**PROF. Dr. A.K. NATESAN**  
Hon. Chairman's  
**MESSAGE**

I have often noticed that people forget their quarrels and rivalry with the passage of time. that is something positive and appreciable. but it cannot be applied to the studies you do in various courses. once an interviewer finds out that you have majored in a particular stream, you are sure to get a generic question about that field and you are expected to be specific in your answer, if you want to impress your interviewer. all cannot excel in every field. similarly, you may not be a success in all what you do. mistakes are bound to happen. but here is where your god given memory power should be put to good use. fail in the exam, but learn the lesson. remember that each and every person who has succeeded in life has done it by learning the lesson even after the initial projects were utter failures.

I wish that this year 2024–25 be the best for you by way of having gathered experience from your mistakes, from the truancy of climatic conditions, from unexpected disasters like the pandemic and the heavy target laid on you with limited time to catch up; but with a determination on your forehead that you can and you will make it...

## YOGA AND YOUTH: BUILDING FOCUS, FITNESS, AND FORTITUDE

Excel Medical College for Naturopathy and Yoga recently conducted a special Yoga session for NCC students at the Excel Convention Centre from 7<sup>th</sup> July to 12<sup>th</sup> July, 2025 aiming to empower young leaders through holistic wellness. The session focused on enhancing physical fitness, mental clarity, emotional balance, and teamwork—key qualities for disciplined and effective leadership. By integrating traditional yogic practices with practical wellness techniques, the initiative not only promoted a healthy lifestyle but also fostered unity, self-discipline, and inner strength among the cadets, reflecting the college's commitment to nurturing resilient, focused, and future-ready individuals.

# NATUROPATHY & YOGA

## FREE MEDICAL CAMP AT RASIPURAM

A Free Medical Camp was organized by Excel Medical College for Naturopathy and Yoga on 15.07.2025 at Rasipuram, Namakkal, with the aim of promoting holistic health and community well-being. Under the supervision of Duty Doctor Dr. Mahalakshmi, and with the support of internees Mr. Rajanesan and Ms. Ragasri, the camp offered a range of services including free medical consultations, vital screenings (blood pressure, height, weight, BMI), diet counselling, therapeutic yogasanas and pranayamas, and free treatments such as acupressure, facial steam, and infrared therapy. Informative pamphlets were distributed to raise awareness, and systematic data collection was conducted for follow-up and analysis. A total of 20 beneficiaries availed the services, reflecting the institution's ongoing commitment to accessible, natural healthcare for all.

# NATUROPATHY & YOGA

## FREE MEDICAL CAMP AT ERODE

A Free Medical Camp was successfully conducted by Excel Medical College for Naturopathy and Yoga on 19.07.2025 at the Armed Reserve Force, Erode, focusing on promoting natural healing and wellness among the force personnel. The medical team, led by Dr. Yuvaraj and Dr. Mahalakshmi, along with dedicated interns Mr. Rangesh, Mr. Surya, Ms. Boomika, and Ms. Ragasree, provided holistic services that included Yoga therapy, Massage therapy, Infrared Radiation (IRR), Acupressure, Foot Reflexology, and personalized Diet Consultation. A total of 20 beneficiaries received care and guidance through this initiative, which emphasized stress relief, physical rejuvenation, and lifestyle modification, aligning with the college's mission to extend integrative healthcare to every sector of society.

# NATUROPATHY & YOGA

## FREE MEDICAL CAMP AT RURAL AREA

A Free Medical Camp was organized by Excel Medical College for Naturopathy and Yoga on 17.07.2025 at Mothaiyanoor, aimed at delivering preventive and promotive healthcare services to the rural community. The camp was efficiently managed by Dr. Raja Salomon and Dr. Mahalakshmi, with the active participation of interneers Mr. Sri Kamaesh, Mr. Devarayan, Ms Suganithi, and Ms Haripriya. The services offered included free medical consultations, vital health checkups, and pamphlet distribution to educate the public on naturopathy and lifestyle practices. Detailed data collection was also undertaken to assess community health needs. A total of 67 beneficiaries were served, making the camp a successful outreach effort in promoting holistic wellness at the grassroots level.

# NATUROPATHY & YOGA

## JOURNAL PRESENTATION: EXPLORING ACUPUNCTURE IN NEURO-REHAB

The 70th Journal Presentation by Excel College of Physiotherapy and Research Centre was held on 5th July 2025 at the AYUSH Auditorium, focusing on the theme "Acupuncture in Neurological Disorders." The event was graced by Dr. Malathi, Principal of Excel Medical College for Naturopathy and Yoga, who served as the Chief Guest and delivered an insightful address emphasizing the importance of integrative approaches in neurological rehabilitation. The session explored the role of acupuncture in managing neurological conditions, combining theoretical knowledge with clinical perspectives. Faculty members, students, and practitioners actively participated, reinforcing the institution's commitment to research-driven, holistic healthcare education.

# NATUROPATHY & YOGA

## GUEST LECTURE ON BALANCING MIND, BODY AND NATURE

A Guest Lecture titled “Balancing Body, Mind, and Nature” was organized on 22nd July 2025 by Excel Medical College for Naturopathy and Yoga, focusing on the integrative principles of natural healing and holistic wellness. The session was delivered by Prof. Dr. Pradeep M.K. Nair, HoD Hydrotherapy & Research, a distinguished expert in the field of naturopathy, who shared profound insights into the synergy between the body, mind, and nature in achieving sustainable health. Drawing from clinical experience and research, Dr. Nair emphasized the role of naturopathy in preventive care, lifestyle management, and mental well-being. The lecture inspired students and faculty alike to adopt a more nature-aligned approach to healthcare, reinforcing the vision of a wellness-driven future through traditional, evidence-based practices.

# NATUROPATHY & YOGA

## MIND MATTERS – MENTAL HEALTH IS A REAL HEALTH

The Department of Agricultural Engineering, Excel Engineering College – Autonomous, successfully hosted a meaningful Health Awareness Program on 30<sup>th</sup> July 2025 at Kandhasamy Hall. The session was graced by Dr. Parveen Kousar, HoD of Physiology & Psychology, Excel Medical College for Naturopathy and Yoga, whose insightful talk emphasized that mental well-being is foundational to overall health. From practical stress-relief tools like breathing techniques, physical activity, and self-care, to the importance of journaling, mindful living, and healthy eating, her session encouraged students to embrace a more balanced, thoughtful lifestyle. She further inspired the audience to broaden their perspectives and recognize the deep connection between thoughts, emotions, and actions. The program sparked meaningful conversations and reinforced that caring for our minds is just as essential as caring for our bodies.

# EXCEL SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

## NATIONAL DOCTORS DAY CELEBRATION

On 1st July 2025, our Excel Siddha Medical College & Research Centre proudly celebrated National Doctors Day to honor and recognize the tireless contributions of doctors to healthcare and society. This day commemorates the birth and death anniversary of Dr. Bidhan Chandra Roy, one of India's most revered physicians and a pioneer in advancing medical science and public health.

The celebration this year aligned with the national theme, "Behind the Mask: Who Heals the Healers?", which highlights the importance of recognizing and supporting the mental and emotional well-being of doctors, who dedicate their lives to healing others often at the expense of their own health.

The event featured warm addresses from our respected Principal Prof. Dr. M. Maignanamoorthy, M. D(S), who acknowledged the unwavering dedication of the medical fraternity. Faculty members, students, and staff gathered to pay tribute to the doctors' invaluable service and reflect on the vital role they play in society.

Various activities were organized that day, including awareness talks, recognition of outstanding contributions by faculty doctors, and interactive sessions emphasizing the need for self-care and emotional resilience among healthcare workers.

The National Doctors Day celebration at our college also served to inspire the next generation of medical professionals to uphold the highest standards of compassion, integrity, and excellence in their future practice.

Through events like these, Excel Siddha Medical College & Research Centre continues to foster respect and gratitude for doctors and to encourage holistic well-being within the medical community.

# EXCEL SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

## NATIONAL DOCTORS DAY - DENTAL SCREENING CAMP

On 1st July 2025, our Excel Siddha Medical College & Research Centre proudly celebrated National Doctors Day to honor and recognize the tireless contributions of doctors to healthcare and society. This day commemorates the birth and death anniversary of Dr. Bidhan Chandra Roy, one of India's most revered physicians and a pioneer in advancing medical science and public health.

This health initiative aimed to provide effective oral health check-ups and raise awareness about dental hygiene among students and staff. The camp successfully benefited 182 students, offering timely dental assessments and guidance to promote better oral care.

The event reflected the spirit of National Doctors Day, commemorating the dedication and tireless efforts of doctors and healthcare professionals in safeguarding public health.

# EXCEL SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

## WORLD POPULATION DAY SEMINAR

In observance of World Population Day, Excel Siddha Medical College & Research Centre organized a seminar on 11th July 2025 to provide valuable insights into global population trends and the associated challenges.

The event was conducted under the esteemed guidance of Prof. Dr.M.Maignanammoorthy, M.D(S), Principal of the institution. Dr.D.S.Vanishwari, Assistant Professor, Department of Noi Anugaa Vidhi Ozhukkam, delivered an informative presentation on the topic "World Population and Its Challenges."

The seminar highlighted key issues such as rapid population growth, resource management, healthcare access, and sustainable development. Faculty members and final year BSMS students actively participated, fostering meaningful discussion and enhanced awareness on population-related issues.

The session concluded with a collective commitment to embrace responsible practices and contribute towards a balanced and sustainable future.

# EXCEL SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

## BLOOD DONATION CAMP

A Blood Donation Camp was successfully conducted on 19th July 2025 at the Excel Medical Campus Library, Komarapalayam, Namakkal. The event was a joint initiative by Excel Medical Campus, Ladies Circle India – ELC 78, and the NSS Unit of Excel Siddha Medical College & Research Centre.

The camp aimed to promote the spirit of service and encourage voluntary blood donation among students and staff. The event saw enthusiastic participation from students, who came forward in large numbers to donate blood and contribute to this noble cause.

The collaborative effort of the organizing teams ensured the smooth execution of the camp, maintaining all medical and safety protocols. The collected blood will go a long way in saving lives and supporting patients in need.

This successful event reflects the commitment of Excel Medical Campus and its partners to community welfare and healthcare support through such humanitarian efforts.

# EXCEL SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

## CME PROGRAMME ON “SCIENTIFIC APPROACH IN SIDDHA MEDICINE”

On 19th July 2025, Excel Siddha Medical College & Research Centre successfully organized a CME Programme on the theme “Scientific Approach in Siddha Medicine” at the AYUSH Auditorium.

The event was conducted under the guidance of Prof.Dr.M.Maignanammoorthy,M.D(S), Principal of Excel Siddha Medical College & Research Centre. The CME aimed to provide valuable insight into scientific research practices, publication ethics, and clinical applications within the field of Siddha medicine.

### **The programme featured the following expert presentations:**

Dr. Reshma Ayswaria, Ph.D, Assistant Professor, Department of Biotechnology, Mercy College, Palakkad, Kerala, delivered an insightful session on “Grant Proposal Writing and Key Points of Success”, emphasizing the structure, strategies, and essentials of writing successful research proposals.

Dr. P. Vanathi, Ph.D, Principal, Bharathidasan College of Arts & Science (Autonomous), Erode, presented on “Writing and Publishing Scientific Articles in Indian System of Medicine”, highlighting the ethical considerations, publishing standards, and techniques for effective academic communication.

Dr. P.K. Ramesh, M.D(S), Associate Professor, Excel Siddha Medical College & Research Centre, Komarapalayam, shared his clinical expertise through a session on “Varmam for Musculoskeletal System”, focusing on therapeutic applications, mechanism, and Siddha principles involved in Varmam practice.

The CME programme was well received by faculty members, research scholars, and students, fostering academic enrichment and encouraging a research-oriented approach within the Siddha system of medicine

## FRESHERS DAY “THE TEJAS ARRIVAL

The Fresher's Day Celebration, titled “The Tejas Arrival”, was conducted with great enthusiasm on 26th July 2025 at the AYUSH Auditorium, Excel Siddha Medical College & Research Centre. This celebration is a cherished tradition that fosters strong bonds between senior and junior students, welcoming new relationships and shared memories.

In a heartfelt show of unity and camaraderie, the MAGIZHAM batch (2023–2024) extended a warm and spirited welcome to the newest members of the Excel Siddha family—the GNAZHAL batch (2024–2025).

The event began with an inspiring welcome address by our respected Principal, Prof.Dr.M.Maignanamoorthy,M.D(S), followed by the felicitation of the chief guest, Prof Dr.T.Saravanan, Principal of Excel Homoeopathy Medical College. His presence and kind words of encouragement added grace and significance to the occasion.

The celebration featured vibrant cultural performances by the students, showcasing their talents and creativity. Their outstanding efforts lit up the stage and created joyful memories for all, making the day a remarkably memorable event.

This celebration marked not just the beginning of a new academic journey for the freshers but also the strengthening of a vibrant and inclusive campus community.

# EXCEL SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

## NATIONAL FLAG DAY PLEDGE

On the occasion of National Flag Day, observed annually on 22nd July to commemorate the historic adoption of the Indian National Flag by the Constituent Assembly in 1947, our institution organized a solemn pledge ceremony. The event began with a brief introduction on the significance of the day, highlighting the tricolor's role as a symbol of India's unity, integrity, and sacrifice.

Under the guidance of our respected Principal, Prof.Dr.M.Maignanammoorthy,M.D(S), All students, faculty, and staff assembled and respectfully took the National Flag Day Pledge, reaffirming their commitment to uphold the dignity and values symbolized by the national flag. The pledge emphasized national unity, integrity, and the responsibilities of every citizen to preserve the honour of the tricolor at all times.

This annual observance inspired a deep sense of patriotism and collective responsibility, reminding everyone of the values of courage, peace, truth, and growth represented by the tricolor. The event concluded with the singing of the national anthem and a call to cherish and respect the flag every day.

Our NSS Coordinator Dr.D.Dyneswar organized the pledge taken ceremony.

## SIDDHA MEDICINE DECOCTION DISTRIBUTION

Siddha Medicine Decoction Distribution at Front Gate OPD – From 27th July 2025  
Starting 27th July 2025, Our Excel Siddha Medical College & Research Centre began distributing Siddha medicinal decoctions at the Front Gate OPD to support patients with respiratory illnesses and diabetes. The decoctions distributed were Aadathodai Kudineer for respiratory ailments and Aavarai Kudineer for diabetes management.

The program was inaugurated by our respected Principal, Prof.Dr.M.Maignanammoorthy,M.D(S), alongside Dr. T. Saravanan, Principal of Excel Homoeopathy Medical College, and Dr. K. Ayyappan, Principal of Excel Physiotherapy College & Research Centre.

Through this initiative, approximately 100 beneficiaries have received Siddha treatment support, promoting traditional healthcare and wellness within the community.

# EXCEL SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

## DR.A.P.J.ABDUL KALAM DEATH ANNIVERSARY ESSAY COMPETITION

To commemorate the death anniversary (27.07.2025) of Dr. A.P.J. Abdul Kalam, fondly known as the **“Missile Man of India”** and the 11th President of India, our institution organized an Essay Competition on 28th July 2025. The event aimed to honor Dr. Kalam’s legacy as a visionary scientist, dedicated teacher, and a beacon of inspiration for generations of Indians.

The competition encouraged students to reflect on Dr. Kalam’s life values, achievements, and his unwavering commitment to scientific innovation and nation-building. Participants penned thoughtful essays on themes such as his landmark contributions to India’s space and missile programs, his philosophy of education, and the enduring relevance of his message to the youth.

# NURSING COLLEGE

## WORLD ORS DAY

The World ORS Day Health Awareness Programme was organized by the Department of Community Health Nursing, Excel Nursing College, on 30th July 2025 at Kallankattuvalasu Anganwadi Centre. The event was held between 10:00 AM to 11:00 AM, beginning with a warm welcome address by Ms. Parimala G., Nursing Tutor.

The programme was led by Prof. Rajalakshmi R., Head of the Department of Community Health Nursing, and focused on the theme "ORS: A Simple Solution for a Healthier Future", emphasizing the importance of Oral Rehydration Solution (ORS) in preventing dehydration. Final-year B.Sc Nursing students actively participated by demonstrating ORS preparation, and explaining its ingredients, advantages, and uses. The event witnessed enthusiastic participation from community members, Anganwadi workers, parents, and children, who gained valuable knowledge about the significance of ORS. The programme concluded successfully, leaving a positive impact on the attendees.

# NURSING COLLEGE

## WORLD POPULATION DAY

The inspiration for this day was to highlight growing problems that come with a growing global population and aims to increase people's awareness on various population issues such as the importance of family planning, gender equality, poverty and human rights. # COLLEGE OF PHARMACY

## ENTREPRENEURSHIP DEVELOPMENT PROGRAM

Entrepreneurship Development Program was conducted in Excel College of Pharmacy with the aim of nurturing entrepreneurial skills and creating awareness among students about starting and managing their own ventures. The program sought to instill leadership qualities, risk-taking ability, and innovative thinking among the youth. Mr.G.Vasudevan.,M.E., District Program Manager, EDII-TN, served as a motivating and enlightening session for the students. His insights into real-time support systems and schemes instilled confidence and curiosity among participants to consider entrepreneurship as a serious career path. He explained the initiatives and support systems provided by EDII-TN, including training, mentorship, seed funding, and incubation support. Students were made aware of the district-level entrepreneurial resources available to them through EDII and TNSDC.

# COLLEGE OF PHARMACY

## CAREER GUIDANCE PROGRAM

The Career Guidance Program was conducted with the objective of helping students understand various career opportunities available after graduation, the changing landscape of recruitment, and the skills required to succeed in today's competitive job market. The session aimed to provide clarity, direction, and motivation to students for planning their careers effectively. Mr. Sandeep Gummadevelly, Regional Recruitment Manager, MSVU – South India, provided in-depth and practical insights into pursuing higher education in Canada. His talk was particularly beneficial for students exploring international academic pathways. After the session, Mr. Sandeep encouraged students to connect for further guidance through webinars, virtual counseling, and university liaison support. He also offered follow-up sessions for those planning to apply to MSVU or explore other Canadian institutions. He thanked our Honorable Chairman Dr. A.K. Natesan, Vice Chairman Dr. N.Mathan Karthick, and Dr. R. Manivannan, Principal, and participants for their valuable contributions.

# COLLEGE OF PHARMACY

## AWARENESS CAMP FOR THE ELDERLY

An awareness camp on the “Rational Use of Medicines in Chronic Diseases” was successfully organized by Excel College of Pharmacy at Annai Atharavatr Home for the Aged, located near Vattamalai, Kumarapalayam. The event was formally inaugurated by Dr. R. Manivannan, Principal of Excel College of Pharmacy, who highlighted the importance of safe and appropriate medication practices, especially among the elderly. The program included interactive awareness sessions conducted by faculty members, focusing on medication adherence, proper dosage, and understanding side effects. Students and staff provided basic health screenings, including blood sugar and blood pressure checks, and offered individualized patient counseling to the residents.

The camp concluded with the distribution of fruits, nutritious snacks, and free multivitamin tablets to all participants as a gesture of care and support. A total of more than 40 elderly residents participated in the camp and benefited from the healthcare services and educational outreach provided by the institution. This initiative reflects Excel College of Pharmacy’s continued commitment to community health and its efforts to promote awareness on responsible medication use among vulnerable populations.

# HOMOEOPATHY MEDICAL COLLEGE AND HOSPITAL NATIONAL DOCTORS DAY CELEBRATION

# COLLEGE OF PHYSIOTHERAPY & RESEARCH CENTRE

## MEDICAL CAMP AT ERODE

A successful medical camp was conducted today in Erode, providing essential health services to members of the community. The event saw strong participation from the Erode Reserve Police, with over 40 police officers attending the camp to avail themselves of the medical facilities.

The camp offered a range of health services, including general check-ups, consultations with specialist doctors, and free screenings for common health issues. The participation of the Erode Reserve Police highlights their commitment to personal well-being and a healthy, active force. "It's important for us to be proactive about our health, and events like this make it easy and accessible."

The organizers of the medical camp expressed their appreciation for the police officers' participation, noting that their presence set a positive example for the entire community.

# COLLEGE OF PHYSIOTHERAPY & RESEARCH CENTRE

## BLOOD DONATION CAMP

On July 19, 2025, Erode Round Table 98 + Erode Ladies Circle 78 AND Excel Medical campuses hosted a successful blood donation camp. We were overwhelmed by the incredible response and generosity from the local community, especially the many students who came forward to donate.

Your enthusiastic participation made this event a resounding success. Each pint of blood you donated has the power to save up to three lives. Your selfless act of kindness and community spirit is truly commendable and serves as an inspiration to us all.

We would like to extend our sincere gratitude to every student who rolled up their sleeves for this life-saving cause. You are the real heroes!

# COLLEGE OF PHYSIOTHERAPY & RESEARCH CENTRE

## RESEARCH ORIENTATION PROGRAMME

On July 22, 2025, we successfully conducted a Research Orientation Program for our students. The day-long event provided an excellent opportunity for students to learn about the fundamentals of research, various methodologies, and how to get involved in academic projects. We thank all the faculty members and students who made this program a great success!

## MEDICAL CAMP

**Thanneerdhasanur, Edappadi** – A free medical camp was successfully conducted on July 27, 2025, in Thanneerdhasanur. The camp saw an overwhelming response from the local community, with more than 140 patients receiving medical care and consultations.

The initiative provided vital health services and consultations, reinforcing our commitment to community well-being. We extend our heartfelt thanks to all the doctors, volunteers, and participants who made this event a resounding success.
