PROF. Dr. A.K. NATESAN

Hon. Chairman's MESSAGE

I have often noticed that people forget their quarrels and rivalry with the passage of time. That is something positive and appreciable. But it cannot be applied to the studies you do in various courses. Once an interviewer finds out that you have majored in a particular stream, you are sure to get a generic question about that field and you are expected to be specific in your answer, if you want to impress your interviewer. All cannot excel in every field. Similarly, you may not be a success in all what you do. Mistakes are bound to happen. But here is where your God given memory power should be put to good use. Fail in the exam, but learn the lesson. Remember that each and every person who has succeeded in life has done it by learning the lesson even after the initial projects were utter failures.

I wish that this year 2023-24 be the best for you by way of having gathered experience from your mistakes, from the truancy of climatic conditions, from unexpected disasters like the pandemic and the heavy target laid on you with limited time to catch up; but with a determination on your forehead that you can and you will make it...

BPT & AHS CONVOCATION DAY

We are delighted to share the highlights of our recent BPT & AHS Convocation Day, graced by the esteemed presence of Dr. K. Narayanasamy, Vice Chancellor of The Tamil Nadu Dr. MGR Medical University, Chennai. Dr. K. Narayanasamy delivered an inspiring speech, emphasizing the importance of dedication, continuous learning, and the role of healthcare professionals in society.

Our Hon.Chairman, Rtn. Dr. A.K. Natesan, congratulated the graduates and encouraged them to uphold the values of our institution as they embark on their professional journeys. He also expressed gratitude to the faculty, staff, and parents for their unwavering support. We are confident that our graduates will make significant contributions to the healthcare field and continue to bring laurels to our institution. We wish them all the best in their future endeavours.

ERODE VANIGAR SANGAM MARATHON

We are thrilled to announce that our BPT and AHS students participated in the Erode Vanigar Sangam Marathon and brought home medals and certificates, making us immensely proud. Our students showcased exceptional endurance and determination, winning several medals and certificates. Dr. M. Subramaniam delivered an inspiring speech, emphasizing the importance of physical fitness and community participation in promoting health and well-being. We are confident that our students will continue to excel in both academic and extracurricular activities, bringing more laurels to our institution. We look forward to more such opportunities for our students to showcase their talents and make a positive impact on the community.

MLT STUDENTS MEDICAL CAMP

Our dedicated 3RD Year MLT students recently organized a successful blood grouping camp at Nangavalli Govt. Hr. Sec. School. This initiative aimed to promote health awareness and provide essential medical information to the students. To educate students on the importance of knowing their blood group for medical emergencies and overall health awareness, the camp successfully educated 200 students about their blood groups, emphasizing the importance of this knowledge in medical situations. The camp was meticulously planned and executed by our MLT students under the supervision of our esteemed faculty. The students were divided into teams, each responsible for different aspects of the blood grouping process. This hands-on experience not only enhanced their practical skills but also fostered a sense of community service.

KALINGARAYAN PASUMAI MARATHON MEDICAL CAMP

Our dedicated BPT students recently participated in the Kalingarayan Pasumai Marathon and conducted a medical camp at Pavish Park, Bhavani. These events highlighted their commitment to health, fitness, and community service.

AHS 2024 BATCH INDUCTION TRIP

Our AHS 2024 batch students recently embarked on an exciting induction trip to Erode. This trip was designed to welcome our new students, foster camaraderie, and provide them with a memorable start to their academic journey. The induction trip included a variety of activities aimed at enhancing the students' experience. From team-building exercises that encouraged collaboration and communication to educational tours that provided insights into the local culture and history, the trip was both informative and enjoyable. Recreational activities such as sports and games added a fun element to the trip, ensuring that students had a well-rounded experience.
