technology Erode. They given brief speech about new technologies and trends in food and grain processing industry .Around 57 participants attended the program.

Periodicity : Quarterly Jul - Sep 2023 Date of Issue : 12.10.2023

Excel College for Commerce & Science, Department of Commerce with CA Organized a one-day career guidance programme on the topic "AN OVERVIEW OF AUDIT". This event took place at Velappar Hall on August 4, 2023. Mr.L.Balasubramanian, Advocate and Tax Consultant, Income Tax and GST, Erode, consented as the Guest and delivered an excellent speech on auditing and employment options for auditing students.

Excel College for Commerce & Science, Department of Commerce with (CA) has organized one day Life Skill program on "Millets for nutrition and Health". The program was held at Velappar Hall on 18.08.2023. Mrs.P.Nirmala Devi, Wellness Coach, Nimi Nutrition Centre, Bhavani has delivered a fabulous speech to the students for the benefits of millets and the impact of nutritive value and health consciousness.

Department of Commerce with (CA) has Organized an One Day Research Methodology Programme on "Handloom an Indian Legacy" held at Velappar Hall A/C on 24.08.2023. Mr.A.PALANI KUMAR, Assistant Director, Department of Handlooms, Tiruchengode, and Mr.M.ANBALAGAN, Manager, (Govt. Schemes and Contract), Co-optex , Erode/ Salem and Mr.KA.RA.JEYAVEL GANESAN Assistant Enforcement officer (HRA 1985), Department of Handlooms, Tiruchengode.

Department of Commerce with CA Organized a two-day Workshop on the topic "FINANCIAL EDUCATION FOR YOUNG CITIZENS" this event took place at Velappar hall on October 3rd and 4th, 2023. Dr.A.Mahadevan, NISM, Erode has delivered an excellent speech on knowledge about the investments, mutual fund, deposit, stock exchange and share broking. He clarified all the doubts asked by the students. The students have learned new concepts and applications of investments plan.

Department of Commerce with CA Organized a One-Day Faculty Development Programme on "ENCOURAGEMENT TO FACULTIES STRENGTHENING THEIR FINANCIAL SITUATIONS". This programme was held at Velappar hall on 04.10.2023. DR.A.MAHADEVAN, NISM, Erode. He delivered a fabulous speech to the faculties for the benefits of investments and mutual and other financial investments. He actively interacted with the faculties. The faculties have learnt about mutual fund, share market and different financial activities.

Excel College for Commerce and Science, Department of Commerce has organized One Day Research Methodology Programme on Resilience in the FMCG & Retail Sector. This programme was held at Velappar hall A/C on 25.08.2023 from 10.00AM to 12.00 PM. Ms.K.Deepthi Assistant professor of Commerce has welcomed the Gathering. Dr.R.Vimal Nishant, Principal, ECCS has given Felicitation address. Mr.C.Kesavan Assistant Professor of Commerce delivered Chief Guest introduction. Our Chief Guest Mr.J.Jayanthan, Founder Jerrie's Supermarket Komarapalayam. He delivered wonderful speech about the FMCG Products & Retail Sector. Ms.M.Nivethani Assistant Professor of Commerce delivered Vote of thanks. Around 330 students were Participated and benefited

Excel College for Commerce and Science, Komarapalayam. PG Department of commerce has Organized One Day Career Guidance Programme on Career Opportunity in Mutual Fund Industry. This programme was held at Velappar hall A/C on 01.09.2023 from 01.00PM to 03.30 PM. Mr.C.Kesavan, Assistant professor of Commerce has welcomed the Gathering. Dr.R.Vimal Nishant, Principal, ECCS has given Felicitation Address. Mr.K.Ramesh, Head department of commerce delivered Chief Guest introduction. Our Chief Guest, Mr. K.Prabhakaran, Director Edify Ed Tech, Coimbatore. Ms.S.Keerthika, Assistant Professor of Commerce delivered Vote of thanks. Around 250 students were benefited.

Excel College for Commerce and Science, Komarapalayam, PG Department of commerce has Celebrated Teacher's Day on 05.09.2023. The celebrations formally started with a Prayer Song. Mr.K.Ramesh, HOD/B.Com presented the Welcome address and Our Principal Dr.R.Vimal Nishant felicitated the gathering, the chief guest, Dr. R. Vimal Nishant, Principal of Excel College for Commerce and Science. IQSC chief Dr.T.Sankar, Professor of Microbiology has given motivating speech on "The Roll of Teacher ". Vote of thanks was given by Ms.Nandhini III- B.com. The programme ended successfully with the National Anthem.

Excel College for Commerce and Science, PG Department of Commerce Organized One Day workshop on "Navigating Taxation: An Income Tax and GST Workshop" on 12th September 2023 at BCA Lab. We kicked off the event with the soulful Tamilthai Valzhtu, setting the tone for a fruitful day of learning. Mr.K.Ramesh, Head department of commerce, extended a warm welcomed the gathering. Dr. R. Vimal Nishant, Principal, graced us with a felicitation address, inspiring us all. Mr.C.Kesavan . Assistant professor of commerce introduced our chief guest in a captivating manner. Our Chief Guest, Mr.E.Vignesh Kumar, Chartered Accountant, Career Counsellor, shared an Income Tax and GST. Her interactive session left our students enlightened and their doubts cleared. The students had the opportunity to engage and learn from Mr. Vignesh Kumar. Mrs. U.Gopiga, Assistant Professor of Commerce, conveyed the heartfelt Vote of Thanks. A grand total of around 370 students were enriched by this informative and insightful event. We're grateful for everyone's participation and the invaluable knowledge shared by our guest speaker.

PG Department of Commerce, took a remarkable step towards Outreach programme on “Fundamental Rights & Human Rights Awareness” at Rettipalayam, on 15.09. 2023. With the esteemed support and warm greetings of our highly respected Principal, Dr.R.Vimal Nishant. The event focused on

spreading awareness about Fundamental Rights & Human Rights. The local Panchayat president and members also joined hands in support of this noble initiative, reinforcing the Fundamental Rights of purpose. THE DEPARTMENT OF BIOCHEMISTRY & CLT has organized an enlightening Industrial Visit for I and II Year students Industrial Visit at PONNI SUGARS, PALLIPALAYAM on 16.10.2023 12:30 pm. The program focused on the Manufacturing of Sugar and its byproducts include Molasses, Bagasse. The manufacturing processes were explained to students at Ponni Sugars, Pallipalayam. Mrs.K.P. Indumathi, HoD/ Biochemistry and CLT, served as the Convenor of this engaging program. Mr.A.Hariprasath Assistant

Professor English & Ms.R.Mani Bharathi, Assistant Professor/ Biochemistry & CLT, played pivotal roles in coordinating the event seamlessly. The students viewed the functioning of the industry and got practical exposure and insights of the working environment. The program concluded on a highly successful note, leaving our students enriched with newfound knowledge about manufacturing and processing of sugars and its byproducts.

On behalf of the Department of Business Administration, Excel College for Commerce and Science, with the greetings Dr.R.Vimal Nishant, Principal, Excl College for Commerce and Science, Mr. P.Varunkumar HOD/BBA signed the "Memorandum of Understanding" with Sree Saai & Co, Lakshmi Nagar on 13.06.2023. The main objective of this MoU is to promote the employment of students and for the welfare of the Department.

The Department of Bachelor of Business Administration (BBA) organized an ALUMNI MEET-2023 on 03.07.2023. The planned objective was to interact with the alumni, planning future events, conducting Alumni Satisfaction Survey, Taking Alumni Feedback. It was conducted successfully and the meet aimed to provide a platform for alumni to reconnect with each other, network, and engage in fun-filled activities while challenging themselves and cheering their peers. The association endeavors to promote and encourage cordial and fruitful relation with the pass out students. Regular meetings of the executive members and committee members are conducted from time to time to establish strong linkages between the alumni and their alma mater and to fulfill the objectives of the alumni association. During these sessions the members of the alumni association regularly met for planning of the events to be organized during the session. More than 170 students and 28 registered alumni's are actively participated in this programme. The main agenda of the programme was to interact with the Alumni, To Plan organize and coordinate alumni association activities and development of sustainability plan, to plan and design association services for the students, to conceptualize and plan a global scale alumni meet, to conduct among present members Alumni satisfaction survey and take alumni feedback on academic activities.

Excel College for Commerce and Science, Komarapalayam Department of Business Administration celebrated World Population Day, 11.07.2023. With the greetings of our Principal Dr.R. Vimal Nishant, the World Population Day commenced by invoking Almighty with a Prayer Song. Mr.P.Varunkumar HOD/ BBA gave the Presidential Address and felicitated the gathering. "By Improving the Health, Empowering women, Population Growth comes down" Few of our students shared their thoughts about the over population, we need to decrease the Global rate of Global population, our Mother Earth can't support it anymore, so it should be taken care by all of us. Thanks-giving was spelled by Mr.Shankar AP/BBA.

Excel College for Commerce and Science, Komarapalayam. Entrepreneurship Development Cell with Department of Business Administration jointly organized an "Awareness Programme on Innovation and Entrepreneurship Development". The session formally started with a Prayer Song. Mr.P.VarunKumar HOD/BBA presented the Welcome address. Dr.R.Vimal Nishant Principal, ECCS felicitated the gathering. Ms.V. Anupriya II-BBA introduced the chief guest, DR. A. ABDUL KATHAR, field coordinator, PU-IEDP Hub, Periyar University, Salem. He gave motivating speech on "Innovation and Entrepreneurship" and explained how to think differently than others, where future entrepreneurs can shine in this competitive world. Vote of Thanks was spelled by Mr.M.Shankar AP/BBA. The programme ended successfully with the National Anthem.

Excel College for Commerce and Science, Komarapalayam Department of Business Administration One day Skill Development Programme on "Positive Thinking and Problem Solving Skills" This programme was held at Palaniyappar hall on 07.08.2023. The Session was started with Tamilthai Valzhtu. Mr.D.Sugandaran AP/BBA has welcomed the Gathering. Dr.R.Vimal Nishant, Principal, ECCS has given the felicitation address. Ms.U.P.Dharshika II-BBA has given the Chief Guest introduction. J.C.VETRIVEL Corporate Trainer, he delivered fabulous speech about Positive Thinking, Problem Solving Skills and job opportunities in corporate field. He interacted with the students and clears their doubts. Mr.M.Shankar AP/BBA delivered the Vote of thanks.

Excel College for Commerce and Science, Komarapalayam, Department of Business Administration organized One Day Intellectual Property Rights Seminar on TRADE SECRETS: AS AN INTELLECTUAL PROPERTY AND IT'S PROTECTION. The session formally started with a Prayer Song. Mr.P.VarunKumar HOD/BBA presented the Welcome address. Dr.R.Vimal Nishant Principal, ECCS felicitated the gathering. Ms.V.Anupriya II-BBA introduced the chief guest. MR. Y. SRIKANTH, Advocate, Legal Manager, Annapurna Finance Pvt Ltd,Tamilnadu. He has given motivating speech on "Intellectual property rights", he explained useful property right and especially difference between industrial property and copy rights. Vote of thanks given by Mr.D.Philip Stanly AP/BBA, finally the programme ended successfully with the National Anthem.

Excel College for Commerce and Science, Komarapalayam. Department of Business Administration organized Research Methodology Seminar on Entrepreneurial Mindset and Skills for Herbal Startups. Mr.P.VarunKumar HOD/Business Administration presented the Welcome address. Dr.R.Vimal Nishant Principal, ECCS felicitated the gathering. Ms.Dharshika II-BBA introduced the chief guest, Mr.SUNDARA RAJ, Managing Director, Dharani Herbals, Sathyamangalam. He has given very motivating speech on "Entrepreneurial mindset and skills for Herbal startup", he expressed his views on new startups and he also shared real time experience on the Herbal Field. Dharani Herbal have conducted Natural Organic Shop, where they had unique products like Hibiscus shampoo, Amla hair oil, Aloe vera Gel and many other unique organic products. Vote of thanks given by Mr.M.Shankar, AP/BBA The programme ended successfully with the National Anthem.

Excel College for Commerce and Science, Komarapalayam. Department of Business Administration organized One Day Skill Development Programme on Business Communication: an Amazing Tool to Enhance Yourself. This programme was held at Vellappar hall. The session formally started with a Prayer Song. Mr.P.VarunKumar, HOD/Business Administration presented the Welcome address. Dr.R.Vimal Nishant, Principal, ECCS felicitated the gathering. Ms.Dharshika II-BBA introduced the chief guest, Mr.D.Gurubatham, Assistant Professor of English, Excel Engineering College, Komarapalayam. He has given very inspiring speech on "Business Communication: An Amazing Tool to Enhance yourself", he explained the significance of Communication and it plays vital role in each and everyone's life. He also made the students to communicate in English. Vote of thanks given by Dr.P.Karthik, AP/BBA The programme ended successfully with the National Anthem.

Excel College for Commerce and Science, Komarapalayam. Department of Business Administration organized One Day Career Guidance Programme on Competitive Examinations for Business Administration: An Overview. This programme was held at Palaniyappar Hall on 11.09.2023. The session formally started with a Prayer Song. Mr.P.VarunKumar, HOD/Business Administration presented the Welcome address. Dr.R.Vimal Nishant Principal, ECCS felicitated the gathering. Ms.P.Vidhyasri II-BBA introduced the chief guest, Mr.R.Mohana Sundaram, Assistant Professor of MBA, Excel Engineering College, Komarapalayam. He has given very inspiring speech on "Competitive Examinations for Business Administration: An overview", he has given tips to enhance the knowledge and abilities to sign in a better way after completing BBA. He also listed the opportunities available for BBA students in the job market, the confidence level of the students been improved. Vote of thanks given by Mrs.D.Sathiya, AP/Mathematics The programme ended successfully with the National Anthem.

Excel College for Commerce and Science, Komarapalayam. Department of Business Administration organized Entrepreneur Development workshop on Social Media Marketing Mastery Workshop. This programme was held at A6 Block Seminar Hall on 13.09.2023. The session formally started with a Prayer Song. Mr.P.Varunkumar, HOD/Business Administration presented the Welcome address. Dr.R.Vimal Nishant Principal, ECCS felicitated the gathering. Ms.P.Vidhyasri II-BBA introduced the chief guest, Mr.V.Gopi, Administrative Officer, IFC infotech Computer Education, Bhavani, Erode. He has given very inspiring speech on Add on course for Business Administration. He also listed the opportunities available for Digital Marketing in the job market, the confidence level of the students been improved. Vote of thanks given by Mr.D.Sugandaran, AP/BBA The programme ended successfully with the National Anthem.

Excel College for Commerce and Science, Komarapalayam SRET Excel Foundation Technology Business Incubator & Entrepreneurship Development cell jointly organized Two Day "EXCEL TRADE EXPO-2K23" The Expo was formally inaugurated by cutting the ribbon. Mr.P.Varunkumar, Head/BBA was welcomed the gatherings. Dr.R.Vimal Nishant, Principal, Excel College for Commerce and Science delivered the felicitation address. Dr.K.Bommanna Raja, Executive Director, Excel Technical Campus explained about the importance of Expo through his presidential address. Dr.V.R.Palanivelu, PU- IEDP - Hub Coordinator, Professor & Head, Department of Management Studies, Periyar University, delivered the inaugural address. Dr.A.Abdul Kathar, PU- IEDP - Hub, Periyar University, Salem, welcomed the gathering. More than 80 stalls were incorporated and they were sold the products like Stationary items, Fresh juice, Cosmetic Products, Snacks items, Mehendi design, Ornaments for both men and women dress materials and Toys. Finally certificates were distributed by the chief guest and guest of honor. EXCEL TRADE EXPO - 2K23 has come to closure by vote of thanks given by Mr.D.Sugandaran AP/BBA.

Excel College for Commerce and Science, Komarapalayam. Anti Ragging Cell organized Anti Ragging Awareness Programme on "Unity Against Ragging: Voices for Respectful Education". This programme was held at Velappar Hall on 19.10.2023. The session formally started with a Prayer Song. Mr.P.Varunkumar, HOD/BBA & Convenor-Anti Ragging Cell presented the Welcome address. Dr.R.Vimal Nishant, Principal, ECCS, Chairperson-Anti Ragging Cell felicitated the gathering. Ms.P.Vidhyasri II-BBA introduced the chief guest. Mr.R.B.Prabhu. B.A., B.L., Advocate, President-Paramathi Bar Association. He has given Awareness of Anti Ragging and its problems, students were understood very clearly. Vote of thanks given was spelled by Mr.P.Parthasarathi, AP/Tamil. The programme ended successfully with the National Anthem.

Excel College for Commerce and Science, Department of Data Science has organized a one-day Research methodology seminar on "CLOUD ARCHITECTURE" on 11.08.2023. In this seminar started with speeches by Dr. M. Gomathi, Head of the Department of Data Science has addressed the gathering, and Principal Dr. R. Vimal Nishant has given the presidential address. The guest speaker, Mr. M. Yuvaraj, Typer Technologies - Founder & CEO from Canada provided insights into cloud architecture's role in the IT industry. The vote of gratitude was shared by Mrs. M. Kalyani Assistant professor in Data Science, Around 400 students participated.

Excel College for Commerce and Science, Komarapalayam, Department of Data Science & Cyber Security organized a One-Day Workshop on Human AI Collaboration: Improving Creativity and Productivity". This programme held at A9-Computer Lab on 20.09.2023. The event was organized by Dr. M. Gomathi, HOD/Data Science & Cyber Security, while Dr. R. Vimal Nishant, Principal/ECCS, presided over the workshop. Mr. M. Meganadhan, as a resource person, and software engineer at the GP Skill Development Center in Erode, has provided that AI played the part of a domineering group mate in a moment of continuous collaboration, leading to in an AI-driven creative process. Around 70 students and staff members benefited through the program, which was coordinated by Ms. A. Preethi, an Assistant professor/English.

Excel College for Commerce and Science, Komarapalayam, Department of Data Science & Cyber Security and the GP Skill Development Center in Erode, signed a Memorandum of Understanding on 20.09.2023. The ceremony was started with prayer song and lightening the Lamp. Dr. S. Chinnadurai, Assistant professor has welcomed the gatherings. Dr. R. Vimal Nishant, Principal has given the Inaugural address and honored the chief guest. Dr. P. Udhayaraja, Head of the department has introduced the Chief Guest. Resource person Dr. P. Vanathi, Assistant professor, Department of pathology and Microbiology, Excel Siddha Medical college and Research Centre, Komarapallayam. She has presented Awareness about Hepatitis Day. Vote of thanks was given by Dr. D. Ramya, Assistant professor. Around 200 students were actively participated and acquired knowledge about HEPATITIS.

Excel College for Commerce and Science, PG Department of Microbiology has conducted rally at Pallakappalayam on “Communicable Disease Awareness programme” on 4th August 2023. Dr. Vimal Nishant Principal, ECCS flagged off and inaugurated the rally. Students gave Awareness to the people about Communicable disease and educate them to prevent from the disease. Panchayat president and member also supported the students for the rally. Students displayed various placards and slogans to prevent Communicable disease. Dr.P.Udhayaraja, Head & Assistant professor, PG Department of Microbiology, was the Convenor of the program, Ms.T Anushya, and Ms.N.Vishnupriya, Assistant professors, Department of Microbiology Co-ordinate the rally. The programme was very successfully completed. which was coordinated by Ms.A.Preethi, an Assistant professor/ English.

PG Department of Microbiology and Entrepreneurship Development Cell has organized Entrepreneur opportunities in Microbiology on 21.08.2023 at 10:30AM at Velappar Hall A/C. The ceremony started with prayer song Mr.P.Varun Kumar EDC Coordinator welcomed the gathering. Dr.R.Vimal Nishant, Principal, Excel College for Commerce and Science has given a Presidential address. Dr.T.Shankar ,Chief IQAC, Assistant Professor has given the Felicitation address. Ms.Rukshana Begam III-B.sc Microbiology introduced the Chief Guest. The session was taken by Mrs.REFANA SHAHUL,Director and Senior Microbiologist, Mycoblooms and Group, An ISO and DPIIT Certified Laboratory, Funded by BIRAC , Government of India. Coimbatore 641407. Vote of thanks was given by Mr.P.Varun Kumar EDC Coordinator.

PG Department of Microbiology organized Industrial Visit For I-B.Sc., MICROBIOLOGY Students. Programme on “Apiculture” This programme was held at AO HONEY BEE FARM, Vatrampalayam Edappadi.11.00 AM. Mr.R.Annamalai, Owner/ AO HONEY BEE FARM. He has presented speech on Apiculture (The Keeping of bees especially on large scale), he explained the keeping of Bees and Honey production. He also made the practical Session for students - How to handle the Honey bees and what are the methods of Bee keeping. Students gained knowledge about the Apiculture. Dr.P.Udhayaraja, Head & Assistant professor, PG Department of Microbiology,was the Convenor of the program, Ms.T Anushya, and Ms.P.Divyamala, Mr.B.Rameshkanna Assistant professors, Department of Microbiology. co-ordinated the Programme. The programme was very successfully completed.

PG Department of Microbiology has organized one day industrial visit for III-B.Sc., MICROBIOLOGY Students. Visited Pasteur Institute, Coonoor. Dr. S. Jagannathan, Assistant Research Officer. He was explained about rabies vaccine and DPT vaccine production. Sterility, safety, efficacy of vaccine and route of administration. He clearly explain about current vaccine strategy and clinical trials. Students gained knowledge about the vaccine and research position in Pasteur Institute. Dr.P.Udhayaraja, Head & Assistant professor, PG Department of Microbiology, was the Convenor of the program, Ms. N. Vishnupriya, Dr. D. Ramya and Mr.B.Rameshkanna Assistant professors, Department of Microbiology co-ordinated the Programme.

PG Department of Microbiology and Genolites research and Development jointly organized a 4 Day Workshop on “DNA FINGERPRINTNG”. The ceremony started with prayer song. Ms.Sangeethana II-M.sc Microbiology has welcomed the gatherings. Dr.R.Vimal Nishant, Principal, Excel College for Commerce and Science has given a Presidential address. Dr.P.Udhayaraja, Head Department of Microbiology has given the Inaugural address . Ms.Rukshana Begam ,III-B.sc Microbiology introduced the Chief Guest. Mr.R.Karukuvelraja Founder and Managing Director of Genolites Research and Development, Coimbatore 641-407. Ms.Yuvashree III-B.sc Microbiology has given Vote of thanks.

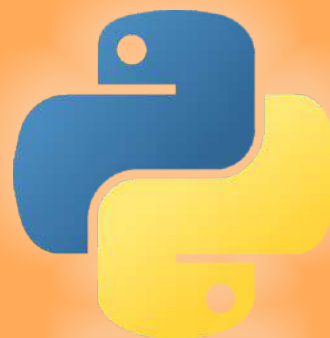

PG Department of Microbiology in association with the Microbiologists Society, India. Has organized : IRP SEMINAR ON ENTREPRENEURS PROTECTING INNOVATION on “GREEN BIOTIC FERMENTED SHAMPOO”. The programme started with a prayer song. Ms.S.Sofiya I-M.sc Microbiology has welcomed the gatherings. Dr. R. Vimal Nishant, Principal, Excel College for Commerce and Science has given a Presidential address. Dr.P.Udhayaraja, Head Department of Microbiology has given the Inaugural address. Ms.R.Shalini, I-M.sc Microbiology introduced the Chief Guest. Dr.H.M.Nilofer Nisha, Director of Helikem Biotech Industrial Research Pvt. Ltd Tiruchirapalli and Mr..Surya, Founder and Director of Surya Clinical Laboratory, Namakkal. Mr. S. Dinesh Kumar, Founder and Director of Bioquality Laboratory, Namakkal. PG Department of Microbiology has signed an MOU With concern companies. In the Technical Session, H.M.Nilofer Nisha gave an excellent Speech on GREEN BIOTIC FERMENTED SHAMPOO. The Session ended with the National Anthem. In the Afternoon Session, Students Celebrated 'FRESHERS DAY' by conducting various unique games.

PG Department of Microbiology in association with the Microbiologists Society, India has organized Workshop on "SPIRULINA PRODUCTION" and MOU Signing Ceremony. The ceremony started with a prayer song. Ms.S.Sofiya, I-M.sc Microbiology has welcomed the gatherings. Dr. R. Vimal Nishant, Principal, Excel College for Commerce and Science, has given a Presidential address. Dr.P.Udhayaraja, Head Department of Microbiology has given the Inaugural address. Mr.Dhanukarthikayan I-B.sc Microbiology introduced the Chief guest Mr.V.JOTHIPRASHAD Founder of Futurstic Bioscience, Gobichetipalayam. PG Department of Microbiology has signed an MOU With FUTURISTIC BIOSCIENCE, Gobichetipalayam. The Session ended with the National Anthem.

The Department of Computer Applications &IT has organized Skill Development Programme on Soft Skills "PRESENTING FOR SUCCESS" on 07th August 2023. Mr.D. V. Rajkumar, Head/Department of Computer Applications and IT, has addressed the gathering. Dr.SHANKAR.T, IQAC, CHIEF, has felicitated the ceremony. Dr.R.VIMAL NISHANT, Principal, ECCS has given the presidential address. The day was commenced with a special discussion on success topics by the Chief Guest Mrs.T.Mohana, Department of English, has shared the significance of presenting for success. Ms.V.Harini AP/BCA, Proposed vote of thanks.

The Department of Computer Applications & IT has organized Research Methodology Seminar on "PYTHON THE BEST CHOICE OF AI AND ML" on 25th August 2023. Dr.R.VIMALNISHANT, Principal,ECCS has given the presidential address. Dr.T.SHANKAR IQAC, CHIEF, has felicitated the ceremony. Mr.D.V.Rajkumar, Head, Department of Computer Applications and IT, has addressed the gathering. The day was commenced with a special discussion on the best choice of AI and ML topics by the Resource Person Mr.R.Prabu, Managing Director, and Ms.R.Sudhaselleaswari Project Manager & Technical Trainer, IFC Infotech Computer Education Bhavani & Komarapalayam. Mr. R.Dhamotharan AP/BCA, Proposed vote of thanks. Nearly, 150 students and faculty were participates.

Excel College for Commerce & Science, PG Department of English has conducted "PAPER BAG DAY-2k23 on 12.07.2023(AN). The activity session was started with the prayer song of our students. Welcome address was given by Mrs.KAVIYA.G, Assistant Professor of English. Followed by Dr.R.VIMAL NISHANT, Principal addressed the gathering. The Vote of Thanks was proposed by Mrs.MOHANA.T. Finally the students' have shared the significance of utilizing paper bags instead of plastic and Simultaneously, Chart activity also done. The participants were used the chance fruitfully.

The PG Department of English has conducted the Literary Parade-2k23 on 07.08.2023(AN). Welcome address was given by Mr.M.SURESH,HOD, English and Dr.R.VIMALNISHANT, Principal addressed the gathering. The Vote of Thanks was proposed by Mrs.T.MOHANA, Assistant professor. Followed by the addressed, students' activities were held. Around 47 students have participated. The main outcome of this event is connected to the journey of the character.

Department of English has conducted the Pre-Independence Day Celebration on 08.08.2023(FN). Welcome address was given by Mr.M.SURESH,HOD, English. Dr.R.VIMALNISHANT, Principal addressed the gathering. The Vote of Thanks was proposed by Mrs.T.MOHANA, Assistant professor of English. Followed by the addressed, students' activities were held such as Drawing, Essay Writing, Independence Day Speech and Oratorical related to Patriotism was successfully presented. The participants were used the chance fruitfully.

Department of English has conducted the Skill Development Programme on 'ICT TOOLS – BASICS OF MS OFFICE' on 07-08-2023. Mrs.T.MOHANA, Assistant Professor of English, has addressed the gathering. Dr.SHANKAR.T, IQAC, CHIEF, has felicitated the ceremony. Dr.R.VIMAL NISHANT, Principal, has given the presidential address. The Head of the Department Mr.SURESH.M, has introduced the chief guest. The Dazzling day was commenced with a special lecture by Dr.K.MUNUSAMY, Head of the Department of CS, has shared Fundamentals of ICT tools, who is a proficient, benevolent trainer and eminent educator with wide experience in the field of MS-OFFICE. Ms.K.NAVEENA, Assistant Professor of English proposed vote of thanks.

PG Department of English has organized Career Guidance Programme on Exploring Career Avenues in 21st Century on 04.09.2023 at 10:00 AM to 12:30 PM at Velappar A/c Hall. The function started with the invocation. Ms.S.Kamatchi II BA English has welcomed the gathering. Dr.R.Vimal Nishant, Principal has given the presidential address. Mr.M.Suresh, HoD of English has felicitated the function. Mr.A.Gurusamy AP/English has introduced the Chief Guest. In the Technical Session, Our Guest Speaker, Mr.E.R.Srinivasan, MD cum Spoken English, IELTS, TOEFL & PTE Trainer, Milton English Academy, Erode, has shared the significance of communication skills and career options. Ms.S.Sowmiya III-BA English has proposed vote of thanks. Nearly, 75 students were participate,d and got benefited through this worthwhile programme.

PG Department of English has organized MoU Signing Ceremony & Soft Skills Development Programme on “SECRET OF SUCCESS IS SELF-EMPOWERMENT” on 20.09.2023 at 9.30 AM to 1:00 PM at Velappar A/c Hall. The function started with the invocation. Ms.S. Vishali II MA English has welcomed the gathering. Dr. R.Vimal Nishant, Principal has given the presidential address. Mr.M.Suresh, HoD of English has felicitated the function. Mr. N. Saravanan AP/English has introduced the Chief Guest. In the Technical Session, Our Resource Persons, Mrs.P. Jayanthi, Founder & CEO, Ease of Learning, Coimbatore and Ms. Bennit Rose Senior Trainer, Ease of Learning, Coimbatore has shared the significance of soft skills and how to enlargement of career. Ms.T. Anumithasri III-BA English has proposed vote of thanks. Nearly, 75 students were participated and got benefited through this worthwhile programme.

Department of English has organized MoU Signing Ceremony & Workshop on VERBAL CHARM on 20.09.2023 at 02:00 PM to 04:30 PM at Velappar A/c Hall. The function started with the invocation. Ms.S.Vishali, II MA English has welcomed the gathering. Dr.R.Vimal Nishant, Principal, ECCS has given the presidential address. Mr.M.Suresh, HoD of English has felicitated the function. Mr.K.Periannan AP/English has introduced the Chief Guest. In the main while our Department of English has done MoU sign with Iris A- Language Studio, Chitode, Erode. Technical Session, Our Guest speaker, Mrs. Sujitha Mahadevan, The Founder cum trainer in Soft skills, Voice fines, Writing proficiency, LSRW Skills in English, Iris A- Language Studio, Erode, has shared the significance of effective verbal skills, like pronunciation, tongue twister, voice modulation to enrich the students career options. Ms.Anumithasri III-BA English has proposed to vote of thanks. Nearly, 75 students were participated. got benefited through this worthwhile programme.

Excel College for Commerce & Science, Department of CDF and TFD Our Department faculty Mrs.M.Deepika, Assistant Professor has participated in VIVEKANANDA HOSTS RESIDENTIAL TRAINING FOR GUIDE CAPTAINS from 20.07.2023 to 26.07.2023 at Vivekananda Arts and Science College for women. Taking a moment to appreciate the beautiful architectural case study we worked on for our Foundation design studio! The master bedroom and pavilion we studied from Yercaud resort is a stunning example of our creative and innovative work. From the intricate details to the perfect combination of modern and traditional aesthetics, we are proud of the effort and dedication that we learned from this project. It's amazing to see the finished result and it's a reminder of the power of collaboration and hard work! Thanks to Ar Athiq for mentoring the 1st year (batch 2022-2027) for their design journey.

From vibrant brush strokes to innovative designs, the compound wall of our college has been transformed into a mesmerizing canvas of creativity, all thanks to the unwavering dedication and artistic flair of our students. Brushing Excellence onto Our Campus: Excel College of Architecture's Successful Weekend Wall Painting Activity This event was a testament to the creativity, unity, and artistic prowess of our students, who transformed our college compound wall into a vibrant masterpiece. Our students embraced the blank canvas of our compound wall with boundless imagination.

Welcome to exciting edition of our "Delve into Architecture" series, where students took the stage to share their insights on "Contemporary Building Materials," guided by the Architect Sowmyaa.C. Our lightning talk series continues to spark creativity and innovation in the world of architecture. We invite you to stay tuned and be part of this enriching journey. In the Episode 1, We had the privilege of attending an enlightening lightning talk by the talented Speaker Saranya S V of IV Year who delved into the fascinating world of architecture and culture at the Tarang Pavilion in Gujarat.

An engaging and informative quiz on the subject of concrete in building construction was conducted for III Year students of ECA. This educational activity aimed to test their knowledge and enhance their understanding of one of the fundamental materials in construction. The students showed tremendous enthusiasm and participation throughout the quiz. The quiz provided an excellent opportunity for students to consolidate their knowledge and learn new facts about concrete in building construction. The conducted quiz on concrete in building construction proved to be a valuable learning experience for students. It not only assessed their existing knowledge but also fostered curiosity and encouraged them to explore the subject further.

ECA celebrated ONAM – THEYTHAKA'23 on 26th August, 2023. Onam, the festival that unites hearts and celebrates the spirit of Kerala, was brought to life at our department in all its colorful glory. The day commenced with our faculties and students donning their finest ethnic attire, representing the rich cultural heritage of Kerala. The campus was awash with a stunning array of traditional sarees, dhotis, and exquisite accessories. The Onam Sadya, a grand feast featuring an array of delicious Kerala dishes, was the perfect finale to our celebration. The Onam celebration was not just about festivities; it was a reflection of the unity and diversity that defines our EGI. It's a reminder that no matter where we come from, our shared experiences and traditions bring us closer together.

Here We are to share the exciting news of a highly successful lightning talk Episode II recently delivered by our talented student, Sneha, on the fascinating topic of the TIJ Observatory and its connection to contemporary building materials. With the invaluable guidance of Architect Sowmyaa C. Sneha's insightful talk shed light on the pivotal role of contemporary building materials within the context of the TIJ Observatory, captivating the audience's attention and sparking meaningful discussions. The impact of Sneha's lightning talk has been remarkable, leaving students and faculty alike with a renewed appreciation for the TIJ Observatory and the importance of innovative building materials in contemporary architecture. Stay tuned for more exciting updates from our students and their incredible journeys of knowledge and discovery!

Our students came together in a spirit of gratitude and respect to celebrate our dedicated teachers. The day started with warm wishes, heartfelt messages, and beautifully crafted cards that expressed the deep appreciation we have for our educators. But the celebration didn't stop there! Our faculty members were not only celebrated but also inspired by the creativity and talent of our students. It was a day when our teachers felt truly appreciated, and our students felt empowered and inspired to explore the world of architecture further. In conclusion, our Teacher's Day celebration was a resounding success, and the addition of the architectural journey made it even more special. It was a day of gratitude, creativity, and collaboration between students and teachers that will be cherished for years to come. We extend our heartfelt thanks to our dedicated teachers who continue to shape the minds of our future architects and innovators. We also applaud our students for their outstanding efforts in making this Teacher's Day an "awesomatic" celebration.

We are thrilled to share the remarkable success of our recent Guest Lecture featuring Architect Rathan V Moorthy, who provided invaluable insights into the world of contemporary building materials, Co-ordinated by Architect Sowmyaa C. Architect Rathan's lecture left attendees awestruck with its wealth of practical knowledge and engaging interactivity. He delved deep into the realm of composite materials and their pivotal role in modern construction. His ability to bridge theory with practical applications resonated with the audience, making for an incredibly enriching experience. One of the highlights of Architect Rathan's lecture was its interactive nature. Attendees had the unique opportunity to engage with the expert, asking questions and receiving firsthand advice on the use of composite materials in building projects. This interactive element added a layer of depth and understanding to the session, making it a truly unforgettable experience. We extend our heartfelt gratitude to him for sharing his expertise, and we look forward to more enlightening sessions in the future.

We are excited to share the remarkable success of lightning talk presented by our talented student, Santhosh Anand, focusing on the iconic Hyder Aliyav Centre designed by the legendary architect Zaha Hadid. With the invaluable assistance of Architect Sowmyaa C, Santhosh's talk not only informed but also fostered an engaging, interactive atmosphere that left everyone enlightened. Santhosh's presentation offered a captivating exploration of the Hyder Aliyav Centre, a masterpiece of contemporary architecture, and its intriguing relationship with innovative building materials. His ability to seamlessly blend architectural theory with practical insights kept the audience thoroughly engaged throughout. Santhosh's lightning talk has undeniably left an indelible mark on our community, inspiring us to delve deeper into the world of innovative materials and architecture.

Our students of the fourth year had a unique opportunity to step out of the classroom and into the heart of industrial design. Their destination: the illustrious Salem Steel Plant, located in the bustling city of Salem, Tamil Nadu. This visit was an integral part of their academic syllabus in architectural design, designed to broaden their horizons and deepen their understanding of architecture's real-world applications. They were fortunate to be accompanied by two exceptional guides Ar Nilatamilarasi B and Ar Navukarasan N S who made their journey both educational and engaging.

Architect Dharshini K commenced the program by introducing students to the fundamental concept of the color wheel. They learned about primary, secondary, and tertiary colors and how these form the basis of all color combinations. Through captivating demonstrations, Dharshini showcased the magic of color mixing. Students were amazed to witness how different colors blend to create new and exciting shades. Dharshini delved into the psychology of colors, explaining how different colors can evoke specific emotions and moods. Students gained valuable insights into the powerful impact of color choices in various contexts. To reinforce their learning, students engaged in hands-on activities where they experimented with color combinations and created their own mini-masterpieces using the color wheel as their guide. Dharshini encouraged lively discussions among the students, allowing them to share their thoughts on the significance of colors in art, design, and everyday life.
