HON. CHAIRMAN'S MESSAGE

PROF. Dr. A.K. NATESAN

As we progress through each stage of our journey together, I am reminded of the strength, perseverance, and dedication that define our campus community. The way that everyone collaborates to make this institution an important center for development, education, and creativity is heartening. Remember that every effort you make today will lead to a better future, and that obstacles are stepping stones to success. Have faith in your skills, encourage one another, and never be afraid to dream large. When we work together, we can do amazing things.

Let positivity guide our actions, and let kindness be our strength. The future is as bright as the determination and hope we carry within.

Wishing you all continued success, happiness, and fulfilment. Let's keep moving forward with courage and enthusiasm.

Patrons

Dr. N. MATHAN KARTHICK
Vice-Chairman

Mrs. M. KAVIARASI
Director, Excel Public School (CBSE)

Chief Editors

Dr. K. BOMMANNA RAJA, Executive Director

Dr. N. SENGOTTAIYAN, Director - Technical

Dr. C. SAMSONRAJ, Assistant Professor / English

Editors

Dr. S. ANBU KARUPPUSAMY, Director - Administration

Dr. C. KARTHIKEYINI, Director - Academics

Dr. A. KARTHIKEYAN, Head - IQAC

Ms. G. REVATHI - AP/English

LEAD THE WAY: UNLOCKING YOUR INNER LEADER

The Department of Civil Engineering, Excel Engineering College (Autonomous), organized a thought-provoking non-academic awareness program titled “Lead the Way: Unlocking Your Inner Leader” on 13th May 2025. The event was designed to inspire and guide students in discovering and cultivating their leadership abilities.

The session featured an impactful keynote address by Prof. R. Mohana Sundaram, MBA, who engaged the audience with his deep insights into leadership. Through real-life examples and interactive discussions, he emphasized the significance of self-awareness, effective communication, emotional intelligence, and proactive thinking—traits that define successful leaders in any field.

His motivational talk resonated strongly with the students, encouraging them to embrace leadership roles in academics, career, and life. The session sparked active participation, thoughtful questions, and positive feedback from attendees.

The program witnessed enthusiastic involvement from both students and faculty, reinforcing the department’s commitment to fostering holistic development and producing future-ready graduates.

A JOURNEY OF YOGA, BREATH AND MEDITATION

The Department of Aeronautical Engineering, Excel Engineering College (Autonomous), organized a meaningful Non-Academic Event titled “A Journey of Yoga, Breath & Meditation” on 17th May 2025, from 11.00 am to 12.00 pm at Pavayammal Hall, Komarapalayam.

The session aimed to promote physical, mental, and emotional well-being through the principles of yoga and meditation. Mr. K. Vinoth Bresnav, Assistant Professor of Electrical & Electronics Engineering, Excel Engineering College, served as the resource person and delivered a concise and impactful speech that highlighted the significance of integrating yoga and mindful breathing into students' daily lives.

The event created a serene and introspective atmosphere, encouraging students to embrace practices that foster focus, stress management, and inner peace.

The program was effectively coordinated by Ms. M. Pavithra, Assistant Professor of Mathematics, Department of Aeronautical Engineering, ensuring smooth conduct and active participation. The initiative reflected the department's dedication to the holistic development of its students.

RALLY ON FOOD WASTE REDUCTION

The Department of Food Technology, Excel Engineering College (Autonomous), organized an impactful Rally on Food Waste Reduction on 17th May 2025. The rally was flagged off by Dr. G. Srinivasan, Head of the Department, who also addressed the gathering on the critical importance of minimizing food waste for a sustainable future.

Students actively participated in the rally by carrying thought-provoking placards and raising awareness slogans as they moved through key locations. The initiative aimed to educate the public on the value of food and the necessity of adopting responsible consumption habits.

The rally promoted practical ideas such as portion control, sharing surplus food, and the reuse of leftovers, encouraging individuals to rethink their food habits and contribute to environmental sustainability.

The event received enthusiastic participation and succeeded in creating a strong public message on reducing food waste in everyday life, highlighting the role of youth in driving meaningful change.

TALK YOUR WAY UP: COMMUNICATION AS A CAREER CATALYST

The Department of MCA successfully conducted a non-academic event titled "Talk Your Way Up: Communication as a Career Catalyst" on 08th May 2025. The session was handled by Dr. K. Saravanan, Associate Professor of English, who delivered a valuable and inspiring talk focused on the role of communication in shaping one's professional journey.

Dr. Saravanan discussed the core elements of effective communication, including clarity, confidence, listening skills, and body language. He emphasized that communication is not just a skill but a career catalyst that can open doors to leadership, teamwork, and growth opportunities in any domain.

The event witnessed active student engagement, with several participants raising thoughtful questions and expressing their learnings. The session successfully bridged the gap between academic learning and essential soft skills, making it a highly impactful initiative by the Department of MCA.

ARCHITECTING IOT WITH EMBEDDED SYSTEMS: CHALLENGES AND SOLUTIONS

The Department of Electrical and Electronics Engineering organized an insightful Alumni Guest Lecture on the topic "Architecting IoT with Embedded Systems: Challenges and Solutions" on 08th May 2025, from 2.30 PM to 4.30 PM. The session was conducted in online mode and witnessed enthusiastic participation from students and faculty members.

The resource person for the session was Mr. S. Ramachandran, Embedded Engineer at Gold Sikka Limited, Hyderabad, and an esteemed alumnus of the department. During the lecture, he elaborated on the architecture of IoT-based systems, embedded system design approaches, and the technical as well as practical challenges in real-time implementations. He also shared contemporary solutions and case studies that highlighted industry trends and technological advancements.

The session was well-received by the participants, and it provided a platform for students to gain clarity on the practical aspects of IoT integration with embedded systems. The interaction session was particularly engaging, with several students posing relevant queries and receiving expert insights from the speaker.

The event was successfully coordinated by Ms. P. Maheswari, AP/EEE and Ms. T. Nandhini Priya, AP/EEE, under the guidance of Dr. A. Jeevanandham, Dean/SECE.

The department expresses its sincere gratitude to the speaker and all participants for making the event a grand success.

WORLD INTELLECTUAL PROPERTY DAY – 2025

To mark the celebration of World Intellectual Property Day – 2025, the Institution's Innovation Council (IIC) of Excel Engineering College successfully organized a Hands-on Workshop on Patent Writing on 2nd May 2025. The workshop aimed to raise awareness and strengthen understanding of the patent system among students and faculty.

The session began with a warm welcome address by Dr. P. Sivakumar, IIC Coordinator, followed by the presidential address by Dr. P. Karunakaran, IIC Chief Coordinator, who emphasized the critical role of innovation and intellectual property in the modern world.

The resource person, Dr. S. P. Suriyaraj, Head of AIC RAISE and Associate Vice President of NITI Aayog, delivered an insightful session covering various aspects of patent writing, prior art search, and filing procedures. His expertise and practical examples made the session highly valuable for aspiring innovators.

The event saw active participation from over 400 students and faculty members, reflecting the growing interest in intellectual property and innovation. The session concluded with a vote of thanks by Dr. P. Selvaraj, IIC Coordinator, appreciating the valuable contribution of the speaker and the efforts of the organizing committee.

This initiative was a significant step in fostering a culture of innovation and awareness about intellectual property rights among the academic community.

LEADERSHIP NEXUS CLUB

“LEADERS ARE BORN, NOT MADE”

The Leadership Nexus Club of Excel Engineering College (Autonomous), Komarapalayam, organized a Public Speaking and Debate event on the topic “Leaders are Born, Not Made” on 23rd May 2025 at Pavayammal Hall. The event began with a warm welcome address by Dr. K. Saravanan, Associate Professor of English, who introduced the theme and emphasized the importance of leadership discourse in academic and professional growth. Students actively participated in the debate, presenting diverse perspectives. Some argued that leadership is an innate quality, citing examples of historical leaders known for their natural charisma and decision-making abilities. Others countered that leadership is developed through experience, education, and personal effort, highlighting how skills can be nurtured over time. The event served as an excellent platform for students to enhance their public speaking skills and engage in critical thinking. The session concluded with a vote of thanks delivered by Ms. P. Sharmila Devi, Assistant Professor of English, who appreciated all the contributors and participants for their active involvement and support, marking the event as a successful initiative by the club.

SOUND WEAVING AND RHYTHM EXPLORATIVE

The Department of Science and Humanities of Excel Engineering College (Autonomous), Komarapalayam, Namakkal-637303, successfully organized the Harmonic Hues Club Activity titled "Sound Weaving and Rhythm Explorative" on 20th May 2025, from 10:00 AM to 12:10 PM at Paavayammal Hall. The event was graced by the Chief Guest, Mrs. P. Sudha, Associate Professor of Mathematics, who addressed the gathering and highlighted the intricate connection between rhythm, mathematics, and artistic expression. The program aimed to explore the harmony between sound, patterns, and creativity, encouraging students to delve into rhythmic expression and auditory art forms. The session witnessed enthusiastic participation from students, offering them a platform to exhibit their talents and engage in creative explorations. The event was efficiently coordinated by Mrs. Selvi S., Assistant Professor of English, and Mrs. Pavithra M., Assistant Professor of Mathematics, ensuring the smooth execution and overall success of the program.

THE HUMOUR HAVEN: WHERE LAUGHTER TAKES THE STAGE

On 07.05.2025, the Department of Science and Humanities, in association with the Humour Hub, conducted a delightful event titled "The Humour Haven: Where Laughter Takes the Stage" at Paavayammal Hall, Excel Engineering College (Autonomous), Komarapalayam. The event aimed to create a joyful and stress-free environment for students through humor and entertainment. A total of 100 students enthusiastically participated, showcasing their wit and creativity through various humorous performances. The event was effectively coordinated by Mrs. M. Shobana, Assistant Professor of Mathematics, and Mrs. K. Pradeepa, Assistant Professor of English, whose efforts ensured the success of the program. The session was a lively and memorable one, promoting laughter as a powerful tool for well-being and student engagement.
