PROF. Dr. A.K. NATESAN

Hon. Chairman's
MESSAGE

I have often noticed that people forget their quarrels and rivalry with the passage of time. that is something positive and appreciable. but it cannot be applied to the studies you do in various courses. once an interviewer finds out that you have majored in a particular stream, you are sure to get a generic question about that field and you are expected to be specific in your answer, if you want to impress your interviewer. all cannot excel in every field. similarly, you may not be a success in all what you do. mistakes are bound to happen. but here is where your god given memory power should be put to good use. fail in the exam, but learn the lesson. remember that each and every person who has succeeded in life has done it by learning the lesson even after the initial projects were utter failures.

I wish that this year 2024-25 be the best for you by way of having gathered experience from your mistakes, from the truancy of climatic conditions, from unexpected disasters like the pandemic and the heavy target laid on you with limited time to catch up; but with a determination on your forehead that you can and you will make it...

WORLD STROKE DAY

COLLEGE OF PHYSIOTHERAPY & RESEARCH CENTRE AHS STUDENTS SHINE AT APOLLO HOSPITAL, CHENNAI

The Allied Health Sciences (AHS) students from B.Sc. Radiology and Imaging Technology (RIT) and Medical Laboratory Technology (MLT) recently participated in the 4th and 5th October 2024, Clinical Training Programs at Apollo Hospital, Chennai. This hands-on training provided invaluable real-world experience, allowing students to apply their theoretical knowledge in a professional healthcare setting. During the program, students had the opportunity to work alongside experienced medical professionals, gaining insights into advanced diagnostic techniques, patient care, and laboratory procedures. The exposure to state-of-the-art medical equipment and technology at Apollo Hospital was particularly beneficial, enhancing their practical skills and confidence. The students expressed their gratitude for the opportunity, highlighting how the program deepened their understanding of their respective fields and prepared them for future challenges in the healthcare industry. The faculty and staff at Apollo Hospital were impressed with the students' enthusiasm and dedication, and they look forward to continuing this successful collaboration. This clinical training program is a testament to the commitment of both Apollo Hospital and the AHS department to nurturing the next generation of healthcare professionals. We are proud of our students' achievements and excited about the bright futures ahead of them.

AHS & BPT AYUDHA POOJA Celebration

The AHS & BPT Institutions recently celebrated Ayudha Pooja with great enthusiasm and reverence. Ayudha Pooja, a part of the Navratri festival, is a day dedicated to worshipping the tools and instruments that aid us in our daily work.

CME PROGRAM FOR BPT STUDENTS

The BPT CME Program recently hosted an in-depth seminar on Spinal Manipulative Therapy, featuring the esteemed Dr. Hari Rajan., G.M.PT (ORTHO), PhD as the chief guest. This event attracted numerous physiotherapy professionals eager to expand their knowledge and skills in this specialized area.

AHS & BPT MASSIVE POLIO AWARENESS RALLY

A massive polio awareness rally from Rajam Theatre to Komarapalayam Bus Stand on October 24, 2024, would have been a powerful way to spread the message about the importance of polio vaccination and eradication efforts.

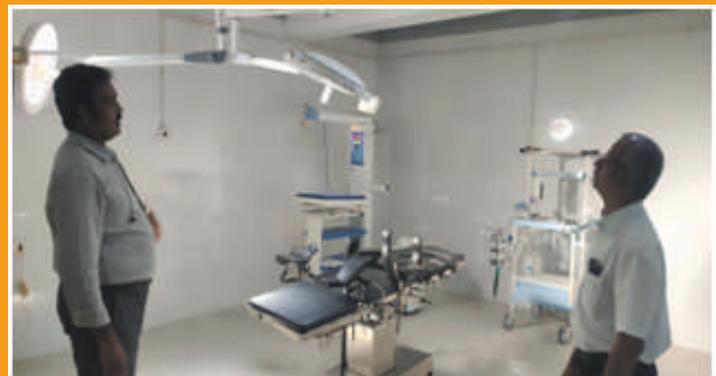

MEDICAL CAMP @ KOMARAPALAYAM BUS STAND

On October 24, 2024, a comprehensive medical camp was held at Komarapalayam, providing much-needed healthcare services to the local community. The camp was a resounding success, with a total of 102 patients receiving treatment for various medical conditions.

HOSPITAL VISIT FOR MOU

Dr. Kanagachalam Kumar, Retired JD - Erode, honored us with his presence as the chief guest for the signing of the Memorandum of Understanding (MOU). During his visit, he toured our Operating Theatre (OT), Casualty, and Dialysis units, gaining insight into our facilities and healthcare services in Excel Multispecialty Hospital.

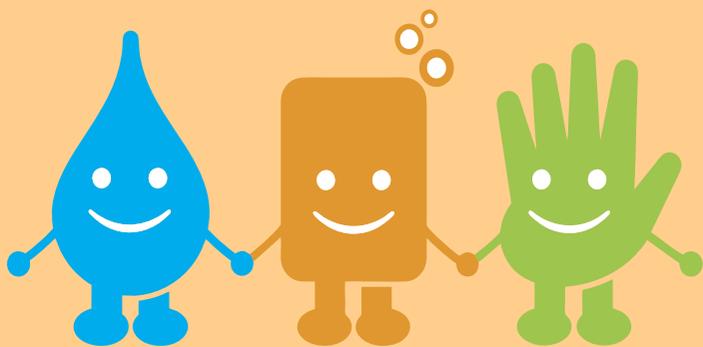

We had the opportunity to attend the prestigious BPT State Level Conference BIO-MECH SYNERGY 2K24 at Swamy Vivekananda Physiotherapy College in Namakkal. This conference brought together leading experts and professionals in the field of physiotherapy to share their knowledge and insights on the latest advancements in biomechanics and therapy techniques.

BPT STATE LEVEL CONFERENCE
