PROF. Dr. A.K. NATESAN
Hon. Chairman's
MESSAGE

I have often noticed that people forget their quarrels and rivalry with the passage of time. that is something positive and appreciable. but it cannot be applied to the studies you do in various courses. once an interviewer finds out that you have majored in a particular stream, you are sure to get a generic question about that field and you are expected to be specific in your answer, if you want to impress your interviewer. all cannot excel in every field. similarly, you may not be a success in all what you do. mistakes are bound to happen. but here is where your god given memory power should be put to good use. fail in the exam, but learn the lesson. remember that each and every person who has succeeded in life has done it by learning the lesson even after the initial projects were utter failures.

I wish that this year 2024–25 be the best for you by way of having gathered experience from your mistakes, from the truancy of climatic conditions, from unexpected disasters like the pandemic and the heavy target laid on you with limited time to catch up; but with a determination on your forehead that you can and you will make it...

INSTITUTE OF HEALTH SCIENCE

RADIOLOGY INTERNATIONAL CONFERENCE

We are incredibly proud to announce the outstanding achievements of our Radiology department students at the AHPCON-2025 International Conference, held on August 21st and 22nd at Srivenkateshwara College of Paramedical Science in Pondicherry. Our talented students represented our institution with excellence, and their hard work paid off in a big way! They secured the 2nd prize in the highly competitive dance competition, showcasing not only their artistic skills but also their dedication and teamwork. This success would not have been possible without the unwavering support of our management, staff, and the dedicated guidance of Prof. Saran.J and Prof. T. Vijayalakshmi. We extend a heartfelt thank you to them for their mentorship and encouragement, which played a crucial role in this remarkable achievement. Their victory is a testament to the talent and potential within our student body. Let's celebrate their success and look forward to more accomplishments in the future!

INSTITUTE OF HEALTH SCIENCE

MLT DEPARTMENT CLINICAL VISIT

Our MLT Department students recently had an incredible opportunity to visit the Pasteur Institute of India in Coonoor on August 29, 2025. The institute is a leading producer of essential vaccines, including the Anti-Rabies Vaccine and DPT (Diphtheria, Pertussis, Tetanus) group of vaccines for the Government of India's Expanded Programme on Immunization. During this educational trip, our students gained invaluable insights into the advanced techniques and procedures involved in vaccine research and production. They had a first-hand look at the meticulous processes that ensure the safety and efficacy of vaccines that protect millions. This enriching experience would not have been possible without the support of our management and the guidance of our dedicated faculty members, Prof. Saran Kumar.S and Prof. V. Monisha Nageshwari. We extend our sincere gratitude to them for organizing this trip and providing our students with such a vital learning experience!

SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE FAREWELL DAY

The Farewell Day Function was held on 02.08.2025 at AYUSH Auditorium with great joy, emotions, and memories. The event was organized to the outgoing batch of NITHILAM (2020 Batch) and to celebrate their journey with heartfelt gratitude and best wishes for the future. The Farewell was conducted by THUKIR (2021 Batch) Students.

The program began with a warm welcome address, followed by cultural performances, dances and songs presented by the juniors, showcasing their love and respect for the seniors. A highlight of the event was the sharing of experiences and memories by the outgoing students, who expressed their gratitude towards their teachers, mentors, and friends.

Our respected Principal Prof.Dr.M.Maignananoorthy, and the Chief Guest Dr. A. Ayyappan, addressed the gathering with inspiring words, reminding the students to carry forward the values and lessons learned in their journey ahead. The event also included the distribution of mementos/gifts as a token of love and remembrance.

The atmosphere was filled with mixed emotions – joy of new beginnings and nostalgia of cherished memories. The function concluded with the vote of thanks and a group photo session, marking the end of a beautiful chapter and the beginning of a new one.

We wish the outgoing batch of NITHILAM (2020 Batch) all success and happiness in their future endeavors.

SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

WORLD BREASTFEEDING WEEK SEMINAR

On the observance of World Breastfeeding week our Excel Siddha Medical College & Research Centre conducted a seminar on 08.08.2025, 11 AM at AYUSH Auditorium

Under the guidance of our respected College Principal Prof. Dr. M. Maignananoorthy, MD(S), Our Kuzhanthai Marthuvam (Pediatrics) Department organized the World breastfeeding week seminar.

Our Faculty Dr. D. Dyneswar, Associate Professor cum HOD, Department of Kuzhanthai Marthuvam (Pediatrics) presented a seminar in the topic of World Breastfeeding week 2025 theme "Prioritise Breastfeeding: Create Sustainable Support Systems".

The event celebrated and supported breastfeeding mothers, emphasizing diversity and the unique journeys each mother faces. It underscored the role of families, communities, societies, and health professionals in nurturing supportive environments for breastfeeding, Benefits of breastfeeding for mother and child, Composition of Breast milk, Breastfeeding Techniques and positions, Common problems in breastfeeding, Siddha aspects in breastmilk, Siddha Medication for Breastmilk.

Nearly 120 Students from Third Professional and Second Professional attended, including faculty members and students.

This seminar effectively advanced knowledge, fostered supportive networks, and championed the 2025 World Breastfeeding Week theme by integrating nutrition information with broader public health messages.

SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

WORLD LUNG CANCER AWARENESS DAY SEMINAR

On 08.08.2025 World Lung Cancer Awareness Day was observed with a seminar that brought together students to raise awareness about lung cancer and its management. The event aimed to educate attendees about the signs and symptoms of lung cancer, which often mimic other diseases like asthma and pneumonia, leading to negligence.

Key Takeaways:

Awareness about signs and symptoms:* The seminar highlighted the importance of recognizing lung cancer symptoms, such as recent weight loss and bone pain, which can be easily neglected.

Recent advances in management: Dr. A. Rajarajeswari, MD (s), Professor, Department of Aruvai maruththuvam discussed recent advances in lung cancer management, including targeted therapy, immunotherapy, and personalized medicine with gene profiling. ***Siddha system of medicine:*** The seminar also highlighted by Dr. Rajarajeswari, MD (s), On effective lines of treatment available in the Siddha system of medicine, such as Navabasana kattu.

The seminar concluded with increased insight into the early detection of lung cancer and the importance of raising awareness about this disease. The event emphasized the value of human life and the need for timely intervention in lung cancer management.

SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

WORLD ORGAN DONATION DAY SEMINAR

Excel Siddha Medical College & Research Centre observed World Organ Donation Day with a special seminar On 13.08.2025 aimed at spreading awareness on the importance of organ donation and its role in saving lives. The event was organized on campus with the participation of faculty, and students.

Dr. K. Kathirvel, Associate Professor in the Department of Udal Koorugal, delivered an insightful presentation, This seminar was conducted under the guidance of our respected College Principal Prof.Dr.M.Maignananoorthy,

The seminar highlighting the importance of organ donation and encouraging attendees to consider registering as organ donors, aimed to raise awareness about organ donation, dispel myths, and promote a culture of giving.

The seminar concluded with a renewed sense of purpose, inspiring attendees to become advocates for organ donation and contribute to saving lives. By fostering a culture of organ donation, we can make a significant difference in the lives of those in need.

SIDDHA MEDICAL COLLEGE & RESEARCH CENTRE

NATIONAL SPORTS DAY – 2025

Excel Siddha Medical College and Research Centre celebrated the National Sports Day seminar on 29.08.2025 at IInd Prof.Junior Class room. The event was meticulously organized by the extracurricular activity club.

Dr. R. Suguna, Assistant Professor Department of Forensic Medicine and Toxicology & Dr. K. Pavithra, Assistant professor, Department of Sirappu Maruthuvam, delivered an insightful presentation, This seminar was conducted under the guidance of our respected College Principal Prof. Dr. M. Maignananoorthy,

The seminar was presented in the theme of “sports – a pathway to fitness, discipline and success” . The seminar highlighting the importance of celebrating sports day in building teamwork, discipline, and leadership. Brief history of national sports day. Importance of sports in life, physical health benefits, mental health benefits, social benefits, and life skills.

Excel College of Pharmacy successfully organized a One Week National Level e-FDP from 28th July to 2nd August 2025 on the theme "Transformative Technologies in Pharmacy: From Molecular Science to Intelligent Care". The program aimed to enhance the knowledge and skills of faculty, researchers, and professionals in emerging technological trends and their applications in pharmacy. Renowned speakers from academia, research institutions, and industry delivered insightful sessions on topics including artificial intelligence in drug design, molecular modelling, nanotechnology- based drug delivery systems, pharmacogenomics, and translational research in pharmacy. The sessions were conducted online and

attended by faculty members, researchers, and students from across the country, enabling a broad academic exchange. Eminent speakers from reputed national and international institutions delivered enriching lectures.

III. AI Technology in Drug Discovery

AI for predicting Absorption, Distribution, Metabolism, Excretion, and Toxicity

ADMET Significance: Critical pharmacokinetic properties that determine a drug candidate's viability and safety profile.

AI-Powered Prediction: ML algorithms can predict ADMET properties from molecular structures before synthesis, saving time and resources.

AI Methods: Random forests, SVMs, deep neural networks, and graph convolutional networks trained on experimental ADMET data.

Multi-Parameter Optimization: AI enables simultaneous optimization of multiple ADMET parameters, balancing trade-offs.

Integration with Design: ADMET predictions are incorporated into generative models to create molecules with desirable properties.

COLLEGE OF PHARMACY

PARTICIPATION IN NATIONAL LEVEL SEMINAR

Fifteen B.Pharm students and 1 faculty member from Excel College of Pharmacy participated in the one-day National Seminar conducted by KSR College of Pharmacy, Tiruchengode on 01.08.2025. The program highlighted the advancements and obstacles in developing epigenetic-based therapeutic approaches for cancer treatment. The lectures provided valuable insights into how epigenetic mechanisms contribute to neurological disorders and the scope of novel therapeutic interventions. The seminar concluded with a certificate distribution ceremony, acknowledging the participation. Overall, the seminar proved to be a knowledge-enriching experience, offering exposure to the latest research trends in epigenetic approaches to cancer and neurodegenerative diseases. The seminar enhanced our academic and professional understanding of novel therapeutic approaches in drug development.

COLLEGE OF PHARMACY

FIRE SAFETY AWARENESS PROGRAM

A Fire Safety Awareness Program was successfully conducted at Excel College of Pharmacy on 3rd August 2024 in the Seminar Hall. The program aimed to educate students, teaching, and non-teaching staff on essential fire safety protocols and emergency response techniques. The main session of the program was conducted by a trained Fire Officers Mr. Dhandapani, Mr. Sakthivel to provide a live demonstration on the use of fire extinguishers, emergency evacuation procedures, and fire prevention measures. Participants were given hands-on experience in handling basic firefighting equipment. The session was informative and interactive, with many questions from the attendees being addressed with practical insights. The Fire Safety Awareness Program served as a valuable initiative to enhance the preparedness and awareness of the college community in the event of a fire emergency.

COLLEGE OF PHARMACY

INTERNATIONAL YOUTH DAY

International Youth Day was celebrated in Excel College of Pharmacy by the I - D.Pharm students on 12.08.2025 on the theme “Local Youth Actions for the SDGs and Beyond”, emphasizing the importance of empowering young individuals to take practical steps within their communities while aligning their efforts with the United Nations Sustainable Development Goals. In keeping with this vision, our institution organized a series of engaging and thought-provoking activities – including a research-focused video presentation, an awareness drama, physical fitness challenges, and creative expressions – that showcased the talents, ideas, and social responsibility of our students. The session with a motivational health talk focusing on the importance of balanced diet, nutrient intake, and daily exercise for overall well-being. This programme created awareness about the long-term health benefits of active lifestyle habits and the risks of a sedentary routine and engaged the audience with spot challenges. Each participating student demonstrated and guided peers through correct exercise techniques, ensuring safety and effectiveness. The session concluded with an interactive Q&A where students addressed doubts on diet, fitness, and lifestyle modifications.

COLLEGE OF PHARMACY

ONE DAY NATIONAL LEVEL SEMINAR

III Year B. Pharm students of Excel College of Pharmacy, Komarapalayam, actively participated in a One Day National Seminar on the theme "The Impact of AI on Drug Design and Optimization of Emerging Analytical Technologies in Pharmacy". The seminar was held at JKKMMRF's – Annai JKK Sampoorani Ammal College of Pharmacy, Komarapalayam on 22nd August 2025. The seminar was accredited by The Tamil Nadu Dr. M.G.R. Medical University and sponsored by the Association of Pharmaceutical Teachers of India (APTI-TN). Students were awarded 10 credit points for their participation, making the seminar academically significant. The main aim of the seminar was to introduce students and academicians to the cutting- edge role of Artificial Intelligence (AI) in pharmaceutical sciences, particularly in drug discovery, retro synthesis, analytical method validation, and regulatory aspects. Students gained knowledge about virtual screening, structure-based drug design, and machine learning models in drug research. The seminar provided the students of Excel College of Pharmacy with valuable academic exposure to advanced topics in pharmacy. It was an excellent opportunity to interact with renowned academicians and industry experts, which helped broaden their knowledge beyond the classroom. The seminar enhanced students' understanding of the latest AI tools in drug research, analytical validation methods, retro synthesis, and regulatory affairs, which will be beneficial for both academic and professional growth.

COLLEGE OF PHARMACY

WORLD PHOTOGRAPHY DAY CELEBRATION

The World Photography Day celebration was jointly organized by the I Pharm.D students and the Photography Club of our college. The program commenced with a warm welcome address by Dr. R. Manivannan, Principal, Excel college of Pharmacy, who emphasized the importance of art and creativity in education. Students from Pharm.D and Diploma courses actively participated, making the event interactive and vibrant. Overall, the celebration not only enriched students' understanding of photography but also inspired them to view it as a medium of self-expression, innovation, and social awareness.

COLLEGE OF PHARMACY

SHINE HEALTHCARE HACKATHON 2025

The Shine Healthcare Hackathon 2025, a national-level initiative, was launched to accelerate innovation in the healthcare sector by fostering collaboration between students, medical professionals, technologists, and entrepreneurs. The Hackathon was Organized by The Tamil Nadu Dr. M.G.R. Medical University in association with StartupTN, the hackathon received an overwhelming response with 55 novel and innovative idea submissions done by our college faculties and students under various healthcare themes. After a rigorous review process, 9 ideas were shortlisted for the prefinal round, which was conducted at Sri Shanmugha Institutions, Salem on 24/08/2025 and SRM University, Trichy on 26/08/2025. During the prefinal evaluation, the team led by Ms. R. Divyaparvathi presented the project “Eco Blister: Biodegradable Packaging for Tablets/Capsules” under the theme of Biotech & Pharmaceutical Innovation. The idea was commended for its sustainability, scalability, and relevance to addressing pharmaceutical waste challenges. Following the jury evaluation, R. Divyaparvathi’s team was selected for the Grand Finale to be held at The Tamil Nadu Dr. M.G.R. Medical University on 25th September 2025. The prefinal round successfully showcased the breadth of innovation emerging from young minds and reinforced the hackathon’s vision of transforming healthcare through interdisciplinary problem-solving and entrepreneurship.

COLLEGE OF PHARMACY

FREE EYE SCREENING CAMP & AWARENESS PROGRAM

Free Eye Screening Camp at Excel College of Pharmacy was a collaborative effort between the college and The Eye Foundation. The event was aimed at provide access to vision care, detect common eye disorders like refractive errors and cataracts, offer treatments such as corrective spectacles, and educate communities about eye health to prevent vision loss and blindness. Dr. Abirami, Cornea, Cataract and refractive (Lasik) Surgeon, The Eye Foundation, Super Specialty Eye Hospitals, gave Power Point Presentation regarding eye examinations, including vision assessments, cataract screenings, and checks for refractive errors. The Eye screening camp was set up in a designated area where students were encouraged to screening their eyes. Prior to screening, students underwent a quick health screening, including checks for blood pressure and general health conditions. Trained medical professionals from The Eye Foundation, Super Specialty Eye Hospitals, were present to oversee the screening process, ensuring the safety and comfort of all participants. The event saw enthusiastic participation from the student body, with a total of 392 students successfully got screened.

NATUROPATHY & YOGA

FREE MEDICAL CAMP AT ERODE ROTARY CLUB

A Free Medical Camp was organized at the Rotary Club, Erode on 13th August 2025, aimed at delivering preventive and promotive healthcare services to the community. The camp was efficiently managed by Dr. Raja Salomon and Dr. Yuvaraj, and the services included free medical consultations, vital health check-ups, and distribution of educational pamphlets on naturopathy and lifestyle practices, along with data collection to assess community health needs. A special health talk was delivered by Dr. Malathi, Principal and Medical Superintendent, which added immense value to the awareness initiative. The camp successfully served 50+ beneficiaries, making it a valuable outreach effort in promoting holistic wellness and lifestyle awareness.

NATUROPATHY & YOGA

4 DAYS FREE MEDICAL CAMP AND STALL ON KITCHEN FEST – 2025 AT TEXVALLEY

A Free Medical Camp and Health Awareness Stall was organized by Excel Medical College for Naturopathy and Yoga during the Kitchen Fest – 2025 at Texvalley, Erode, held from 14th to 17th August 2025. The camp was inaugurated on the first day under the in-charge of Dr. Muthukrishnan and Dr. Parveen Kousar, coinciding with the inaugural of the fest. On the second day, the camp was managed by Dr. Boopathi, while the third day was overseen by Dr. Vignesh and Dr. Gokulakannan. The final day was successfully conducted under the guidance of Dr. Keertheesvar and Dr. Loganathan. Throughout the four days, the camp offered free medical consultations, vital health check-ups, and distribution of lifestyle education pamphlets, creating widespread awareness on naturopathy-based preventive and promotive healthcare. All four days were well supported by our interns, whose active participation greatly contributed to the success of the camp.

NATUROPATHY & YOGA

2 DAYS FREE MEDICAL CAMP AND STALL AT PAVIESH PARK

A Two-Day Free Medical Camp and Health Awareness Stall was organized at Paviesh Park, Bhavani on 15th and 16th August 2025 as part of a community outreach initiative by Excel Medical College for Naturopathy and Yoga. On the first day, the camp was managed by Dr. Sughanya along with Mr. Adarsh and Mr. Gokul Raj, while the second day was coordinated by Dr. Jayalakshmi with the support of Mr. Adarsh. The camp provided free medical consultations, vital health check-ups, and distributed educational pamphlets on naturopathy and lifestyle practices. With a total of 100+ beneficiaries, the program proved to be a successful effort in spreading awareness on preventive and promotive healthcare through naturopathy.

NATUROPATHY & YOGA

COMMEMORATIVE VITALITY CHECK-UP CAMP HONORING FATHER OF IRIS DIAGNOSIS

A Free Vitality Check-up Medical Camp was organized on 23rd August 2025 for the Excel Transport Team, commemorating the 114th Memorial Day of Ignaz von Peczely, the Father of Iris Diagnosis. The camp was conducted by Dr. Muthukrishnan, Professor and Senior Medical Officer, Department of Acupuncture and Natural Diagnosis, from Excel Medical College for Naturopathy and Yoga. The initiative focused on preventive healthcare, offering vitality assessments and lifestyle guidance to promote holistic wellness among the staff. Notably, the II Year 2022 Batch students actively participated by practicing iris observation, which helped them enhance both their academic knowledge and practical skills. This event served as a tribute to a pioneer in natural medicine and as a valuable step in nurturing future professionals while promoting health awareness within the institution.

NATUROPATHY & YOGA

FREE MEDICAL CAMP FOR ECCS

A Free Medical Camp was organized for the Excel College of Commerce and Science on 25th August 2025, exclusively for the B.A. Tamil Department students and faculty members. The camp was efficiently coordinated under the guidance of Dr. Raja Salomon and Dr. Muthukrishnan. The initiative focused on preventive and promotive healthcare through free medical consultations, vital check-ups, and lifestyle awareness, benefitting the academic community by fostering holistic wellness.

NATUROPATHY & YOGA

LIFESTYLE EDUCATION FOR HOLISTIC STUDENT WELL-BEING

The Department of Management Studies and the Department of Physical Education of Excel Engineering College jointly organized a Lifestyle Education Non-Academic Activity on 26th August 2025 at APJ Abdul Kalam Hall. We were privileged to have our faculty member, Dr. Vignesh, from the Department of Community and Modern Medicine, as the Chief Guest. In his address, He highlighted the importance of adopting healthy lifestyle practices for students' physical and mental well-being. He explained the role of balanced diet, regular exercise, stress management, and sleep hygiene in improving academic performance and overall quality of life. He also engaged the audience with practical tips, interactive discussions, and real-life examples, making the session highly informative and motivating.

NATUROPATHY & YOGA

COMMUNITY HEALTH OUTREACH FOR ECCS

A Free Medical Camp was organized for the Excel College of Commerce and Science on 29th August 2025 for the Department of Microbiology students and faculty members. The camp was efficiently coordinated under the guidance of Dr. Raja Salomon and Dr. Yuvaraj, with the active support of our interns. The initiative focused on preventive and promotive healthcare through free medical consultations, vital health check-ups, and lifestyle education, creating awareness and encouraging the adoption of holistic wellness practices among the academic community.

NATUROPATHY & YOGA

MEDICAL CAMP AT 3RD TAMIL NADU STATE YOGASANA COMPETITION 2025

A Free Medical Camp was organized on 31st August 2025 at the 3rd Tamil Nadu State Yogasana Competition 2025, conducted by the Thirumoolar Yoga Research Centre, Salem, and affiliated with Nehru Yuva Kendra, Salem, at The Little Flower Higher Secondary School, Salem. The camp was inaugurated by Dr. Malathi, Principal and Medical Superintendent, EMCNY – who graced the occasion as the Chief Guest. The camp was efficiently managed under the in-charge of Dr. Boopathi, with active support from the III Year 2021 Batch students. Services included free consultations, vitality check-ups, and lifestyle education for participants and visitors. With 100+ beneficiaries, the initiative made a significant impact, contributing to the holistic success of the prestigious state-level yoga event.

HOMOEOPATHY MEDICAL COLLEGE & HOSPITAL
