PROF. Dr. A.K. NATESAN

Hon. Chairman's MESSAGE

I have often noticed that people forget their quarrels and rivalry with the passage of time. that is something positive and appreciable. but it cannot be applied to the studies you do in various courses. once an interviewer finds out that you have majored in a particular stream, you are sure to get a generic question about that field and you are expected to be specific in your answer, if you want to impress your interviewer. all cannot excel in every field. similarly, you may not be a success in all what you do. mistakes are bound to happen. but here is where your god given memory power should be put to good use. fail in the exam, but learn the lesson. remember that each and every person who has succeeded in life has done it by learning the lesson even after the initial projects were utter failures.

I wish that this year 2024-25 be the best for you by way of having gathered experience from your mistakes, from the truancy of climatic conditions, from unexpected disasters like the pandemic and the heavy target laid on you with limited time to catch up; but with a determination on your forehead that you can and you will make it...

BATCH DAY

Celebration

2021 BATCH

Our Third Year – 2021 batch students celebrated their Batch Day with great enthusiasm and joy on April 5, 2025 at their classroom, marking the culmination of their academic journey and shared memories. The event featured a vibrant mix of heartfelt speeches, and a cake-cutting ceremony, creating a lively and emotional atmosphere. Dressed in colorful attire, students expressed gratitude to their teachers and peers, captured memorable moments through photos, and enjoyed the day filled with laughter, nostalgia, and celebration.

BNYS

College

FREE MEDICAL CAMP AT RASIPURAM

A free Naturopathy & Yoga Medical Camp was successfully organized at Kasi Vinayagar Siddha Medical Centre, Rasipuram on April 8, 2025. The camp provided comprehensive health screenings, vitals checkups, and personalized Yoga and Diet counseling to over 20 participants, promoting holistic wellness and natural healing. Led by Dr. Yuvaraj and a team of dedicated interns, the initiative aimed to enhance community health by integrating Naturopathy, Yoga, and Siddha for overall well-being.

FREE MEDICAL CAMP AT VATTAMALAI

A free Naturopathy & Yoga medical camp was organized on April 11, 2025, at Vattamalai. Over 50 people received consultations, screenings, vitals checkups, and personalized diet and yoga recommendations. The camp was successfully conducted by Dr. Yuvaraj and interns, promoting holistic health and well-being.

FREE MEDICAL CAMP AT PALLIPALAYAM

A free Naturopathy & Yoga medical camp was organized on April 11, 2025, at Pallipalayam in association with Excel NSS Community. Our interns delivered an Awareness talk about Drug Addiction and rehabilitation through Naturopathy and Yoga. The camp was successfully conducted by our interns Mr. Nirmal & Ms. Jothi Shree, promoting holistic health and well-being.

HEALTH AWARENESS TALK AT NSS CAMP

Conjunction with Excel NSS Camp – A free Naturopathy & Yoga medical camp was organized on April 11, 2025, at Munniyappan Kovil Panchayat office, an insightful speech was given by our Chief Medical Officer – Dr Raja Salomon on hospital facilities at Excel Medical Campus. The event featured a free medical camp, where around 50 people received consultations, vitals checkups, lifestyle advice, and guidance. The camp was successfully conducted with the active participation of our interns, ensuring the public gained valuable health awareness and access to essential medical care.

INTERNATIONAL CONFERENCE ON YOGA AND NATUROPATHY

"Naturopathy In the Digital Era: Balancing Technology and Natural Healing – 2025"

INTRODUCTION

The International Conference on "Naturopathy in the Digital Era: Balancing Technology and Natural Healing" was successfully organized by Dept. of Yoga and Naturopathy on April 16-17, 2025, at the Silver Jubilee Auditorium of The Tamil Nadu Dr. M.G.R. Medical University, Chennai. The conference aimed to explore the intersection of traditional healing systems—particularly Yoga and Naturopathy—with modern digital advancements in healthcare.

In the current landscape, where lifestyle diseases are on the rise, the relevance of time-tested, drugless therapies rooted in the body's self-healing capacity has never been more crucial. This event provided a vital platform for academicians, researchers, practitioners, and innovators to engage in meaningful dialogue on how ancient wellness traditions can be effectively integrated with cutting-edge technology for holistic, preventive, and therapeutic healthcare solutions.

HIGHLIGHTS

DAY 1 – 16th APRIL, 2025

On Day 1 of the conference, Excel Medical College of Naturopathy and Yoga played a pivotal role by leading the Scientific Committee and organizing a vibrant Poster Presentation Competition that witnessed enthusiastic participation from 256 individuals. Participants actively engaged in presenting their research and insights, showcasing a broad spectrum of expertise in the fields of Naturopathy and Yoga. Ten of our talented students and two esteemed faculty members delivered outstanding performances, actively participating in both oral and poster presentations.

INTERNATIONAL CONFERENCE ON YOGA AND NATUROPATHY

"Naturopathy In the Digital Era: Balancing Technology and Natural Healing – 2025"

In addition to their leadership role, we also featured an informative and interactive stall aimed at raising awareness about infertility. The stall explored ancient diagnostic techniques rooted in traditional practices as pulse diagnosis, focusing on identifying underlying causes and promoting natural prevention and healing methods. This initiative drew significant attention and contributed meaningfully to the conference's theme of integrating traditional wisdom with modern healthcare innovation.

DAY 2 – 17th APRIL, 2025

Day 2 of the International Conference was marked by significant events and esteemed dignitary participation. The day was graced by the presence of Thiru. Ma. Subramanian, Honourable Minister for Health & Family Welfare, Government of Tamil Nadu, and Pro Chancellor of the University, who served as the Chief Guest. The event was presided over by Prof. Dr. K. Narayanasamy, Vice-Chancellor, with a special address delivered by Dr. K. Sivasangeetha, Registrar (FAC). The day began with Tamil Thai Vazhthu, followed by the ceremonial lighting of the Kuthuvilakku. Dr. Sivasangeetha welcomed the gathering, and the Vice-Chancellor delivered the presidential address, emphasizing the importance of integrating naturopathy with digital innovations. The Chief Guest was honoured and officially released the conference souvenir, followed by his keynote address highlighting the state's commitment to supporting traditional systems of medicine. Dr. R. Malathi, Principal cum Medical Superintendent, Excel Medical College for Naturopathy and Yoga along with all other principals of participating colleges were invited to the dais and honoured with mementos as a token of appreciation for their contribution to the fields of naturopathy and yoga, and their support in making the conference a grand success. Dr. G. Bharathkumar, Conference Coordinator, concluded the inaugural session with a heartfelt vote of thanks.

INTERNATIONAL CONFERENCE ON YOGA AND NATUROPATHY

"Naturopathy In the Digital Era: Balancing Technology and Natural Healing – 2025"

As part of the day's highlights, the Vice-Chancellor visited the conference stalls and presented awards in the valedictory function to the winners of the oral and poster presentations. Notably, Dr. Monisha S. N, Lecturer, Dept. of Yoga, secured first place in the oral presentation competition for her study on the efficacy of naturopathy and yoga in managing morbidity and preventing infertility. During the valedictory function, students from various naturopathy colleges presented a group yoga formation, with an outstanding performance by Ms. Rawlaah, a second-year, 2022 Batch student. Furthermore, around 50 students from our college actively participated in the sessions, enriching their understanding of traditional healing in modern healthcare contexts.

It was our privilege and honour to share the platform with esteemed leaders and distinguished speakers during the conference. The event was graced by the presence of Dr. Raghavendra Rao M, Director of the Central Council for Research in Yoga & Naturopathy (CCRYN); Dr. N.K. Manjunath Sharma, Vice Chancellor of SVYASA University; Prof. Dr. Prabhakaran, Executive Director of the Centre for Chronic Disease Control, New Delhi; and Dr. Sunil Paudel, Chairman and Founder of Spark International Health Resort, Kathmandu, Nepal. Their insights, experience, and visionary contributions greatly enriched the dialogue and elevated the impact of the conference.

The second day of the conference not only celebrated the academic and practical excellence of the participants but also fostered a spirit of collaboration and interdisciplinary learning. It provided a vibrant platform for students and professionals to share knowledge, explore research, and showcase practical demonstrations of yoga and naturopathy. This convergence of traditional wisdom and modern science marks a significant step toward building a holistic, inclusive, and digitally empowered healthcare future.

HEARTFELT APPRECIATIONS

A special and sincere thanks to the dedicated our faculty team for their unwavering efforts behind the scenes, which played a pivotal role in making the 1st International Conference on Naturopathy and Yoga a resounding success.

Gratitude to our amazing committees:

- **Scientific Committee:** Dr. Deebika, Dr. Rekha, and Dr. Vignesh
- **Registration Committee:** Dr. Sughanya & Dr. Gokulakannan
- **Souvenir Committee:** Dr. Parveen Kousar & Dr. Sugash Abinav
- **Stall Incharges:** Dr. Muthukrishnan & Dr. Monisha

CONCLUSION

The International Conference on "Naturopathy in the Digital Era: Balancing Technology and Natural Healing" concluded on a high note, marking a significant milestone in the integration of traditional healing practices with modern technological advancements. Over the course of two days, the conference successfully brought together esteemed scholars, practitioners, students, and innovators, all united in their shared commitment to advancing the field of Naturopathy and Yoga. The event also fostered collaborations and networking opportunities among professionals and students, enabling them to exchange knowledge and explore future avenues for research and development.

In conclusion, this conference not only celebrated the synergy between ancient wisdom and modern technology but also reinforced the importance of holistic, preventative, and drugless healthcare in today's fast-paced world. As the event came to a close, it was evident that the insights and connections made will continue to drive the growth and recognition of Naturopathy and Yoga as essential components of global health and wellness.

A heartfelt thanks also goes to all our hardworking faculties, interns and students, whose energy, dedication, and enthusiasm added immense value to the event.

SOUVENIR OF ICYN – TND RMGRMU

Ms Mahalakshmi R & Ms Archana Lakshmi J, 2020 Batch Final year student's articles were got selected and published in Souvenir of the International Conference on "Naturopathy in the Digital Era: Balancing Technology and Natural Healing" organized by Dept. of Yoga and Naturopathy, The Tamil Nadu Dr. M.G.R. Medical University, Chennai on April 16–17, 2025.

FREE MEDICAL CAMP WITH THALIR GROUP

On April 21, 2025, a Free Naturopathy & Yoga Medical Camp was successfully conducted at the Blind and Special Individuals Charitable Trust, Puliampatti, in collaboration with the Excel Thalir Group. The camp witnessed enthusiastic participation from over 120 individuals and focused on promoting holistic wellness through natural and preventive healthcare practices. Under the leadership of our CMO – Dr Raja Salomon, supported by a dedicated team of interns, the camp offered comprehensive health screenings, vitals checkups, and individualized Yoga and Diet counselling. The initiative emphasized the integration of Naturopathy and Yoga to support the physical, mental, and emotional well-being of the community, especially among differently-abled individuals. This outreach program served as a meaningful step toward raising awareness about the benefits of natural healing and lifestyle modifications. The collaborative effort not only addressed immediate health concerns but also empowered participants with tools for long-term wellness.

FREE MEDICAL CAMP AT PIONEER MILL

A Free Naturopathy & Yoga Medical Camp was successfully conducted by our interns at Pioneer Mill, Erode, on April 22, 2025, under the guidance of Dr. Raja Salomon. The camp aimed to promote holistic health and well-being through natural and preventive care practices. Various programs were conducted, including an introductory talk about the institution and hospital, free medical consultations, vital check-ups personalized diet counseling, Yogasanas and Pranayamas sessions, and free treatments such as acupressure, facial steam, and infrared (IR) therapy. Informative pamphlets were distributed, and health data was collected for future follow-up. A total of 230 individuals benefited from the camp. The initiative was well-received and played a key role in increasing awareness about naturopathy and yoga among the local community.

On the occasion of World Water Day, Excel Engineering College's Green Club and Swachh Bharat Cell organized a seminar titled "Every Drop Counts – Protecting Our Precious" on April 23, 2025, at Hyundai Development Centre Hall. Dr. Simon Marvel Singh, Professor and Senior Medical Officer from the Dept of Biochemistry & Hydrotherapy, was invited as the resource person for the event. He delivered an insightful and engaging speech highlighting the significance of water conservation and the vital role water plays in sustaining life. Additionally, he shed light on hydrotherapy treatment modalities, emphasizing the therapeutic benefits of water in natural healing practices. The event successfully raised awareness among students and faculty about the importance of protecting water resources and integrating water-based therapies for better health.

SEMINAR ON WORLD WATER DAY

BEST YOUNG ACHIEVER IN SPORTS & FITNESS

Ms. R. Bhavadharani, a dedicated and talented First-year Part II 2023 Batch student, has been conferred with the prestigious Indra Ganesan Thanga Tharagai Award 2025, in recognition of her excellence as the Best Young Achiever in Sports & Fitness. This esteemed accolade highlights her consistent commitment, outstanding performance, and active involvement in promoting physical wellness through sports and fitness activities. Her recognition reflects the values of discipline, perseverance, and holistic health that are integral to both her academic journey and personal pursuits.

POZHIL – 2020 BATCH FAREWELL

The farewell event for the outgoing 2020 batch students was held on April 25, 2025 at Mini Auditorium, Pharmacy Block organized with great enthusiasm by the juniors – 2021 batch and their Class Advisors. The event was a heartfelt celebration marked with emotional speeches by the Chief guest Dr Ayyappan, Principal, Excel Physiotherapy College and Dr Malathi followed by cultural performances, and moments of reflection and gratitude. Faculty members and students shared memories, expressed their well-wishes, and acknowledged the achievements and contributions of the students during their academic journey. The atmosphere was filled with a mix of joy and nostalgia as mementos and tokens of appreciation were presented to the outgoing students. The program concluded with a group photo session and a fellowship meal, leaving everyone with cherished memories and a sense of belonging.

HEALTH AWARENESS TALK ON PERSONAL HYGIENE

Department of Safety and Fire Engineering organized a seminar titled “Support for Personal Hygiene in Educational Institutes” on April 24, 2025, at Engineering Campus. Dr. J. Gokulakannan, Assistant Professor and Medical Officer from the Department of Manipulative Therapies, served as the resource person and delivered an insightful session emphasizing the importance of personal hygiene, particularly in academic settings. He highlighted the vital connection between hygiene practices and overall health, while also discussing water’s essential role in maintaining cleanliness and well-being. The seminar successfully raised awareness among students and faculty about the importance of promoting personal hygiene and fostering a healthier educational environment.

THREE DAYS – BASIC AND ADVANCED OZONE THERAPY TRAINING PROGRAM

Excel Medical College for Naturopathy and Yoga successfully hosted a 3-day Basic and Advanced Ozone Therapy Workshop in collaboration with the Ozone Forum of India, becoming the first college in India to conduct this dual-level program. A total of 40 participants from varied healthcare disciplines including MBBS, BSMS, BPT, MPT, BNYS, and medical interns took part in this intensive and transformative learning experience. The sessions were led by esteemed ozone therapy experts Dr. Mili Shah and Dr. Jignasha Captain, who delivered not only in-depth theoretical knowledge but also facilitated a highly interactive and immersive hands-on training program. Participants had the unique opportunity to work directly with clinical ozone therapy equipment under expert supervision, practicing techniques such as ozonated saline infusions, ear and rectal insufflations, limb bagging, and localized ozone applications. These practical sessions allowed the attendees to gain real-time clinical exposure, skill refinement, and confidence in applying ozone therapy in patient care.

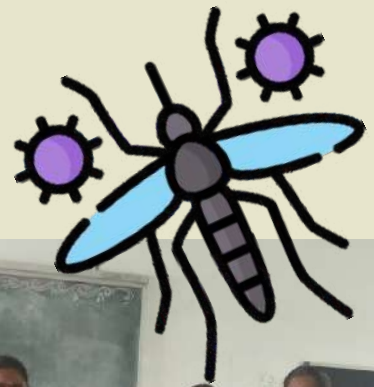

The structured self-evaluation at the end of the workshop helped participants assess their understanding and readiness for clinical implementation. The event received exceptional feedback for its practical relevance and depth of training. The program was expertly coordinated by Organizing Chairperson Dr. Malathi R, with the support of committee members Dr. Deebika and Dr. Sugash Abinav. Dr. Monisha managed accommodation and promotions, Dr. Logasudhan oversaw transportation, and the technical support was provided by Dr. Simon Marvel Singh and Mr. Venmani Sadam. A team of enthusiastic student volunteers from the Third-Year – 2021 Batch — Ms. Aarthi L, Ms. Lavanya B, Ms. Priyadharshini K, Ms. Reethu Visali B, Ms. Varsha S, Mr. Madhan V, Mr. Nithishkumar R, and Mr. Naveen Kumar P — played a vital role in ensuring the smooth execution of the event.

INAUGURATION OF OZONE THERAPY TREATMENT CENTER

Excel Medical College for Naturopathy and Yoga marked a significant milestone with the inauguration of its Ozone Therapy Treatment Center, established in collaboration with the Ozone Forum of India. The inaugural event was held as part of the 3-day Basic and Advanced Ozone Therapy Workshop. The center was officially inaugurated in the presence of principal, eminent dignitaries, faculty, students, and guest experts Dr. Mili Shah and Dr. Jignasha Captain, who emphasized the clinical value and therapeutic potential of ozone in integrative healthcare. Equipped with state-of-the-art facilities and supervised by trained professionals, the Ozone Therapy Treatment Center is set to offer a wide range of services including ozonated saline infusions, topical applications, limb bagging, insufflations, and more. This center not only enhances the college's clinical infrastructure but also provides students and interns with hands-on exposure and real-time patient interaction, reinforcing Excel's commitment to innovation, holistic care, and academic excellence.

World Malarial Day awareness programme was conducted by Excel Nursing College on 25.04.2025. The programme was started at 10.30am lead by Dr.T.Jayadeepa , Principal, Excel Nursing College. The programme conducted based on theme “Malaria ends with as Reinvest Reimagine Reignite” . The Chief guest was invited from Excel Arts and Science College, Dr.Ramya, HOD, Dept of Microbiology. HEALTH DAY & HEALTH EXPO

The faculty of Excel Nursing College organized the world health day “HEALTH EXPO” on April 7th – 2025, at 10.30 am. The Health Expo conducted in ENC lecture hall – I. The program was lead by Prof. R. Rajalakshmi Vice Principal ENC. Students have actively participated with their models and gave the presentations. Around 150 Excel Arts & Science Students have visited the expo & clarifies their doubts and gave the good feedback regarding health expo. ENC Students have won the 1st, 2nd & 3rd Prizes in this Health Expo competition. Finally the event completed at 12.30 pm.

INSTITUTE OF HEALTH SCIENCE

OUR **AHS**

Farewell

Celebration

We are excited to share that the AHS (RIT & MLT) 2021 batch celebrated their Farewell Day on April 27, 2025. The event was a heartfelt occasion filled with joy, nostalgia, and a sense of accomplishment as we bid farewell to our graduating students. The celebration featured a variety of activities, including a slideshow that highlighted memorable moments from the students' journey at AHS. Performances by the students showcased their talents and creativity, bringing smiles and laughter to everyone present. During the ceremony, teachers shared inspiring words about the graduates, reflecting on their growth and achievements. Each student received their memorable gifts, marking the end of their time at AHS and the beginning of new adventures. The day concluded with a gathering where students, families, and teachers enjoyed refreshments and shared stories, creating lasting memories. We are proud of the AHS 2021 batch and wish them all the best in their future endeavors. May the bonds formed during their time at AHS continue to thrive as they embark on new journeys!

OUR AHS

Freshers Day CELEBRATIONS

April 27, 2025.

We are thrilled to announce that the AHS (RIT & MLT) 2024 batch celebrated their Fresher's Day on April 27, 2025. This special event welcomed new students into our vibrant community and provided an opportunity for everyone to connect and have fun. And specially invited our Dr.A.Ayyappan - Principal of Excel College of Physiotherapy & Research Centre. The celebration featured a variety of engaging activities, including icebreaker games, performances by talented senior students, and a warm welcome from faculty and senior students. The atmosphere was filled with excitement as everyone mingled, shared stories, and made new friends. Highlights of the day included a special introduction session where seniors shared their experiences and offered valuable advice to the newcomers. The event concluded with refreshments, allowing everyone to relax and enjoy each other. We are proud to welcome the new members of the AHS family and look forward to a fantastic journey together. Here's to new friendships and unforgettable memories!

HOMOEOPATHY MEDICAL COLLEGE AND HOSPITAL

WORLD HOMOEOPATHY DAY

FATHER OF HOMOEOPATHY
